### **Disclaimer**

While great care was taken over a five year period with checking the thousands of facts contained herein, it is possible – if not inevitable – that some mistakes may have slipped through the net. For these, and for the small number of “not knows” that occur here and there, the responsibility is solely mine and I hope that the reading public will help put errors, not knows etc right in time. Regarding the missing Christian names on teams I have tried every avenue to solve these and again maybe some of the reading public will know the answers and club teams where these occur, I recommend that the clubs follow through on these which apply to their clubs and get answers to all.

# Introduction

What began as a conversation among some Gaels re records within Laois back in 2010 and from my experiences when researching and publishing in 2004 "In the Shadow of the Goalpost" (The GAA History of Borris in Ossory, Kilcotton and Kyle GAA clubs including Laois hurling) saw me toying with the idea of a Laois GAA Records Bible of Records.

When I saw "The Kilkenny GAA Bible", compiled by Gerry O'Neill in a number of publications which was also put up on the Kilkenny GAA website, the seed was sown and this is what I would like to happen with this publication eventually.

So began this monumental task and journey. I took it on following the publication in 2008 of my two volume history "Viewing Through History", and it was just after another detailed task of publishing the Parish History of Borris in Ossory, my own place.

I had decided in my research as far back as 2010 when I started the project that I would mark the Centenary of Laois Senior Hurlers capturing their only senior hurling title from Cork on 24<sup>th</sup> October, 1915 on a score line of Leix, 6-2, Cork, 4-1 as I had hoped and planned to launch this publication in October 2015. As we all know now many things have taken place and in late 2014, Laois themselves had decided to bring out a special commerate publication with a selected committee and in view of this I decided that this publication should come out later. Also 2014 marked the 50<sup>th</sup> year since Laois Minors hurlers played Cork in All Ireland final on 6<sup>th</sup> September and were beaten by 10-7 to 1-4. This is another poignant note as this is a far too long a period for our underage hurlers to be waiting again to make the break through. Success at county level will nearly always come through from the underage successes and Laois needs to have this as a vital part of its plan going forward and win this championship like the footballers have.

This project is something I felt should have been undertaken many years ago with a person perhaps more qualified than myself, and when probably a lot more details would have been available regarding teams that are missing today, and Christian names of players. This was not an easy undertaking as records in many instances in clubs were not meticulously kept and not perhaps of high priority. I had to use many avenues to source information. I feel that all clubs should take their history seriously and maintain their records fully. This is the greatest tribute one can pay to all their club players. I am aware that some clubs have compiled their own history, and some are in the process especially, Rathdowney, Abbeyleix, Clonad, and Portlaoise have recently published theirs by Teddy

Fennelly and Brian Delaney..

After getting all team listings in papers (*Leinster Express & The Nationalist*) or from clubs, fellow GAA supporters or from former players I decided in this publication that I would endeavour to ensure Christian names of players, rather than mere initials would be used.

Also I discovered that some local records in Laois were incorrect or missing. Hopefully through this publication most of these will have been rectified. Some unfortunately cannot, as no records of these are extant. This added immensely to my task, but in some cases I was unable to source full teams and Christian names.

I am formerly from Garron Castle, Borris in Ossory and a former player with the club which I am proud of. I am very honoured to have as my hurling idol growing up and later to be a team mate on 1972 senior hurling winning team and friend, Christy O'Brien who features on the cover of this publication. In hundreds of polls I took in my research, 99% of all came up with two great stars in both codes which should features on the covers of this publication. The great Tommy Murphy, footballer shows on the back and Christy O'Brien on the front. Thanks to Mick Bolton and the Graiguecullen club for their help with the section on Tommy Murphy.

Author

The vast majority of material for this publication was sourced in the Archives of The Leinster Express and The Nationalist & Leinster Times dating from 1884-2016.

A monumental task in the making with extensive painstaking research carried out in the Reference Library of the County Council Office, Portlaoise makes for exciting and exhilarating records.

**Library Reference in County Hall, Portlaoise:** I would like to extend my sincere appreciation to the Library Staff of Laois in County Hall, Portlaoise as follows; Mary White, Stephen McGrath and Acting Librarian, Bernie Foran for their ongoing help. In addition, I would further like to acknowledge the Officers of Clubs who were to help and for their consistent and continuous support in my research on team details and queries.

**Former Gaels :** The invaluable information provided by former Gaels within clubs all played a big part in helping setting records straight and without their input corrected records would indeed have been lost in time.

## Bibliography

To all Laois GAA Publications & Year Books, all club Publications within the county and some outside, help from GAA Museum records, Provincial records, Gaelic Games Complete Handbook by Raymond Smith, Kilkenny GAA Bible publications by Gerry O'Neill, Comhairle Laighean 1900-2000 by Tom Ryall (Kilkenny). The Complete Handbook of Gaelic Games 1887-2005 Edited by Des Donegan, Teddy Fennelly's publication of Teams in County Finals (1954-1993), proved a valuable help but again Christian Names had to be sought on all these records. In *the Shadow of the Goalpost* by John Phelan (author of this publication) A History of Ardrahan GAA 1884 – 2010 Compiled by Michael Howley & Tom Greene, Dublin GAA History Vol 1 by Professor Willie Nolan, The Harps GAA History 2015 by Sean Conroy. Portlaoise GAA History 1887-2006, 'C'mon The Town' by Teddy Fennelly & Brian Delaney (published 21/6/2016) – a great detailed Publication.

**Underage – Hurling & Football 1960-2016:** I have endeavoured to bring this section's records up to date from 1960-2016. However, due to lack of available information within the local association and clubs this section has some finals incomplete. All Finals going forward should have programmes and these should be saved on computer files within the GAA offices with results attached to each final. From these Programmes and results, roll of honours should be maintained fairly easily but County Board must appoint a person to update the records to ensure that all is carried out in detail.

**Camogie:** We must not forget women's invaluable contribution to Hurling and Football which I believe to be vastly understated. I wish to include the County Camogie Roll of Honours but again records falls short of completion due to lack of information and records. The County Executive should make this project a priority and follow through to ensure all roll of honour in all grades are in order. Special appreciation must go to Theresa Keenan (Camross), current Secretary Laois Camogie Board for all her help and liaising with me on records, and it was

not for her lack of efforts that same is some what incomplete. Joan Dunphy, Laois Camogie. Also help received from Berna and Eimear Moynan, St.Brighids who through their vast scrap books, was a great help in sorting some roll of honours in various championships and pictures of teams and captions.

**Ladies Football:** It is only fitting that this section be included in the County Records as Ladies Football was organised on a national basis in 1974. The players within the county have played their part at local and national level in developing the game and bringing honours to their clubs and county in various grades. The county roll of honour listing for all grades is also incomplete due to lack of information. Special appreciation must be made to Michael O'Loughlin, Mountmellick who was a great source of information in updating some of the records but again the Executive needs to take this project in hand going forward ensuring all grades are updated. Eoin Culleton also from Mountmellick who went beyond the call of duty in getting records sorted and and was so helpful in what ever way he could help to make sure queries were sorted for this publication. Also help which he got from Francis Quill (Cork) on various final results in the charts, but again the Laois Executive need to take this project in hand going forward ensuring all grades are updated. Others to help were Phil O'Keeffe, County Chairman, Margaret Brennan, Leinster Council, Connie Conway, Derek Egan, St. Conleth's, Mary Wheatley with her scrap books and help sorting out many queries was very helpful. Michael & Angela Carroll, Durrow (parents late Lulu R.I.P.) went above and beyond the call of duty and went into the attic and everything was laid out to sort and help enhance Laois Ladies Football Chapter which was gratefully appreciated. Theresa Sheehan, who I only got to liaise with when proof reading chapter at the end, and nothing was a problem to her and everything was sorted post haste. Her help was invaluable and much appreciated. To anybody else who has helped in any way and not mentioned - I thank you.

## Recommendations

This publication sends a message to clubs and county boards: Keep detailed records of all County final teams in all divisions including Underage, Camogie, Ladies Football, and Leagues in detail at county Board level. The Boards should not alone keep the roll of honours but details of all finalists' teams including panel members and this should apply to Camogie & Ladies Football County Board. The Records should be easy accessible to all clubs and Gaels by having the complete listings of all final teams each year on the Laois GAA web site and also included in detail in the AGM reports and Year Book publication. I also recommend that "The Laois GAA Year Book" should be revived immediately and write ups must have full listings of teams, final scores & panels with Christian names and when and where finals played (including Underage). The local papers in their reports, especially on county finals, should include the name of the winning captains as at the moment it is not being done in all cases, including the referees and where all finals are played. This would greatly enhance all their reports and make them complete. By doing this, we would always make sure that all records for the county would be up to date and available. *A person within Laois GAA should be named/ appointed to follow through with updating and keeping all records up to date on this publication with the complete support of the Officers of the County Board. This would have all the information accessible at the tip of a key stroke and make it easy for clubs and county to have their historic facts in detail.*

**Laois GAA Library:** My recommendations are that all finals including underage should have programmes for same with Christian names and captains. Programmes for some under age and League finals are produced by the Laois GAA and all other are contracted to outside printers and all should be archived and accessible on the web site. Hard copies especially of finals &

county team games should be archived within the GAA offices or in the museum if it ever such a venture will be put in place.

I have spoken to current printers for Laois GAA and got a confirmation that it would be so easy to archive all programmes for finals which they produce and forward to Laois GAA in an agreeable format easy to up load to their web site.

**Laois GAA Museum:** The Laois GAA should have their own County GAA museum and shop outlet where all archives could be housed in this section (all GAA publications within the county by clubs & historians, and County Board and also Laois gear) is available. In all my researching and talking with the Gaels of Laois over the last 20 years they would back such a venture.

They would be prepared to donate a lot of artefacts, and some others would loan them only to Laois GAA if should a venture was put in place with the highest professional approach.

The late Murty O'Donnell was talking to me many times during his work with me on my publication *In the Shadow of the Goalpost* in 2004 (Murty came up with name and design for cover of same re Histories of clubs Borris in Ossory, Kilocotton, Kyle and Laois hurling), about such a project and had short listed a few names within the county to help him initially but sadly he did not even get time to test out the idea with the County Board. I think this project should now be driven by Laois GAA, especially at this time it is so opportune to fit in within their development work over the next few years in O'Moore Park, and it would be a great tribute to a very passionate GAA Laois person and part of it could be named in his honour and other parts in memory of some other great Laois Gaels and Administrators.

### Thanks for Support

I wish to thank my wife Brid children Cillian (25) Niamh (20) and Finnán Jack (18) for their support, patience and help over the years carrying out this project.

# Foreword

*Christy O'Brien*

When John Phelan called in to see me some time ago and told me that he was in the Process of compiling this book, I was both surprised and very pleased. I recall telling him that he was undertaking something that needed to be done, but that it would be a huge task. I have known John since he was young lad in Garron Castle (where he grew up), and we played together on the 1972 winning senior team, which was my last appearance in a winning senior final. My last senior final was in 1973 when I played against Camross and we came out second best on the day by 5-13 to 0-14.

I knew that if anyone would bring this book to successful publication, it would be John, as he is very dedicated to any project he takes on. We are already in his debt for the history of Borris in Ossory, Kilcotton and Kyle GAA clubs, "*In The Shadow Of The Goalpost*", which was published in 2004, and his magnificent two volume history of our native parish, *Borris In Ossory: "Viewing Through History"*, which he brought out in 2008. The amount of research John did with these books was tremendous.

Only recently he told Nan and myself that he would be having me on the cover of this book. I felt deeply honoured, as he could have chosen any one of a number of great Laois hurlers over the years. Then he told me had got Eddie Keher to write a tribute to me. Eddie was a team mate of mine on Leinster teams, and it was a great honour to have a tribute to my contribution to Laois and Borris in Ossory from such a hurling legend.

John has been with me several times, checking out records and teams, and I could not but feel the great enthusiasm he has brought to the research of records and teams. He discovered there has been a lack of information on seasons and finals like 1914-15. He surprised me with some names of players who played a part in the 1914 campaign, indeed, two uncles of mine, Tim Hyland and his brother Michael, whom I was not aware of being involved with 1914. What has deeply impressed me is John's following up on players who only played in one championship game.

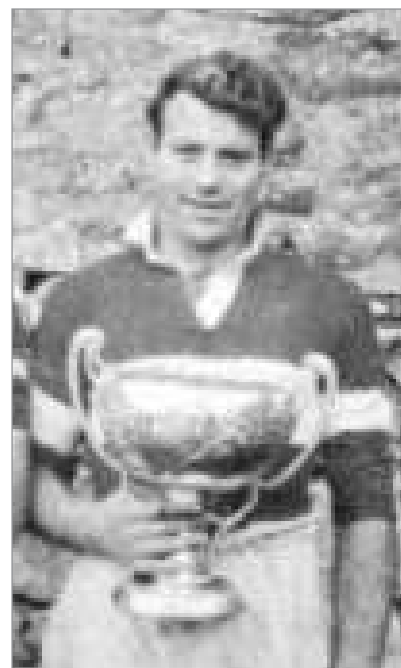

It has highlighted for me how little is known in many clubs and parishes today of old players. In olden days people were very well known, and talked about in fireside discussions. But so often nothing was written down, thankfully John has picked up on this. It must have been a very painstaking task tracking the information down.

I think it would be great if Laois GAA brought the annual "Year Book" out again, providing all the statistics as John has done here. I would like to see this magnificent book put up on the GAA website.

When you look back over the teams, it is poignant to see how many have passed on. We must remember them with pride. John's book will encourage us to do that, and in remembering our great heritage, to draw inspiration from it for the future. I congratulate John on this great publication, it deserves a place in every Laois hurling home. It is my great privilege to contribute this foreword.

## Former Secretary, PRO Laois Ladies Football Board Michael O'Loughlin

The publication of this outstanding collection of information on all aspects of GAA in the O'Moore County is the completion of what author John Phelan might describe as a 'labour of love', although he might also admit that the 'love' aspect was limited enough as he chased around the county looking for relevant facts and figures on Gaelic Games. The Laois GAA Bible will, without a doubt, become an invaluable addition to Laois sporting history and will hopefully provide answers to most of the arguments that constantly arise when GAA people, or others, converse and argue.

Six weeks ago, around mid March, John was still chasing after a few elusive details that had not yet been nailed down and I simply did not believe, from what I was aware of the time, that the proposed launch target date could possibly be met. That it is eventually about to be placed on the book shelves of Laois is a huge achievement by any standards and a wonderful personal triumph for John Phelan himself.

John would be the first to admit that there is a lot of information, certainly in the Ladies Football sphere, still to be brought into the public domain so, thankfully, disagreements on GAA topics may go on for a long time yet. This is largely a book (Bible) of facts so that despite the copious amounts of new information we can still have debates in the workplaces,

the pubs or the clubhouses of Laois about the greatest, the best or the most skilful teams of players.

When John first approached me a few years ago with his well practiced opening line of 'I believe you're the man to give me some information on Ladies Football' I was initially, and understandably, cautious. But, as was the case with the many other people he snared, JP somehow convinced me that I had a moral and civic duty and, more importantly, an obligation to my GAA heritage to join his crusade.

Because of my own family's lifelong involvement in GAA activities I was once accused of suffering from a 'Messianic convictions'. I believe John Phelan may well have a similar affliction, but it's probably of 'Biblical' proportions and may be incurable.

Finally I would like to say I am very glad that I bought into John Phelan's dream and vision for a Laois GAA Bible and I am proud to be associated with such a significant piece of GAA history. After numerous setbacks, disappointments and false starts John Phelan's aim of producing the ultimate Laois Gaelic Football, Hurling, Ladies Football and Camogie reference book has become a reality.

The book is by any standards a wonderful piece of work and hopefully will be used and enjoyed by GAA people everywhere, inside and outside the county, for many, many years to come.

## An Cathaoirleach Laois GAA Gerry Kavanagh

I am delighted to compose the foreword for this vast publication "The Laois G.A.A. Records Bible 1888 – 2016".

If you go through the contents listing of Chapters and see how detailed John Phelan has put into each with information, pictures etc. you wonder how one person could accomplish such a feat. I only got to know John in the last few years when he started this project through our meeting with him and Niall Handy. You could see how enthusiastic, determined and driven he was that such a project should be carried out and completed. He tried every which way to sell project to us and always tried to make sure Laois GAA were on board.

I know he experienced a lot of obstacles enroute with getting information, support, pictures and even trying his best with captions for them and also some unforeseen circumstances

which he had to overcome but he still kept on to make sure that this project came to fruition. Note many more would have thrown in the towel many times but not John.

This publication is very inclusive in all matters GAA, Adult, Juveniles, Camogie and Ladies Football, Presidents, Laois Championships games in inter County all grades, Laois & GAA All Stars, Railway Cup Finals since 1927 including all Laois players involved Hurling & Football, Club Championships Hurling & Football with Laois teams involved in Finals and latter stages, and much more.

We all in Laois should feel proud that we have such a detailed record which I thank John for all his endeavours. I would recommend that Laois GAA enthusiast and clubs to purchase a copy. Note with high costs to print; only a limited number were printed and this will make this publication a treasure to have and it will be a great reference book for Gaels and clubs in search of their own history of activities over the years.

Hopefully from this publication it will act as an incentive to the present generations to emulate the feats of the men and women of the past and drive on to achieve the highest honours for the county.

## President LGFA

### Marie Hickey (Laois)

There is a very proud tradition of Gaelic Games in Laois. Despite the relatively small populations there have been some great teams and talented individuals representing the County over the years. Hurling, Football and Camogie have always had a very passionate following in Laois, with dedicated clubs and supporters in every corner of the county.

The Ladies Gaelic Football Association was founded in 1974, with Laois being represented soon after that and growing from strength to strength in the following years. The earliest victories at a National level were when The Heath Ladies won All-Ireland Club Championship titles in 1985 & 1986, the first and only such titles brought to the county. Following that there were great wins at underage level in 1998 when Laois won an U16 A All-Ireland title and in 1992 they won a Minor A title. There were great performances from senior teams throughout the eighties and nineties culminating in All-Ireland victory in 2001, Angela Casey captained the team on that auspicious day, bringing the Brendan Martin Cup on its long awaited journey to

Portlaoise. There have been many highs and lows throughout the county over the relatively short history of Ladies Gaelic Football with many great friendships forged between clubs and individuals. I wish to acknowledge the great contribution made to this development by many great players and officers, including Mary Ramsbottom RIP, Lulu Carroll RIP and Mary Wheatley who served as National President of LGFA, President of Leinster LGFA and guided her own club Crettyard as Chairperson for many successful years.

I congratulate John Phelan on his production of the Laois GAA Bible, it provides us with a great history of many events, an archive of games played throughout the decades and gives a great insight into the annals of Gaelic Games at many levels throughout the county.

I am sure that the future of Gaelic Games in Laois will be a bright one with many young players coming through to take on the mantle of the former greats.

I trust that you will enjoy the journey into the history of Gaelic Games in Laois.

## President Camogie Association

### Catherine Neary (Kilkenny)

I am delighted that for the first time there is a combined history of camogie, hurling and football activity for County Laois. Reading this book has brought back some great memories and also reminded me of the rich sporting past and present of camogie in Laois.

This book is important on many levels not least of which is that for the first time we have been given the opportunity to ensure that the legacy of camogie is not forgotten or consigned to dusty record books but brought to the fore for all of us to read and enjoy.

Some may be surprised to read that camogie in Laois has a long history and indeed camogie was active in Laois as far back as 1912. (Mary Moran's book *A Game of Our Own Camogie's* story p.19). The records of the time show that camogie clubs were located in Rosenallis, Abbeyleix, Moutmellick and Mountrath. Therefore we can say that Laois Camogie has a long and enduring history and all those who have been involved in the development of camogie in Laois deserve our heartfelt thanks for their contribution to camogie not just in Laois but nationally.

While success on the national stage may have taken time there can be no doubting the long tradition of camogie in Laois. Given all the work that was happening across the clubs and schools over the years success did arrive with victories at post primary, Féile na nGael and at intercounty underage level at national and provincial levels. At club level the famed Harps and Camross Camogie clubs have brought success on the larger

camogie stage. The Harps Camogie Club has the distinction of winning 3 consecutive All Ireland Junior Camogie titles and for a time they were unbeatable at county, provincial and national level.

There has also been success at individual level with players from Laois winning the coveted Soaring Star Award. In 2015 it was my great privilege to present the All Ireland Premier Junior Cup to Laois who at the third attempt finally tasted All Ireland success. This was a historic year for Laois camogie as the team was undefeated during the 2015 Championship season and were deservedly crowned All Ireland Champions.

It is a tribute to all those who have worked tirelessly over the years to nurture and maintain the love of camogie across the clubs and schools in Laois. At times it may have seemed to be a thankless task but it is to your credit that you have ensured that camogie has and continues to be played across the county. Your legacy is the success which has been achieved on the playing fields at school, club, county, provincial and national levels but your legacy is also that you have instilled a love of the game in not just players of the past and present but of the future. I thank you, for all your efforts and hard work.

It is also the case that over the years Laois Camogie has contributed many fine administrators to camogie not only at county level but also at provincial level. When the Provincial councils came into being in 1934, Laois women Kay Hyland was elected secretary and this traditions continues up to the present time with Sarah Conroy (Camross) who is the current secretary of Leinster Council.

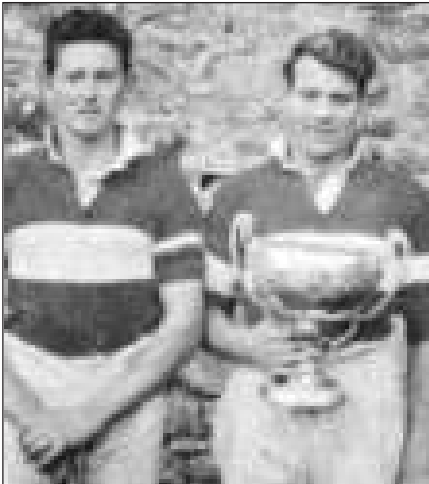

## Dedication

To all Laois GAA club players - past and present  
including County players who represented our county.

#### Born on 11<sup>th</sup> March 1933

Christy O'Brien's story in Borris in Ossory did not start until the 1880's. Pat O'Brien, Christy's Grandfather was born in Kildare around mid 1860. Two of his brothers played football for Kildare. Paddy worked as a steward on the Castle Farm, in Borris in Ossory for some years and lived at present family farm in Derrin. He married and had three sons, Paddy, Chris and Dick. Chris was a good hurler and enjoyed much success with Kilcotton in the early years but eventually went to Dublin where he lived out his life. Dick stayed at home,

did not marry and lived out his life in Derrin now home of Christy. Paddy Junior was left a farm at Sentry Hill by an Aunt, so he moved out to the place and spent the rest of his life there. Paddy married Isobella Hyland, from Main St, Borris in Ossory. The Hylands were a well known musical family and who had a great Band in the early years. Isobella herself was a very accomplished musician. They had three sons, Paddy born 11<sup>th</sup> October 1923, Jimmie, born in 1928, Christy was born on 11<sup>th</sup> March, 1933 and Bro Basil (Dickie) was born on 29<sup>th</sup> December, 1935 and one daughter Mary born on 12<sup>th</sup> May, 1943 who is married and living in Italy. (See Hyland History in Borris in Ossory History publication by John Phreelan "Viewing through History" Page 9, Page 165/166 Vol 2).

Now sadly – Jimmy died in 1974, (aged 46 yrs), Bro Basil (Dickie) died on 23/8/2005 – age 70 yrs), and Paddy who was the oldest, (died 16<sup>th</sup> January 2012 aged 89 yrs).

Let it be in Laois or elsewhere, Christy O'Brien's name is regularly mentioned when hurling is discussed. His skill with a camán is well recorded in song and story of his deeds on the hurling field with Club, County, Leinster and Ireland teams. In his early days in 1950's and early 60's he played most of his games at **centre back** and was recognised as one of the greats of this position but as needs came about re getting scores he was to be found making his way up the field and became a great forward. He was to become one of the great all round players that could play anywhere.

He has played in every position on the field and even in goal in 1960 in a game against Abbeyleix as he was injured and could not play outfield. He mentioned that the great Paddy Lalor was full forward on the Abbeyleix team that day and we won that day. This is something I only found out in the recent times.

He was also an accomplished footballer and played with Cuddagh Junior teams over many years and in 1961, lined out at corner back for Portlaoise Seniors with the great Phil O'Keeffe, John Dunne in the other corner and the mighty Paddy Bracken in goal along with a great half back-line of Pat Dalton, Alfie Lewis and Mick Murphy.

What a formidable four greats to have along with the other on the team. The game was against Annanough in the Senior Football Championship.

*"Class Apart"*

*"Legend of the Ash"*

*"Strong as an Ox"*

Extract from Portlaoise GAA History by Teddy Fennelly who gave this to us before the book has gone to print on 19<sup>th</sup> January 2015 and remembers him playing so well as he was a team-mate on the team as well.

*"In 1961 the senior footballers had a pre-season boost in the Graiguecullen Tournament and Portlaoise fielded a number of minors in this close fought Fr.Maber game. Portlaoise won by 1-9 to 0-7 in the replay as first game had ended in a draw of 0-6 each. Portlaoise, so near and yet so far over the previous years, and showing good form early in the year, disappointed their following in the opening round of the championship by losing 2-7 to 0-7 to Rovers, an area team comprising of Ballylinan, Crettyard, and Barrowhouse whose most notable players included Ollie Brennan and Fintan Walsh (Ballylinan), , Mick Phelan and Willie Malone (Barrowhouse), and Eamon Wbeatley from Crettyard.*

*The 'Town' got back on the winning trail by beating Killesbin 0-13 to 1-4. Liam Doran was Killesbin's star but Portlaoise proved too strong overall. Next Portlaoise were involved in a game that grabbed the headlines for all the wrong reasons. Portlaoise were leading Annanough at Portarlinton by 2-3 to 1-4 in a grim battle that turned into a real battle with ten minutes remaining when the ball was left aside and numerous individual bouts of fisticuffs erupted all over the field. The referee, Jimmy Rankins, tried but failed to restore order and he abandoned the game.*

*The replay was described in the press as uneventful with the 'Town' side winning 0-6 to 0-3 in a game in which defences dominated and scores were at a premium. The Leinster Express reported: "Referee, Bill Bolton (Portarlinton). although a little behind the play, made a good job of the game and did not deserve the insulting remarks made by some spectators."*

*A feature of the game was the appearance of the hurling maestro from Borris in Ossory, Christy O'Brien, a great admirer of Portlaoise club and its sporting ethos, despite the intense rivalry between the clubs in hurling. He lined out at corner back for the "Town" for his one and only outing in the Portlaoise jersey. While he had a good game he decided that Portlaoise had plenty of good young footballers and he did not want to do one of them out of a place on the team. A little later in the year he led his native club to a fourth SHC title in six years over our club, Portlaoise.*

**Portlaoise Team:** Paddy Bracken, **Christy O'Brien**, Phil O'Keeffe, John Dunne, Pat Dalton, Alfie Lewis, Mick Murphy, Jim Hughes, Teddy Fennelly, Pascal Delaney, Johnny McCormack, Mick McDonald, Donald Dunne, Christy Fitzpatrick, Jas O'Reilly, **Sub:** Billy Bunyan".

*Portlaoise were to meet O'Dempsey's in the semi-final and were to be beaten by 0-9 to 0-5 with Tom Brown playing a big part in O'Dempsey's win having the year earlier lined out for the "Town"*

*Teddy in discussion with myself and Brian Delaney at Teddy's home was to say that "Christy would more than have retained his place on this team throughout the championship but his stance on the issue shows the sportsmanship of the man.*

Christy displays at under age level bore signs of great things to come. His first success was a school medal when Borris in Ossory beat Roscrea Vocational school in a U16 competition in 1946. He played minor hurling with Borris

in Ossory in county final in 1948 against Abbeyleix when they were well beaten on a score 8-5 to 0-2. He played minor hurling for Laois at 15 years of age in 1948 and played for four years with them.

He had to wait until '52 for his next success, when Borris in Ossory won the Laois Junior Hurling Championship. In '53 he won a Laois County Intermediate medal.

One of the highlights of his career was to Captain the Borris in Ossory team to win it's first Senior County hurling title in 1956, and bring the Bob O'Keeffe Cup to the parish for the first time. This victory was followed by Senior Hurling Championship wins in '57, '60, '61, and '72. He also captained the teams of '57,'60, and '61 and played on the 1972 team under the capaintancy of his neighbour and good friend Brendan Dollard. In the semi final in 1972 against Camross Christy was to score 4-2 out of a total of 5-9 scored by Borris as against 5-5. Note he was 39 years old at this stage and was still showing his class and was a great colleague to all of us all young players.

*Christy cutting his way through Camross defence in 1972 semi-final on which he scored a total of 4-4 on the day.*

Christy was starring with Laois Inter County hurling teams during all this time, having already played for Laois minor hurling team for 4 years. He impressed the Leinster selectors, and was one of their outstanding players on their Railway Cup wins in '56, '62, '64, and '65. (At this time the attendances at the Railway matches were around the 40,000 mark). He won two National League Div 2 medals in 1960 v Roscommon by 5-9 to 1-8 and in 1965 v Kerry by 3-14 to 3-4. In 1964 Laois were defeated in Div 2 final by Westmeath on a score of 3-9 to 3-7.

Christy was also picked on the Rest of Ireland team to play the Irish selection in 1957.

**Cardinal Cushing Games in 1966**

In 1966 he travelled to New York, U.S.A. for the Cardinal Cushing Games games. This was a great highlight to his career. Other great players on this trip included Austin Flynn (Waterford), Bernie Hartigan (Limerick), John Doyle (Tipperary), Christy Ring (Cork), and roommate Pat Dunny (Kildare). John Doyle (Tipperary) did not travel out with the group as followed out the next day and is not in the picture at the Airport.

**Talking with Christy on Saturday 30th April 2016**

When we both travelled to visit my uncle Joe Treacy & Paul Ryan the great Poet both in Mount Carmel Nursing Home, Roscrea. Christy was to add following on Cardinal Cushing Games " Christy was in the Hotel room in New York with John Doyle (Tipperary) and Christy Ring who was in the other corner of the room and Doyle was looking in the mirror combing his long black hair and was to say to Christy O'Brien, - That he was one of the greatest hurlers to come out to the USA – Christy Challenged him and said – Doyle you are not and I think that the man in the corner (Christy Ring) might have something to say on that and Doyle was taken aback on my comments".

Three exhibition games were played at different venues against the New York Champions Galway who were strong. Irish hurling players played with Limerick team in New York. **Game One:-** Played in Gaelic Park - Limerick Selection won **Game Two** – Played in Boston – Travelled

out by Coach and back to New York by Aeroplane. – **Lost Game Three:-** Played in Connicut and won game.

He was well looked after in the USA by Joe McCabe and John Dunphy of the Laois men's Association. Another highlight was being introduced to Senator Robert Kennedy who presented each member of the party with a tie pin in the shape of a gunboat with which his brother was associated during the Second World War. He also visited the late President's grave in Arlington. Another legend he met was John Kerry O'Donnell at Gaelic Park, New York. He also met up with his friend Brendan O'Keeffe formerly of Borris in Ossory and son of the great Bob O'Keeffe and had played with Christy & Borris in Ossory in late 50's and early 60's before he emigrated to New York. Christy said that Brendan showed him some of the great sights of New York and had a great time in his company.

Christy always appreciated the opportunity that the game of hurling and the organisers gave to him in a time when it was not easy to visit America. He also appreciated the support from County and Club on his trip to America.

Paddy his older brother played on the Borris in Ossory Intermediate success in 1940, when he was the youngest on the team. Paddy was also to play on the Laois minor hurling team in both 1940 and 1941 winning two Leinster finals along with other Borris men, my uncle Joseph Treacy, Paddy Maher, Michael Loughman, Michael Kilmartin, Liam

Lenehan and Liam White who would later play on the Laois Seniors in All Ireland final in 1949 along with Paddy.

Paddy went to Dublin for work and got a position with Guinness and while there he played for many years with Young Irelands and also Faughs in Dublin winning county titles with them. Paddy also played for Dublin hurlers in 1946 in the League final against Clare which Dublin were beaten in a replay.

In 1948 Laois asked Paddy to declare for them and 1948 & 49 were great years for Laois hurling as they won two Leinster titles and reached the All Ireland in 1949 against Tipperary.

When he came back to Borris in Ossory he won four Laois Senior hurling medals in '56, '57, '60, '61.

Jimmie (R.I.P) was a stylish hurler who also played for his Club and County and was a member of the 1952 Junior Team and also the 1953 Intermediate team.

Bro Basil (Dickey), played at Club & County winning two Laois Senior (H) Championships in 1960,'61, and a National Hurling League Division 2 with Laois in 1965.

Christy was also on the Borris in Ossory Ballad Group team that won the Laois, and Leinster Scór, and were Runner's-up in the All Ireland Scór competition. His latest award is the "Hall of Fame" granted to him by R.C.T. L.C. in their Sports Awards.

Christy could hold his own with many as an entertainer, and give a rousing rendering of the "Green Glen's of Antrim" and many other songs.

Two of Christy's grand uncles played for Kildare in football –his grandfather came from Clane County Kildare.

Christy and his wife Anne (nee Keeshan), (Her uncle was Timmie Fitzpatrick (Kilcotton) the Laois goalkeeper in 1949 All Ireland Hurling Final - Annes brother Patsy Keeshan (RIP) won Junior, Intermediate and Senior Hurling Championships with Borris in Ossory, her uncles Joe and Mick Keeshan, also won Championships with Borris.) have two daughter's Cait and Isobel, and two sons', Pat and Liam, who have played for the club and county at various levels. Pat was captain of the Laois team to win the Leinster U/21 hurling title in 1983.

Cait lives in London and Isobel in Canada.

Pat married Ann Lewis, The Heath and have two sons Niall and Ciaran.

Liam married Mary Conroy, Durrow and have two daughters Melissa and Jessica.

Christy gave the following advice in an interview some years ago and it is still relevant today;

"Have pride in your County jersey, Dedication to training, Practice the skills of the game over and over again, be on the alert and keep your eye on the ball, Concentrate on the game at all times". Christy's wish for the future is for Laois to win the Leinster Senior Hurling Championship, and see the **BOB O'KEEFFE CUP** come to Laois & Borris in Ossory".

Christy was also honoured on the Laois Hurling team of the Century. Also Irish Nationwide Building Society honoured the 15 greatest inter county players never to win an All Ireland medal and Christy was chosen as full forward.

**Tribute to Christy O'Brien by Eddie Keher January 2015**

I was attending a Hockey Cup semi final game in the Loreto Kilkenny who were playing Loreto of Wexford as my daughter Niamh was playing with Loreto Kilkenny. After the game I saw Colm Keher the Principal of Loreto Convent, Kilkenny and asked if Eddie his father would do a Tribute to Christy O'Brien. I gave him a small summary of the project I was doing and said that Christy would have played Railway Cup matches with Eddie over a number of years. True to his word I got back a lovely Tribute within two weeks which is very concise and sums up the man 'Christy'

**Christy O'Brien Laois – A Tribute**

*By Eddie Keher*

I understand that Christy is celebrating an important birthday soon and I thought that I should send a little tribute. Christy had a long illustrious career with the Laois hurling team, and even longer with his beloved Borris in Ossory,

He was everything a club or county hurling manager would wish for, huge dedication to his club, and a fantastic leader on the field. He proudly represented his club on the Laois team and continued to make a huge contribution when Laois were not enjoying too much success.

He was an automatic selection on the Leinster team and I had the pleasure of playing with him for about four years in the mid 60's when we won three Railway Cup medals together against very strong, star-studded Munster teams.

*Christy O'Brien with Friends & Team Mates after 1956 SHC Final with the O'Keeffe Cup.*

Christy was an outstanding centre/full/corner forward at a time when those positions called for a man with huge strength and ball-winning ability to match the rugged Munster backs.

But Christy also had an uncanny positional sense, vision and awareness and the skill to finish off a score in a tight situation. He made it easy for us half forwards to latch on to the loose ball, which he had won and distributed and to hopefully score it.

Christy can look back with pride on his achievements on the hurling field and in the knowledge that he made a significant contribution to the breaking of the dominance of Munster hurling which has enabled Leinster teams to compete with confidence against the power of any team from the southern province.

## Interview with Christy O'Brien

By P.J. Daly, *Wexford Echo* Newspaper

### December 2015

When in with Nan and Christy in December they were to inform me about P.J. Daly of the *Wexford Echo* who had called up to Borris in Ossory to interview him with a view to publish in the paper which he works for. They have spoke many times to fine tune and we are grateful to P.J. for allowing us publish in "The Laois GAA Records Bible" and was very co-operative with me which I thank him. This will be published in the *Wexford Echo* in a few months time.

The following is a summary of the interview which he posted to me on 27th January, 2016.

**C**hristy O'Brien of Laois surely must go down in the history of hurling in the County as one of their greatest hurlers that the County has seen. From 1952 until 1969 he was the idol of all hurling followers in the Laois set up. He was a phenomenal figure during his playing career. He could perform with grandeur and style in any position on the team that he was entrusted with. He had the fundamentals to perform brilliantly in any area of the field. He was brilliant in identifying in picking out weak points in his opponents armour. Christy had a strong presence in every facet of the game. He was a tour de force with his constant ferreting from his position that he occupied. He got loads of plaudits for his many outstanding displays. He was so talented that he was double marked in some of his games he took part in.

He was born in 1933, was educated at Borris in Ossory N.S. His boyhood heroes were his older brother Paddy, and the late great Laois and Dublin star Harry Gray. The greatest goalie he has seen in hurling was the late Ollie Walsh. Christy made his debut with the Laois Senior hurling team in 1953 against Offaly in the Leinster Championship played in Birr on 3<sup>rd</sup> May which Laois won by 5-15 to 2-4. In the next round Laois played Wexford in Nowlan Park which put an end to their campaign losing by Wexford 4-13 to Laois 3-5.

Sixteen years later in 1969 he made his last appearance with the county against Offaly played in O'Moore Park, Portlaoise, on 5<sup>th</sup> June in the championship and were beaten on a score of 8-10 to 2-5.

One of the great games of hurling he has seen was the Kilkenny v Tipperary in the 2014 All Ireland final in the drawn encounter.

**Best Duel Players**

# O'Moore Park – Goes Down Memory Lane – 1908 – To Date

This Phelan lad (John) is at it again going down memory lane with me as he did with O'Keeffe Park in Borris in Ossory which he has previously done in his other publication "In the Shadow of the Goalpost". I have many more memories.

Established as being the County grounds of Laois since approx 1908 (109 years ago). I am so proud that the great men had the **foresight** to put me in place and Laois were to be trend setters only second to the purchase of Croke Park by the GAA which is something. Also to be remembered in this great publication and from this article you will see how I came about, memories, plans for more facelifts over next few years and being so central is a great asset for all Laois, fans, players and officials and also the GAA in general.

## History O'Moore Park - 1908

Extracts from Teddy Fennellys Article in 125 Year Book.

It is known that the grounds were acquired by Maryborough GAA club under the stewardship of Rev J.J. Kearney CC in Portlaoise Parish at the time. Apart from the local games staged there, many Leinster championships took place. Under a title deed in 1917 the lands comprising of 21 acres held interests by Luke P. Moore (USA) John Moore, and others were signed over to Margaret E. Moore a sister to the aforementioned John Moore. In 1919, Joseph Bannan, titled as the beneficial owner transferred over six acres of the land and buildings thereon to James Miller a victualler in Mountrath as Trustee of Laois GAA (former treasurer of Laois GAA and was now a representative of the Leinster Council). A lot of work was planned to get grounds into better playing condition and also getting the structures into a better standard for players and supporters.

The seal were affixed in April, 1948 and the signatories were Padraic O'Caomh (General Secretary GAA, Bob O'Keeffe and Lorcan (Lar) Brady (Laois GAA Chairman), The document was witnessed by Sean O'Siochain, later to become full-time General Secretary of the GAA. The Park name derives from an old park of the name Moore Park and not from the clan and chieftains which ruled Laois of old. Others to be associated with the Park not mentioned yet were John Drennan Secretary Laois GAA, Paddy Champion, Pete Daly, M.P. Collier, Jack Delaney Snr, Ned Tarrant and Sean Barrett. The field was managed by a 'Field Committee' and in 1925 Sean Barrett made a proposal that the County board take charge of the grounds and be responsible for its upkeep but fell on deaf ears. When grounds were registered in 1919 it was in the name of James Miller, a prominent official, but the GAA interest was not specifically mentioned in the document. This was rectified in 1933 when ownership was transferred to trustees, Lar Brady, Bob O'Keeffe and Patrick J O'Keeffe (Central Council). In 1934 Bob O'Keeffe Treasurer made a proposal to build a new stand at a cost of £2,000 and was decided to go ahead in principle. In a short time banks were constructed and ready in July for the Leinster hurling finals. Within a few years a Galvanised covered stand was in place with the good work by local contractors Kellys Foundry. There were wooden seats tiering up to the back and had good views from and with a capacity for 2,000 patrons. It

lasted for many decades and served the county well until finally being replaced in 2000 by a New Modern one. See Picture of old stand on page 424.

## Special Meeting County Board October 1980

At above meeting it was decided that the park would be closed for at least 3 years for re-construction and was hoped to be ready for 1984 – Centenary Year of the GAA. Plans agreed were : New pitch to be laid, dressing rooms to be upgraded and new terracing to be put in place, new seating along the sidelines, upgrade toilets, at estimated cost of €200,000. The development was to be financed by clubs €50k, Leinster Council €50k, Croke Park €25k, and the remainder by sale of lands owned by Laois GAA adjacent to the Park. It was apparent that costs were rising due mainly to rising costs and rampant inflation. It was decided at this stage to form a **special fund raising committee in 1983** under chairmanship of former Laois Footballer Bobby Miller, Paddy Morrin as Secretary (Mountrath native), joint treasurers, county secretary Michael Carroll (Abbeyleix) and John Wallace, AIB, Portlaoise Bank Manager. The Leinster Council were to give more than twice as much indicated initially but there was a shortfall of €300k which committee with its ticket sales for big draws went along way to clearing the debt.

## New Stadium Opened for Finals in 1984

The stadium was ready for the 1984 county finals and was officially opened on Sunday 18<sup>th</sup> May, 1986 by then President Paddy Buggy. This was marked by a Football senior game between Laois v Kerry and was thought to be one of the finest displays by Laois. It had hoped with new development that a crowd of 50,000 would be able to be accommodated but this was to prove over ambitious. It was down to approx 35,000 or less at max with safety issues complied with but still was a good central location for games.

## The New Stand 2000 - 2002

The next phase of the development was the stand for approx 6,000 patrons. It started in 2000 and official opening took place in 2002 at a cost of €1.75m funded by National Lottery €600k, Leinster Council €500k, Croke Park €125k, and balance was funded by a loan of €500k and €40k by Laois GAA.

The Chairman of the stand Development Committee was John Hanniffy (Portlaoise), secretary Murty O'Donnell (Borris in Ossory), and builder was Bill McEvoy.

## My Minders – The Caretakers & Stewards

They groomed, manicured, gave me a face lift, looked after me with my every needs –some were the kindest and most conscientious lads you could ever meet and were to be my best friends and always had me looking my best for scheduled games throughout the years. One of the early caretakers was Ben Watson and later came Martin Delaney from Green Mill Lane, Portlaoise. In the 1950's Paddy Moore took up the role and lived near the Park, followed by Billy Breen in 70's/ mid 80's and later by another local man Peter Carroll mid 80's - 2005, and in 2006 Colm McEvoy of Timahoe was appointed as the groundsman and Willie Stackpool the caretaker, and many more names not to hand. I also must pay my respects to the **Stewards** who have given up their time to look after me so well on match days and other events.

## Sale of the field – known as The Front Field

This was the field adjacent to the Abbeyleix road and was used for parking during games. As part of the planning permission for the stand the field was to be sold for development and include parking for 307 cars and offices of 2,500 sq ft for Laois GAA. This was part of the final offer to Laois GAA from G & L Property Development and €1m in cash. In September 2003 Laois GAA County Committee accepted the offer and with this they have started on their next round of development – a new Centre of Excellence to be completed and also flood lighting. The plans applied for in 2016 are to develop 3 pitches, construct buildings which include 4 changing rooms, a gym, a referee and physio/medical room, sanitary accommodation internal circulation, ball wall, entrance foyer, reception, offices, storage rooms, kitchen and canteen, ticket office, meetings rooms, Indoor Arena. Also proposed is a new internal road with car and bus parking, pedestrian footpaths, new turnstiles, vehicular and wheelchair access gates. Road access to the centre will be via Fr Browne Avenue. Plan to complete in 2018. Estimated costs €2.95m – no plans for a Laois GAA Museum !!!!

## Now I can Reminisce and look back

I don't have to look through this publication to see or remember all the stars that graced my grounds, Footballer/Hurlers who were to make a mark on me. Keeping it local we had some of

the best stars one could hope to view but the sad thing is that they did not all come together at the one time and if they did it was only briefly as you can see from the county successes in 1930's/40's in Football reaching All Ireland final v Mayo in 1936 were a special group. I have seen all the stars in hurling & football come and go and some long forgotten but not by me as some were to make an everlasting mark on me. **Football:** we had many great clubs in both hurling & Football (some not in existence today) and many great rivalries formed which added to the spice of some of the games played. There were also a few great dual players but still were only a few who could play both codes at the highest level. Ned McEvoy of 1915 fame, and others were Clonad lad Ollie Fennell playing with The Heath in the 60/70's also with Leinster also in recent times Pat Critchley, Tommy Fitzgerald and Cahir Healy all from Portlaoise not forgetting Paddy Lalor of Abbeyleix.. Stradbally & Graiguecullen started their county final rivalry in 1927 and both had household names and some of the best players ever to grace any park but in 1937 a slip of a young lad came on the scene – The Special one – Tommy Murphy – to me he was one of my favourite Footballers, not forgetting Paddy Dunne of The Park and of course another great one Tom 'Curly' Prendergast, of Portlaoise in 1970's/80's and would have to include one of our greatest minors ever Brian 'Beano' McDonald, pure class, played in 3 All Ireland finals 1996-1998, other were honoured when selected in The Laois Football Millennium team (see chapter 9 pages 467-470) **Hurling:** we had some of the greats of the game especially the 1914/1915 Senior panels of Leix who contested two senior All Ireland Finals and one Junior. You had the Finlay brothers Tom & captain John, Bob O'Keeffe, Joe & Jim Carroll, Ned McEvoy, Jack Daly, John Hiney, Big John Phelan Ballygeehan and his brother Joe who to me was a rare & special one. Also we had the Laois 1949 All Ireland finalists and of course the great Christy O'Brien a giant of a hurler. See the Millennium teams for the stars of the past. When I am alone I always think of the great players of the past and hope that a group of players will come along soon and take honours in both hurling and Football as we are long overdue some good success.

# Laois GAA Training Centre

## Project Development – Progress Report

Following on from the acquisition of the “old” Portlaoise GAA grounds on Fr. Browne Avenue last year by GAA Central Council, in January 2015 the decision was taken to embark on the development of this site as Laois GAA Centre of Excellence.

Our Club members, patrons and supporters on their attendance in O’Moore Park stadium for our local championship games are invited to visit the development at the conclusion of games in the stadium and may access the new training centre via gate at the Abbeyleix End.

### Who will use this new Training Centre

The family of Gaelic Games in Laois will benefit from this centralised centre. Laois GAA Football and Hurling Development Squads at Under 12, 13, 14, 15, 16 and 17 / Minor, Under 21 and Senior panels will use the centre. We will also be speaking to our sister associations in Ladies Football and Camogie regarding their input and requirements.

In addition, the centre will also be used for schools competitions and underage county blitzes alleviating a variety of over used club grounds currently providing for all of the above activities.

### What will the Centre of Excellence consist of:

#### Phase 1 – Completed at cost of €700,000

Development of 3 Pitches (145m x 90m)

- Pitch 1 – Gravel Raft Pitch (145 x 90m) with pop up irrigation
- Pitch 2 – Pipe and Slit Drained Pitch (145m x 90m) with pop up irrigation
- Pitch 3 – Pipe and Slit Drained Pitch (145 x 90m)

Install drainage infrastructure for entire site;

Install ducting, draw chambers and floodlighting bases for 3 pitches; Demolish “old” Portlaoise Clubhouse and realign entry to grounds with temporary car parking adjacent to O’Moore Park boundary wall; Development of running hills and training areas;

Acquisition of mower for ongoing and extra maintenance.

#### Phase 2 – Completed at cost of €425,000

Erect Floodlighting on Pitches 1, 2 and 3 (to a minimum of 350lux) and install Generator;

Erect Goalposts and Ballcatch Nets on Pitches 1, 2 and 3;

Construct “machinery” shed. (Funded with assistance of €45,000 contribution from 2015 Sport & Capital Programme.)

#### Phase 3 – Spring 2017 in process of being completed at cost of €75,000

Erect perimeter boundary fence and build pathway on Pitch 1 & 2; Replace boundary walls with “Paladin” Fence on Fr. Browne Avenue and O’Moore Park, incorporating new entrance and additional turnstiles;

Install Amenity lighting;

#### Phase 4 – Summer 2017 - Project cost €1.75 million

Building of new Complex incorporating (Planning Permission approved and Tendering process complete):

- 4 modern dressing rooms with shower facilities and ice baths;
- Physio / Medical Room;
- Storage Rooms;
- Referees Dressing Room (also accessible to O’Moore Park);
- Public Toilets (Ladies, Gents and Disabled);
- Gym / Training Room;
- Kitchen and Catering Area;
- Reception / Foyer Area / Ticket Sales;

### Phase 5 – Spring 2018 onwards

Car Parking Areas – tarmacadam and mark;

Ball Wall;

Complete Office Area and Meeting Rooms / County Committee Meeting Room in new complex;

Indoor Arena.

### Cost and Funding

The total cost of the project will be somewhere in the region of approximately €2.95 million for the first four phases. This figure excludes the purchase of the site, which was borne by Central Council GAA and is presently being transferred into Laois GAA ownership. This of course means that all of the funding secured can be directed towards the development of the Centre and makes delivery of such an ambitious project realistic.

Before embarking on a project of this scale, Laois GAA has worked hard to secure funding commitments from Central Council GAA €1 million and Leinster Council GAA €225,000. Laois GAA has committed its own funding of €650,000. This will leave approximately €900,000 to be raised by Laois GAA through fundraising and loan facilities.

Laois GAA has also applied for 2017 Sports Capital Programme Regional funding and is hopeful for an allocation when announced later this year.

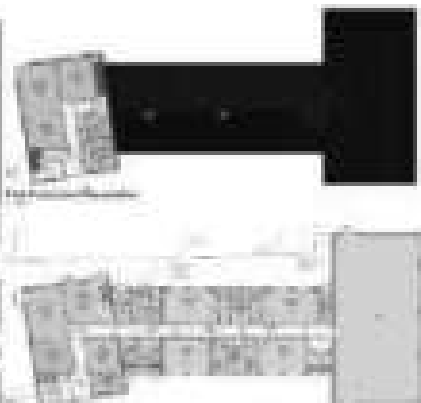

### Why the Development

Laois GAA is a very proud GAA county and is one of the few “dual” counties competing at the top tier. Whilst a county with our population and resources will sometimes struggle against the big boys or those who invest all resources in one game, there is a burning desire among our members to compete and beat the best.

There is a massive programme of work being carried out at underage level in recent years, which will be supplemented in the coming months with the launch Coaching and Games Development plan, and while success has yet to come, there are encouraging signs particularly at minor grade that it is yielding dividends and a corner has been turned.

It is hoped that the new training grounds will provide a practical and real assistance to the great work that is going on in Coaching and Games Development at county and club level.

Our county is crying out for football and hurling success and this new Training Centre is an important part of that vision that is being put in place to help achieve this.

# Bob O’Keeffe Cup

## Laois Senior Hurling Trophy 1950 – 2011

*John Phelan (Author), holding Bob O’Keeffe Cup and also his No 7 shirt with Borris in Ossory, winners of the 1972 Final v Ballyfin.*

### 62 Years of Journeying around My Lovely Laois

This Cup was presented by the Laois County Board for the senior Hurling Championship in 1950 and was first presented for the final to winners Clonad and Captain Pat Norton. This was the start of my 62 trips over and around Laois in as many years to different locations (clubs) and led away by 50 different Captains (my yearly minders). Some I got to know very well and became familiar with some locations as I started to make repeated visits. In some instances some were to be like an extended family so to speak as I was to make frequent visits over the years especially up to the Slieve Bloom Mountains where I was more like a returned Tourist year after year. Over 23 years, which to date is a record for which 19 different Captains/men from Camross club as my Captain and minders for the year.

Also it was a great thrill for me when the great Christy O’Brien from Borris in Ossory was to come up for the first time in 1956 and this was his one of four more times he would do this in 1957, 1960, 1961. This was not the last time I was to see this great hurler as he was a big part of the young Borris in Ossory Team of 1972 when his near neighbour Brendan Dollard was to collect on behalf of Borris in Ossory, and again I ended up in Derrin. I myself (John Phelan) was to be part of this great young team playing at No 7 and Christy O’Brien up front doing the scoring and being so supportive to all the panel of players. Also it was a great tribute that Borris in Ossory achieved what they did and Bob O’Keeffe would have been so proud that this Trophy named in his honour would make the journey to this small parish where he lived nearly all his life.

There were a lot of near misses and headache over the custody of me for a year and I was to become so proud on final day as time for battle was soon to start. There I was in my glory,

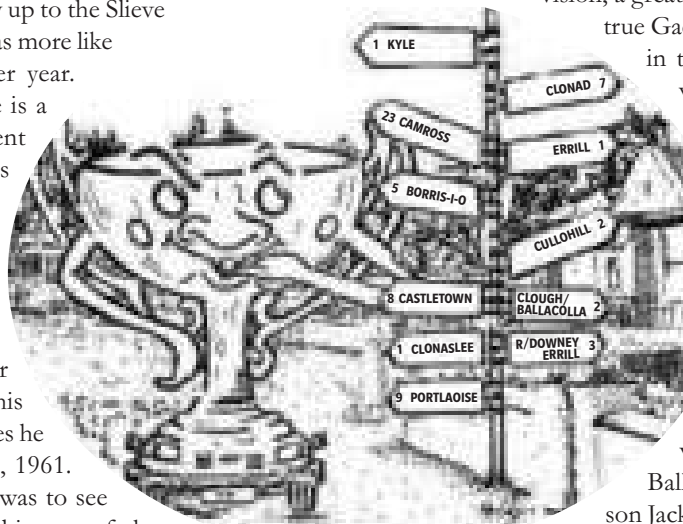

returned by my previous minder, polished and all shinning for all to see and me as proud as punch. Some were hoping to pick me up again and take me away in a hour or so and in some cases it did happen and in other cases never again was I to visit these parts, but still they all kept competing for me as if I was one of their own lost treasure. This is what makes me so unique that this same zeal and zest to capture me and take me home with them keeps everybody and me going year in and year out.

Over the years when I look back, and remembered all the places and parties I have attended and some great nights which started one day and did not finish until early into the following day. I was to become tired and also the way I travelled in boots of cars, players smelly bags or in some cases the back seat of cars which was lonely and in other cases clutched by some proud captain who held onto me throughout other journeys.

They made sure I never received a dint or scratch. If I was to go into details of all my experiences to date, it would surely be a best seller but sometimes these are best kept secrets and kept in ones memory. I had a ball and only get lonely when there is a lull of activity after partying has died down but I know I am made of the hard stuff and well put together and wish to stay this Millennium and make it to another new one.

### Our One and Only Title – 24<sup>th</sup> October 1915

I know I symbolize a great player, great Administrator, man of vision, a great worker for the GAA cause and a true Gael and by the presence of the Cup in the name of Bob O’Keeffe and what he stood lives on.

We ‘Laois People’, hunger for that great prize since 24<sup>th</sup> October 1915, All Ireland day when we socked it to the Bandage men by the Lee and they did not know what hit them that day. To my Kiltcotton team mates, the Carrolls Jim, Jack and Joe great men to have on your side with others, from the fame Ballygeehan club led by their great son Jack Finlay, his brother Tom, big Jack Walsh, and our ever cool net minder Paddy Ryan, and big John Phelan from Ballygeehan House, and his brother Joe a super hurler of his day and who was to play in 3 more All

Ireland finals with Dublin winning 2 more Celtic Crosses, a man apart, our subs from the Ballygeehan club, Jack Loughman from the Forge Ballacolla (later Beagdots) a man that could make and shape anything that was needed to fix an implement and on the hurling field he was no different but did not get a call for duty and neither did that other John Phelan (a lot of us around I guess) better known to all and sundry as ‘The Castleman’ and how much he loved to recite ‘The Ballygeehan Long Meadow Song’ another Ballygeehan clubman the sturdy Tim Costigan also on standby. Not forgetting the great Joe Dunphy from

**Bob O’Keeffe Cup Journeys since 1950 when First Presented for Laois SHC Final**

Rapla, Cullohill, who played a great game. We must not forget the Rathdowney greats with Jack Hiney putting three in the net past Cork (very few who have done this feat in an All Ireland final), and along with his fellow man from the town, the great Jackie Daly, alongside the super Paddy Champion. Paddy was to last into the second half when he got injured and in came my team mate from Kiltotton James Kelly – Sheridan from Ballyquaide ( house next to Mass Pit where Donal Bergin now lives) came in and did his bit for the cause and that youngster Jim Deegan from Rathdowney who was waiting for the nod but did not get the call, also we must not forget the great Ned McEvoy of Abbeyleix a giant of a man who caused havoc during the campaign to defences

I don't think I have left anybody out but these were an exceptionally great team of men and it was a pity we were never to experience this again or has all the generation of Laois men to this day in 2017.

Maybe The Cheddar Man (Seamus Plunkett – often marked him in my days with Borris in Ossory v Portlaoise (and you knew you were in a great tussle with) can mould them into winning ways as one of my teachers in St. Kieran's College was the great Fr. Tommy Maher (known as The Godfather of Hurling) he always said that hurling is a very simple game which needs to be played to a pattern and all players knowing each others play - then he would go to the blackboard and with x he would talk and show his stragities which was so simple.

A 100 years is a far too long to be waiting for to capture the holy grail – The Liam McCarthy Trophy.

### **Dream about Laois winning All Ireland**

Laois Senior hurling should not revolve around who will take me home in the Autumn of the year (County Final) but I should be the reason why playing and contesting for my honour should lead to a greater desire to lift the standards within the county and leave us Laois people being able to live with the Kilkenny's, Cork, Tipperary, Clare, Waterford, Limerick, Dublin, Offaly and not forgetting the team from the west, Galway. We have the tradition and the skill and it is only a matter of us

getting a good crop of players together who believe they can do the business and not only making up some of the fixtures and I believe they can and it will happen and maybe we need to start from the youths up

### **Thanks – in Retirement**

Thanks again – Laois folks for all the memories up to 2011, all around the county – up hills, roads, Mountains and byways, my mode of transport, parties, the craic and some great days and nights – I must say I loved it greatly and it is a pity that I had to be retired for the 2012 Senior Hurling final as I was looking forward to many more trips over this decade. I guess I have, stratches, bends and bumps and the County Board feared for my well-being and maybe it was best to step aside for Bob Óg to take over and experiece what I have over the last 61 years. The last person to receive me was John A. Dealney from Clough/Ballacolla (Joe's son whom I soldiered over many years with Borris in Ossory – himself a good one) and how well he minded me. It was ironic that a Ballygeehan man should take hold of me for the last time and we secured our one and only All Ireland it was another great Ballygeehan man who lifted the Cup that day a century ago the great John or Jack as we all called him Finlay. Now I will be on show within the confines of the Laois GAA Offices and will be only on view to the public on rare occasions and I will not be making many more Journeys. I must say that I am a work of art and I have heard so many say how beautiful a trophy it is.

### **New Bob O'Keefe Trophy – Bob Óg**

I guess that Bob Óg is not in the same class and stature of the original but the trophy looks as if it is for a lesser competition. I should have been copies in the same format as I am a work of art and most Gaels look on the Bob O'Keefe Trophy as per say. I guess we have to move on and hopefully I will not be confined to a cabinet. I believe that I should be on full view now that I have retired – like a Laois GAA Museum in the grounds of O'Moore Park where all the gaels can view me on match days - I do not want to be gone and forgotten.

Relationships which have all played with Camross - seven brothers, Martin, Jack, Tim, Lar, Ollie, Brendan, Michael from Killenure, three cousins – brothers P.J., Ger, Sean from Aughduff and also two more cousins from Ballinrally :- brothers Martin (Black), Ollie.

*L-r: Michael, Tim, Sean, Ollie, P.J., Martin, Ger.*

Maryborough took objection to the Leinster Council and it was reported as been upheld but note roll of honours has not been changed and final is not included in Portlaoise Roll of Honours – which would have them with 32 titles.

**Note 1920 Final:** Ref Jackie Hyland's history of The Heath GAA he pointed out that both Abbeyleix v Ballyroan reached the county final without playing a game on 31/10/20 which Abbeyleix won and were presented the medals. There was some discent and the County Committee re scheduled the playing of the championship which final was played as listed above and is taken as the official result - a rare record two finals played in one year with 2 different winners.

**Tribute to Michael ‘Maggie’ Walsh**  
**August 1952 – 27th March, 2017 (65 years)**  
*Accomplished Hurler, Great Sportsman- A Gentleman*

It was with deep shock and sadness when I learned of Maggie’s passing. My memory of him goes back to the time when we both were playing underage for our respected clubs Borris in Ossory/Ballinakill where often times he was my direct opponent. He later became a team-mate on the Avonmore Creameries Factory League teams and briefly with Laois.

1975/1977/1979. He also won 8 Factory League All-Ireland Titles and 10 Leinsters with Avonmore Creameries, also 2 IHC 1974/1995, MHC 1970, U/21A 1973 against Borris in Ossory played on 1st June 1974 and we resumed our battles score was Ballinakill 5-11 Borris in Ossory 2-11. He also won a MFC ‘A’ with Ballyroan in 1970.

With Laois he won Walsh Cup 1980, Senior ‘B’ All Irelands 1977, 1979, and runner up to The Centenary Open Cup Championship v Cork, 1984.

Maggie was a keen golfer and playing out of Abbeyleix he won the Captain’s Prize in 2016. Also was a noted squash player and ranked No 1 in the Midlands. In 1977 was voted Hurler of the Year in Laois. When the Millennium Laois Team was announced in 1999 he was on the half forward line with Harry Grey and Christy O’Brien.

Maggie was a very accomplished hurler with all the skills which set him apart. He was very supportive in providing me with his meticulously maintained scrap books and pictures on his career for my research during my visit to his house on 6th March, 2017. I had a great meeting with both Maggie & his Wife Dolores and were great hosts and enjoyed their hospitality greatly and we would have met many times during the Avonmore Creamies Hurling days – great times

I enjoyed a very personable and delightful afternoon in his company – a memory I will always treasure. I am glad our paths crossed and I feel very fortunate to have known him as both a team mate, opponent, and a friend.

In short Maggie was a true “sportsman” and friend.

Maggie had a long and distinguished career in hurling and only finished his playing days in 2003 winning a Junior ‘B’ final against Ballyfin with Eddie Dunne of the same era playing in goal for the opposition and also played a big part with Laois.

I offer my condolences to his wife Dolores, son Trevor, daughter Orla, sisters Margaret, Alice, grandchildren and his vast circle of friends

J.P.

Profile on Panels in detail

### Brief History Laois GAA

As we all know the Gaelic Athletic Association (GAA) was formed in 1884 with Hurling and Football games were now under the auspices and rules of the association. Previously games in hurling and football had taken place throughout the country and were stronger in some places more than others and this depended on the support of the Landlords at the time and each area had it's own rules with games lasting a very long time and some were very bloody. Much has been written on the subject in early days prior to 1884 and since and *Jackie Hyland has done a fine summary in the "Laois 125 year book."* and I am sure many more publications.

Although Laois was not represented at the establishment of the G.A.A. in 1884, it was not long until the county became deeply involved in the affairs of the infant Association. By the end of 1885 a number of clubs were in existence and playing under the formulated rules of the new association. In a few years the fever had spread up all over the county and new clubs were sprouting up. The O'Moore County were not represented at the Annual Congress. The young Association experienced it's share of teething troubles but most were smoothed out at a reconstruction Convention held in Thurles on January 4<sup>th</sup>, 1888. John Meagher was the Laois delegate at the Convention which was attended by delegates from nineteen counties. The All Ireland Championships in Hurling & Football were started up in 1887 with Tipperary (Thurles) emerging as hurling champions beating Galway (Meelick) by 1-1 to no score. Limerick was to take the football title from Dublin (Clonskeagh) by 1-4 to 0-3. In 1888 some earlier rounds were played with Leix taken part but were beaten and the championships were later scrapped owing to the American 'Invasion' by Irish athletes which included P.Ryan from Rathdowney and John McEvoy from Knockaroo.

The first Annual Convention of the Laois G.A.A. was held in 1888 in Abbeyleix. John McMahan was elected caretaker Chairman at the meeting. At a later meeting in Portlaoise Mr P.A.Meehan was installed as the first chairman of Laois GAA (County Board). Secretary was

Denis O'Rourke of Durrow and S.J. Muldowney of Ballinakill elected as Treasurer.

*(See Presidents- County Boards Chapter for summary of all Officials over time).*

Senior Hurling & Football local championships in Laois started in 1888 and in this publication I have details of all county finals with teams involved in all finals with their Christian names etc except for the few which were not to be had.

Leix (Laois) were represented in the All Ireland Football championship by Maryborough (Portlaoise) in 1889 and reached the All Ireland final and played Tipperary (Bohercrowe) and were defeated by 3-6 to 0-0 a week after playing the Leinster semi-final and final all on the one day. The effects of both games were to have a bearing on their result in the final. The next All Ireland senior football final which Laois played in was in 1936 and these are the only two finals to date which they have contested.

Laois hurlers have only went one better as they contested three All Ireland finals, 1914 defeated by Clare 5-1 to 1-0 but in following year 1915 (2015 Centenary of accomplishment) they went all the way and captured their one and only All Ireland final defeating Cork by 6-2 to 4-1. Their next final appearance was in 1949 and came up against a strong Tipperary side and lost by a big score 3-11 to 0-3.

In this publication included is a chapter "Laois Championship Records all Grades Hurling & Football in Leinster & All Ireland Championships – 1888-2016" listing all the games played by Laois in their various grades in both hurling and football showing in detail.

In this Chapter I have set out summary of all Provincial finals, with listing of Laois teams and their opponents which played in them and also listing teams which played in All Ireland semi finals and finals in hurling & football.

*Letters of Fr John J Kearney President Leix GAA to players prior All Ireland Final 1915*

Maryborough October 11<sup>th</sup>, 1915

Dear Sir.

*I hope that each member of the team will remember my words to them on Sunday last, and on the previous Sunday, over various important points in connection with their training.*

*I desire to impress on all the importance of practising:-Catching, Striking quickly after catching, and Ground play.*

*There will be no time for fancy play or raising the ball in the All-Ireland Final. Men should practice striking ground balls when running at top speed. Centre men should practice to 'let with' the ball on all occasions.*

*Sprints should be taken every day, the team possessing the greater SPEED AND DASH will certainly be the All-Ireland Champions this year.*

*I appeal to every member of the team to put his best efforts into his training, remembering the success of the team as a whole depends on the form of each individual player.*

*Wishing you every success and relying on you to do your utmost for the honour of Leix.*

*I have the honour and pleasure to remain.*

Your President  
John J. Kearney.

**Re Match Game Cork v Laois Easter Monday 6<sup>th</sup> April 2015 in Ballacolla**

The Centenary Committee & Laois GAA organised a re match on the 6<sup>th</sup> April, 2015 (Easter Monday) of Laois v Cork in a senior hurling challenge game with a programme.

There was a good crowd but both managers were using this as a practice match more so Cork as they only lined out with one regular player and five other fringe players. Laois were only missing Matthew Whelan & Charlie Dwyer. Ballacolla pitch was in excellent order, weather was excellent and the whole event was well stewarded with great parking but hurling was close but not with any fervour and Cork never looked in trouble.

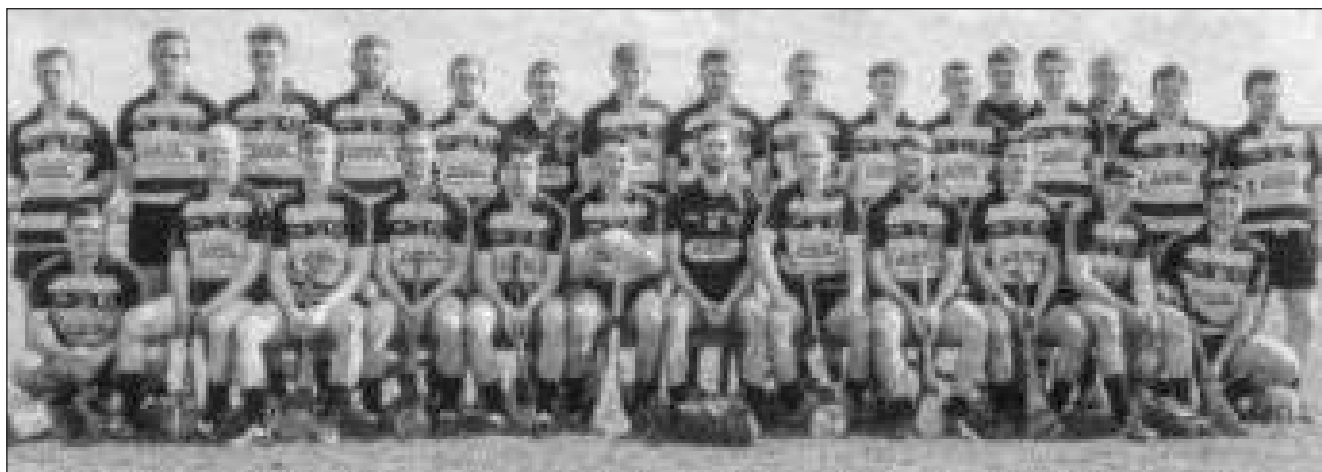

Laois wore the Black & Amber (like The Heath Jerseys used in 1915) specially commissioned for the event but Cork lined out in their current strip and not in a yellow strip with a big 'C' on front of jerseys as they had in 1915. I was always of the opinion that a game should be held with old style Hurleys in late October and Centenary publication coming out at the same time. For the record Cork came out winners by four points 1-25 to 0-24.

**Teams which lined out: Laois Team:** Eoin Reilly (Abbeyleix), John A. Delaney (Clough/Ballacolla), Cahir Healy (Portlaoise), Conor Dunne (The Harps), Tom Delaney (Clough/Ballacolla), James Walsh (Ballinakill), Joe Fitzpatrick (Rathdowney/Errill), Patrick Whelan (Borris/Kilcotton), Paddy Purcell (Rathdowney/Errill), Willie Hyland (Clough/Ballacolla), Zane Keenan (Camross), Joe Campion (Borris/Kilcotton), P.J.Scully (Borris/Kilcotton), Tommy Fitzgerald (Portlaoise), Ross King (Rathdowney /Errill) **Subs used: Brian Stapleton**, Ben Conroy (Slieve Bllom), Dwane Palmer (Camross), Brendan Reddin (Castletown), Dayne Peacock (Abbeyleix) Oisín Carroll (Abbeyleix), Colm Stapleton (Borris/Kilcotton), Jim Fitzpatrick (Borris/Kilcotton), Jimmy Corrigan (Rathdowney/Errill) **Rest Panel not Used:** Neil Foyle (Borris/Kilcotton), John Purcell (Rathdowney/Errill), Stephen Maher (Clough/Ballacolla), Ciaran McEvoy (Portlaoise), Ryan Mullanne (Castletown).

**Cork Team:** Patrick Collins (Ballinhassig), Conor O'Sullivan (Sarsfields), Damien Cahalane (St. Finbarr's), Stephen McDonnell (Glen Rovers), Brian O'Sullivan (Fermoy), Aiden Ryan (Middleton), Killian Burke (Middleton), Brian Lawton (Castlemartyr), Andy Walsh (Killeagh), John Cronin (Lisgoold), Bill Cooper (Youghal), Jamie Coughlan (Newtownshandrum), Darren McCarthy (Ballymartle), Paudie O'Sullivan (Cloyne), Stephen Moylan (Douglas) **Subs Used:** William Kearney (Sarsfields), Darren Browne (Kanturk), Darren Casey (Charleville), Luke Meade (Newcestown), Dayne Lee (Na Piaragh), Rob O'Shea (Carrigaline) **Sub not used:** Anthony Nash (Kanturk), Cormac Murphy (Mallow), Luke O'Farrell (Middleton).

**Centenary Commerations & Publication**

I know that in late November, 2014, Laois GAA put together a "Centenary Committee" to do a programme of events with the theme being the marking the Centenary of Leix great win of 1915 & 1914 campaigns in Senior & Junior Hurling finals. By the time this publication comes out the Centenary publication by the committee will have been published on 23<sup>rd</sup> October, 2015. I have written in detail of all activities about Laois GAA games and this includes a comprehensive summary of all games played in 1914 and 1915. I believe that 1914 activities and works including the success of the Junior hurling campaign was the foundation to the great achievements of 1915.

**All Ireland Senior Hurling Titles (1) 1915**

Profile Players Leix Team in 1915 All Ireland Senior Hurling final and including what was printed in ‘Sport’ Paper Saturday 23<sup>rd</sup> October, 1915 prior to final.

**1. Paddy Ryan (Ballygeehan) (26) Born 1889**

**Died : 15<sup>th</sup> November, 1973 aged 84 yrs old: Buried in Aghaboe**

*All Ireland Profile in Weekly Paper “Sport” : Played in last year’s Junior All-Ireland Final, and in all this year’s Senior contests. He is cool and collected and very reliable. He has proved himself to be a first-class man in goal, making marvellous saves on many occasions. It was the ambition of the Ballygeehan club to have him as their custodian, as they knew he possessed the ability which he has since shown in all the matches. He is 24 years of age, 5ft 10in in height and weights about 12 st 7 lb.*

He was born in Ballycuddy, Ballygeehan into a small holding, went to school in Ballycuddy, Aghaboe and worked around Ballygeehan up to the early 1920’s when he moved to Derrycarrew, Camross, met and married Nora Cuddy from Ballyinrally in 1940. They had seven children, Lil Whelan lives in Portlaoise, Martin farms at Ballycuddy, Ballygeehan, Nora (married Michael Hyland, Aghaboe), Shelia (living in Derrycarrew), Patsy (Living in Derrycarrew with Shelia), Danny lives in Blarney Co. Cork, and Mary died in 2012. Paddy hurled with Ballygeehan until he moved to Camross and hurled with the local club winning a Junior hurling medal in 1928. Paddy younger brother John emigrated to New York in 1928.

I spoke with Patsy & Shelia on Saturday 24/1/2015 and Patsy is recently retired from Laois County Council as was his father Paddy who also worked with Laois County Council.

He now works as sacristan in Camross Church and works closely with parish priest Rev Fr Johnny Lawlor. When I met him I had just a short time with him as he was getting a lift back to the church to get everything ready for the evening Mass.

Paddy died on 15<sup>th</sup> November 1973 age 84 yrs and is buried in Aghaboe. His medal is now held by his son Martin in Ballygeehan and is much treasured.

Patsy said it was a pity that they were not feted while most of them were alive like the 50 year anniversary but I was to say that their names are down in folklore and will always be part of the first team to win the All Ireland Senior hurling championship for Laois. Note he was also one of the few players to play in two All Ireland finals in the the one year, playing in the Junior All Ireland of 1914 which was not played until 25<sup>th</sup> April, 1915.

**2. Jack Walsh (Ballygeehan) (23) Born 1892: Died: November 1974 – Buried in Ballyouskill**

*All Ireland Profile in Weekly Paper “Sport” plays wing back. He also qualified for the Junior inter-county Championships by being on the Ballygeehan Junior team.*

*He is a player of great strength, being 5ft, 11in. in height, 14st. 7lb in weight, and only 23 years of age. He played in all inter-county matches this year. He was a great stumbling block to Dublin in the Leinster final. He plays a fast game, and was in great form against Kilkenny, when his strokes were properly directed.*

First came to prominence with Leix Junior in their All Ireland championship campaign and was one of their stalwarts which succeeded in getting to the All Ireland final v Clare played on 25<sup>th</sup> April in Croke Park, losing by 6-5 to 1-1. Many of his team mates from Ballygeehan formed the back bone of this Junior

team. He did not feature of the seniors of 1914 but was to in 1915. He played in all games of 1915 championship. He continued to play with Leix playing prominent parts in 1917, 1918, and 1921. Jack farmed near the Four Roads in Springfield and was a good farmer.

As of 1911 census following family members were listed: Father Daniel (57), Mother Margaret (57) teacher and taught in local national school in Ballycuddy in Aghaboe, older brother Daniel (28), Sister Bridget (26), Sister Margaret (21) Thomas (17) youngest.

John or Jack as he was always known was born in in Springfield in 1892, Farren, Ballygeehan. Jack was married to Nora Campion from Crosspatrick. They moved to Ballyouskill to farm where they had five children, Noel, Jack, Rita, Noreen and Bride. When Jack moved to Ballyouskill he was instrumental in the growth of hurling in the area. His son, Noel, moved back to farm in Springfield where his grandson, John, now farms. Jack's brother Daniel, died in 1920 and it is believed that Jack's medals went missing during the wake. Jack died in 1973 and is buried in Ballyouskill.

Jack in Rathfarnham, Dublin, Mrs Sean Murphy, Tallaght, Dublin, Mrs Seamus Ring, Donaghmore, Ballyragget, Co. Kilkenny, and Mrs Denis Mullins, Templeogue, Dublin. As of 1973 when an interview was conducted by Leinster Express published in edition 16<sup>th</sup> December, 1973, Jack & Nora had eleven grandchildren in this interview which was conducted along with team mate Paddy Ryan their goal-keeper and former neighbour had said it was over 20 years since they had met. Also he said that he had not met Jack Carroll another team mate from Kilcotton since the funeral of captain of 1915 team Jack Finlay on 30<sup>th</sup> September, 1942. I find this so hard that the team had not met periodically over time and maybe the GAA should take note of this and I am sure a lot of the 1915 team were never to meet after they finished playing with Laois. Jack passed away in November, 1974 aged 82 years and is buried in Ballyouskill.

**3. Joe Dunphy (Rapla) (27 yrs) Born 1888 - Died in 1970 age 82 yrs and is buried in Glasnevin**

*All Ireland Profile in Weekly Paper "Sport": played with the Juniors in all their matches to the All Ireland final last year, and has played senior with wonderful ability since.*

*His play against Kilkenny proved him one of the most promising on the team.*

Born in 1888 to Thomas and Anastasia (Kenny) at Gaelsquarters, Cullahill. Joe was one of six children in a farming family.

His brother Edmund studied for the priesthood but died in Trinidad before he was ordained. Another brother, Stephen, bought a public house in Dun Laoighaire and it is now run by his son Tom and still proudly bears the Dunphy name. Joe married his namesake, Mary Dunphy, of Oldtown, and they moved to Dublin where he worked with Dublin Corporation. They had nine children, Mary, Ned, Anastasia, Brian, Joe, Kitty, Stephen, Tom and Judy. Only Stephen and Judy survive.

He played his club hurling with Rapla, a townland situated between Cullahill and Rathdowney. The Rapla club was one of the earliest clubs to be founded in the County as it was directly affiliated to the Central Executive Committee in 1886 and

represented at the Convention in Thurles that year. Joe Dunphy never won a county senior county medal.

On his move to Dublin Joe continued his hurling career with the Grocers club. The great sporting tradition continued in his family. His sons Ned, Tom and Brian all hurled with Eoin Ruadh, in Dublin while Tom and Brian also played football with Kickhams.

Ned played at corner back with Dublin in their Leinster final win over Laois in 1948. Joe Jnr returned to live in Laois and helped Cullahill win two Intermediate finals with Cullohill in 1946 v Castletown and in 1954 v Slieve Bloom and also played in Senior county final of 1955 v Kyle winners and in 1956 v Borris in Ossory which they lost. Joe also played in the two minor hurling finals in 1941 v Clonin (Slieve Bloom) and lost on the field of play by 1-5 to 5-4. Cullohill objected to Clonin not providing official list of players and objection was upheld by the County Board and final was awarded to Cullohill. In 1942 Cullohill reached the minor final again but were beaten by Rovers of Portlaoise. Stephen Brophy, Judy's husband also played on these winning teams. Joe died in 1970 and is buried in Glasnevin.

The Ballad said of Joe

*"Joe Dunphy stood in his honour place, as active as a deer, He saved his lines a thousand times and ob to see him clear."*

**4. Joe Carroll (Kilcotton) (27) Born January 1888, Died in USA: No Details of his death**

*All Ireland Profile in Weekly Paper "Sport": played in all of this year's inter-county matches as a full back, with a sure stroke, with great speed, and has justified his selection in all the matches he has played. He is brother to James, another great hurler of Kilcotton.* Born in Kydellig Cross to Timothy (60).

A Herdsman at the Hamilton-Stubber estate, & Margaret (54) and one of ten children: as per 1911 census – his siblings were brothers: James or Jim (25) Tim (23) (stayed around and married Nelle "Ellen" Harrington, in 1925 and had 3 daughters, Shelia who married Jim Breslin and lived at St Canices Terrace, Borris in Ossory and died on 20<sup>th</sup> September, 2009, Mrs Eileen Delaney in Mountrath – died in 2010 and also Margaret who went to UK and married Gerry Cashin) Mary (14). The house where this family lived at Kildellig lived does not exist today. Joe was listed as a labourer on the 1911 census and would have earned his living working locally where ever he could find work.

1901 Census shows a big family of 8 siblings and Mary is missing from 1911 census which she should have been on if her age of 14 is correct. Mary never married and was to live with her sister Kate when she married into Cashins of Sentry Hill.

Summary of rest family as per 1901 census: John Born 11/10/1879 (21) Farm Labourer, Daniel Born 13/1/1882 (19) Postman, all the rest are Scholars - Patrick Born December 1883 (17) went to West Cork in July 1907 aged 24, and married a Margaret O'Sullivan from Clonakility a Dressmaker in February, 1910, became the Postman in Ballineen, West Cork.

Pat was never to return to Laois during his life time and he died 22nd August, 1974, and received full Military honours at his funeral as he was part of the old IRA in West Cork during the War of Independence under General Tom Barry. He had five in family namely: - Margaret, Bridget, Timothy, John, Patrick.

**Leix Team in New York c 1927:**

**Back row L/R:** Joe Delaney, Jack Brandon, Mick Moore (all Kilkenny), Jack Cashin (Durrow), Jim Grey (Rathdowney), Paddy Delaney (Kilcotton), Tom Delaney (Kilcotton), Mick Tobin (Ballygeehan), George Breen (Clonad), Jack Tobin (Ballygeehan), Jim Fitzpatrick (Kilcotton), Joe Palmer (Leix).

**Front l/r:** Billy Conroy (Clonad), Jack Costigan (Portlaoise), Tom Delaney (Rathdowney) Paddy Fitzgibbons (Clonad), Jim Deegan (Rathdowney), Jack Gannon (Rathdowney) Paddy Delaney (Clonad), Joe Phelan (Portlaoise), Joe Carroll (Kilcotton).

*\* Note Jim Deegan & Joe Carroll were members of Leix 1915 All Ireland Team P193 Shadow Goalpost*

Ann B1885, Jim (14) Kate (11) later married a Cashin of Sentry Hill, Maggie (9) or Margaret who married a Patrick Dunne of Knockaroo, Tim (8) known as “ Young Tim”, Joseph (7).

We know Joe emigrated to New York USA in the mid 1920's and settled in New Jersey. In the recent history published (great piece of work) of New York GAA published last year and nothing has showed up in it about Joe. I tried with some of my contacts in New York and came up with nothing only that there were so many Joseph Carroll's from Ireland over this period coming to the U.S. Very little is known and someday it will take a penny to drop with some of his descendants to make the connections etc but now this is such a pity that little is known about Joe or his brother Jim who is supposed to have went to the UK. This to me is why history is so important and be able to tell ones story fully in detail and it is the pity that I or Teddy Fennely and some of the Carroll extended family or other great historians failed in our endeavours to get final details on Joe and Jim Carroll.

Joe can be seen in picture of New York hurling team of 1927 along with Jim Deegan (Rathdowney), Paddy & Jack Delaney (Skierke – Kilcotton) Mick Tobin (Ballygeehan), George Beere (Clonad) Jim Fitzpatrick (Kilcotton) and many more from around the county of Laois.

From the records we have Joe playing big parts with Kilcotton club and came to the attention of Leix selectors in 1914 and played big parts in all their games making it to the All Ireland final but were beaten by Clare. He was to play another big part of the very successful 1915 senior team which was to bring their one and only title to the O'Moore County.

Joe continued to play with Leix up to 1921 and was a member of Kilcotton teams during his period and he was to win 9 finals - 1904, 1905, 1906, 1909, 1913, 1919, 1920, 1923, 1924, 1929 like Jack & Jim Carroll. He was part of the defeated final teams of 1910, 1912, 1914, 1917, 1921 see picture hereunder.

**5. Tom Finlay (Ballygeehan) (21) Born: 23<sup>rd</sup> December, 1894 - Died: September 1967 age 73 years: Buried in Lucan**

*All Ireland Profile in Weekly Paper “Sport”: brother of the captain Tom, and is the youngest player on the team. He played his first inter-county against Wexford his year, and has developed wonderfully since. He learned his hurling in St. Kieran's College, Kilkenny with Joseph Phelan and in last year's final he was playing on R.Grace of Kilkenny and held his own with that champion. He is great at ground-work, and his strokes in ground play are very powerful.*

*He is one of the best players in Leinster, and he with Goulding, were the only hope for Leix in last year's final. He is awfully fast, and should make a great sprinter. He is but 20 years of age but he stand 6ft high, and pulls the scale at 13st. He takes all the frees, and is accurate and powerful in his stroke at them. He played in all matches last year and this year.*

Tom was born on 23<sup>rd</sup> December, 1894 and was to attend St. Kieran's College along with his team mate Joe Phelan, Ballygeehan House in 1911 and both learned the crisp style and class of Kilkenny hurling. His style and class set him apart from a lot of players at the time and he was a great person to read the game, a great team man, and was always there when the chips were down. He was brother of John or Jack who was the captain of Leix team. First came to prominence with Leix in their 1914 Senior All Ireland campaign making it all the way to the final against Clare.

He was not part of the Leix Junior Team as his brother John or Jack was but he was called into the seniors of 1914, which surely must have been a big oversight such was the player.

Looking through that great publication of Enda McEvoy's of Kilkenny “ Fennessy's Field “ about St Kieran's College hurling history on page 9 about games in 1911, (which were home and away games against Knockbeg College because at this stage the

Leinster final Colleges competition was not set up until 1920's.) note Tom Finlay and Joe Phelan, Ballygeehan House were both in St.Kieran's College together and are mentioned in the same frame as Dan Grace and Dinny Brennan, Jim 'Builder'Walsh, Mooncoin of Kilkenny fame, So this says a lot about these two stalwarts how well they were looked upon within the college.

Both brothers linked together in 1915 on the senior team this time John selected as their captain and winning their one and only title. Tom continued to play with Leix up until in 1921, when a disappointing ruling came out from Congress that any player could not declare for their county until the non-resident motion was passed at Congress and could not come into force until it was printed and circulated and in the hands of the County Secretaries a month from Congress. By this Leix were not able to avail of the services of Tom Finlay and others as well. Note in the Leinster Championship of 1921, Leix were only beaten by a point by Kilkenny 1-3 to 1-2 in Tullamore on April, 19<sup>th</sup>. This was such a pity for one of Leix greats to be deprived of his services. Tom had joined the Army and lived away from Leix and so this ruling was to affect him. Tom was later to throw in his allegiance with Dublin and played in Leinster Senior Hurling final of 1924 winning a Leinster medal in the defeat of Offaly on a scoreline of 4-4 to 3-1 played in Croke Park on 26<sup>th</sup> October, and in December another All Ireland medal against Galway. One of his team mates on the Dublin winning All Ireland team was another Laoisman Din O'Neill. He continued to play club hurling in Dublin with the Kickhams GAA club, winning a County final with them in 1924. We do not have Tom being involved with Dublin in any other of their successes in the 1920's as at this time the Army had started recruiting good horse men for their new venture of Show Jumping.

Tom was one of the few who were chosen and his Army jumping career was to take off in a big way over the next number of years. Looking through the Laois team of the Millennium, Tom was the only players to be chosen from the whole team of 1915 listed at corner back and surely this must say more about the selection of the team than it does about other members of the successful 1915 team as a least two more should have made the team.

## 1924 - All Ireland final Dublin 5-3 to Galway, 2-6 Played: 14<sup>th</sup> December, 1924

**Dublin Team:** Tommy Daly, Joe Bannon, Bill Small, Tommy Kelly, Mick Gill, Jim Walsh, Bob Mockler, Pat Aylward,, Bob Doherty, Mick Holland, **Din O'Neill (Laois)** Garrett Howard. Tom Barry, Bill Banim, **Tom Finlay (Laois)**, **Subs:** Frank Wall (non playing Capt), John Conroy, Mick Darcy, M.Murphy, John Stapleton, P.Curran, John Ryan.

*\*Note his team mate Din O'Neill was another great Leix Hurler playing with Dublin.*

'Staff' Garvey (Cappataggle) J. Keogh (Kilcuncerion).

Dublin made it to the 1925 Leinster final but were beaten by Kilkenny and Tom did not feature on the team or subsequent teams of 1927, 1928 winning, 1929 beaten, and in 1930,

ironically Dublin were to defeat Laois in Leinster final on a score of Dublin 4-7 to Laois, 2-2.

He was part of the great Ballygeehan team which won senior county finals of 1915 – 1918, winning the first 5 in row senior titles. Ballygeehan were beaten in 1919 county final by Kilkotton by 4-1 to 0-1. The next time Ballygeehan showed in a senior final was in 1930 when Clonad beat them.

Tom was born in Ballycuddy, Ballygeehan in 1895 to Martin Finlay, mother Margaret Phelan, from Farren (sister to William Phelan my grandfather, her own father's name was Robert Phelan) siblings - in Family: John born 1889, sisters Mary Ellen born, 1886, Lizzie born 1891, Margaret born 1893.

John's father, Martin and Mother Margaret died within a year of one another when the children were young - Martin died on 18<sup>th</sup> February, 1901 age only 58 years and Mother Margaret died on 10<sup>th</sup> June, 1900, age only 44 years.

Tom was aged only 6 years of age. Robert Phelan of Farren became their guardian and along with his son William (my grandfather helped the Finlay family out at these times) and all were to get on with their lives and were so successful in all their endeavours.

Prior to Tom joining the Army he had previous service in the Irish Volunteers/Old IRA prior to the formation of the National Army and was active around the Laois area and was an actioning commander.. He is listed as joining the National Army in February, 1922 and remained until he retired on 1<sup>st</sup> October, 1946 with the rank of Acting Commandant on age grounds (52) years old. The new government in around 1926 were anxious that Ireland should take her place in The Nations Cup Show jumping especially as Ireland was so well known for all the great show jumpers it produced. Equitation School was founded in 1926 after contact between Judge Wylie (Royal Dublin Society), Colonel Hogan (Quartermaster General) and President William T. Cosgrave. Its purpose was to promote Ireland, the Irish Horse, its Show Jumpers and, by extension, the Irish Defence Forces. Having endured a good start to its competitive exploits, followed by a chastening experience in 1927, the introduction of Colonel Rodzianko to refine training methods, helped the showjumping team (which included riders such as Major Ged O'Dwyer, Colonel Frederick Aherne, Lieutenant Colonel Daniel Corry and Captain Cyril Harty) to win 20 Nations Cups between 1931 and 1939.

Capt Ged O'Dwyer a Limerickman and a great horseman was given the task of purchasing good jumping horses and select the best men in the forces to be a part of this elite section "The Army Horse- Show Jumping team". Tom Finlay was duly selected and was a prominent member of this team and competed all over Ireland including The Ossory Show in Rathdowney and on the continent with much success in the 1930's.

Between 1930 to 1938 Tom competed at following local shows overs the years in Cavan, Ossory in Rathdowney, Sligo, Longford, Claremorris, Ennis, Limerick, Wexford, Enniscorthy, Straffan, Mullingar, Mount Bellew, Gorey, Kilmallock, Moate, Ballinasloe, Carrick on Shannon.

All details can be seen at Army Archives in Cathal Brugha Barracks, Rathmines. Tom married Kathleen Hogan and they had two children, Sean and Myra. Myra never married and continues to live in Dublin.

Sean married and had two girls, Kate and Joan. He played minor hurling for Dublin and following in his father's footsteps he went into the horse training business.

On the 7th September 1967, after returning from judging a horse show in Abbeyleix where he had called to the home of his great friend and old team-mate from the Golden Age of Laois hurling, Ned McEvoy, he was killed crossing the road in front of his own house in Chapelizod. He is buried in Esker cemetery in Lucan.

To quote The Ballad which said of Tom

*"The Finlays too none could subdue,  
How did the stand the strain,  
When the Redmond's swept along the sward,  
Just like a hurricane"*

## 6. Robert 'Bob' O'Keeffe (Kilcotton) (34) Born in 1881 Died 17<sup>th</sup> July, 1949 (68) yrs : Buried in Knockaroo

All Ireland Profile in Weekly Paper "Sport":  
*is an old acquaintance and a good one.*

*He spent a few years in Dunboyne, Co. Meath, and he gave them such lessons in the art of wielding the caman that they have been winning the Championship of Meath almost every year since. He graduated in far-famed Moondarrig. He plays in the back division, and his long strokes are always very useful. We are glad to see him fit, and selected on his county team.*

He was born into a small tillage farm in Glengrant, Mooncoin Co. Kilkenny to Peter and Honor (Nolan), in 1881. In 1899 at the age of 18, he entered De La Salle, Waterford to train for a teaching career. Football was the dominant sport in the College and he was to be on the winning teams of 1901 and 1902. In 1902 he got a post as an assistant teacher to the late Patrick Murtagh in Dunboyne, Co Meath.

Hurling was unknown in the area at that time but before he left to take up a position as Principal of Borris in Ossory, Co Laois, in 1904, the game had become very popular in the district and

the club he organised in Dunboyne boasted of a formidable hurling team.

There was a chance meeting with the great Jack Carroll of Knockaroo which led Bob coming to Borris in Ossory to take up position of Principal in the local boys school.

The story was told to me by Jack Carroll's daughter Mai in my research for my GAA book ; In the Shadow of the Goalpost published in 2004.

Jack was in Dublin for a match and was in Barry's Hotel before the game and met up with people from Dunboyne, Co. Meath and during the meeting Bob O'Keeffe was introduced to him. Bob said to Jack " I hear you are from Borris in Ossory" to which Jack replied " No I am from Knockaroo another part of the parish. Bob asked Jack " Do you know Rev Fr Dillon the P.P" to which Jack Replied "that he did very well and was a good friend." Bob asked Jack to put in a good word for him re position of Principal in Borris and Jack was quick to reply to Bob, with a favour in return if he got the post that he would throw in his lot and play with Kilcotton team and they parted.

It came to pass and Bob O'Keeffe arrived in Borris in Ossory to take up his post of Principal in October, 1904 and true to request made by Jack Carroll, Bob was to play a big part in Kilcotton and Laois successes.

When he came to Borris in Ossory to take up his post he threw his hurling loyalties with Kilcotton club who were a formidable side at the time. By 1929 they had amassed 10 senior titles and Bob was to become a pivotal part of the Leix team as well.

He was also an accomplished athlete winning many titles at local sports and also an All Ireland champion at the puck Fada – cycle races. the rise & strike competition – sometimes getting over 100 yards with 9 oz ball.

Later in life he was recognised as a sound administrator and a true guide within the Laois County Board, held position of Treasurer Laois County Board from 1920 until his death in 1949, the Leinster council Chairperson from 1924 – 1935, and was to achieve the ultimate prize when he became the 12<sup>th</sup> President of the GAA from 1935 – 1938. The Leinster Senior Hurling championship Trophy is named after him as also is the Laois senior hurling championship Trophy since 1950. The Laois senior hurling championship trophy was first presented for in 1950 to Clonad winners of the senior hurling championship and then right up to 2011. A new Trophy (O'Keeffe Óg which I am calling) was presented in 2012 to Shane Dollard captain of Rathdowney/Errill winners of championship that year.

His other interests included taking an active interest in The Borris in Ossory/Rushall Coursing club and acted as secretary for many years. He also was the secretary of the local Parochial Hall Committee. He was part of the driving force in getting Borris in Ossory GAA club re-organised in 1937. He was also instrumental in establishing the subsidiary County Boards in 1943, Hurling & Football with he himself accepting the position of first chairman Laois Hurling Board to get it off the ground.

In early years he was a very prominent Referee conducting over many years in Laois and at many inter county games. He also has the distinction of refereeing the Leinster senior hurling final between Kilkenny v Dublin in 1923.

It was ironic that on the day Laois Senior hurlers beat Kilkenny in Nowlan Park, in Leinster final winning by 3-8 to 3-6 on 17<sup>th</sup>

July, 1949 Bob was to pass away. His death was to take a gloss away from the victory. He is buried in Knockaroo.

**He was married three times and had 3 different families** – First marriage to Kathleen - they had a Son Paddy who died very young on 19<sup>th</sup> April, 1932, and one daughter Nora who died very young at age of 15 from meningitis in Portlaoise Hospital on 26<sup>th</sup> April, 1927. His wife Kathleen died on 19<sup>th</sup> September, 1919.

**Second family Bob married Mary B. Kennedy** from Shanballynahagh, Curragueen, and they had three in family - Son P.J. and two daughters Maureen and Margie. She died 11<sup>th</sup> March 1954.

**Third Marriage to Bridget Kennedy** sister to his second wife – they had three in family – two daughters, Noreen, Ita and one son Brendan who died in May 2003 (great hurler with Borris in Ossory in late 1950's & early 1960's before emigrating to New York, USA).

When Bob retired from teaching in the 1940's he was to purchase a small holding and farm down the Rock Road, Borris in Ossory and farmed it very well for a number of years. He had some people working with him on the farm. He was noted during his teaching days in Borris in Ossory School of having one of the best kept school gardens with so much a variety of vegetables in it and all was done with the pupils under his supervision. Many past pupils like Christy O'Brien, Murty O'Donnell, Jimmy Condron and Sean Murphy were to relate this to me on a few occasions. They said it gave them such a valuable knowledge of gardening which stood to everybody's benefit.

## 7. Jackie Daly (Rathdowney) (25) Born 1890: Died: 11<sup>th</sup> May, 1949 age 59 years. Buried old Cemetery in Rathdowney

*All Ireland Profile in Weekly Paper "Sport": is a member of a family well known in Leix hurling. He is what some people call hard – that is, no loose muscles, and is one of the most fearless hurlers in the country. He is sure and quick and his long, accurate shots are always effective. He plays half-back, and held his own with David Kelleber in the Leinster final.*

*To hold his own with David Kelleber is a days work in itself for the Davia crack knows all about hurling, and plays it, but John Daly was up up to him every time in the Leinster final. He is a club mate of Hiney's and Jim Deegan.*

The very mention of the name Daly in Rathdowney and indeed the surrounding parishes conjures up an image of Gaelic Games, one name is synonymous with the other, and that is the way it has been for generations in the area.

One of that famous Clan, Jackie, was a hugely influential figure at both Club and County level, devoting his long and active life to the Gaelic Athletic Association and the games he loved so well. He was born in 1890, one of 5 children to Patrick Daly and Catherine Manus.

He followed his Father's footsteps by taking up employment in Perry's Brewery and, during the course of his work, he made the acquaintance of a Brigid Kilcare.

They were married in 1910; both aged 20, and had 12 children. His older brother, Paddy, was also an exceptionally talented hurler, winning 4 Senior County Championships prior to his departure to the United States, in 1914.

Paddy also had a very active Inter County career and was a member of the Leix team that won the "Croke Cup" in 1908, our first National Title. No doubt, had he not taken the emigrant trail he would have joined his younger brother on the 1914 and 1915 teams.

Their Father, Patrick, without being especially good at hurling had taught his children how it should be played. Young Jackie took to the game like the proverbial duck to water and as a child would spend hours practicing the skills of the game.

While he will undoubtedly be best remembered for his contribution, towards winning Laois's only Senior All Ireland Title in 1915, those real hurling enthusiasts know that Jackie Daly was the powerhouse of the Laois Hurling Team for over two decades, captaining the team to many successes. At Half back he was regarded as tough, uncompromising and committed. Prior to the 1915 All Ireland pen pictures of both the Cork and Laois team's appeared in a paper called 'Sport'. Daly was described as "sure, quick, long accurate and always effective". It's no coincidence that both Rathdowney's and Laois's most successful period went hand in hand with Jackie's adult career. Between 1911 and when he finally hung up his boot's following the 1940 Junior Final against Mountrath he contested a total of 16 Senior Hurling Finals, winning 8, picking up winners medals in three different decades. Another prestigious Tournament, which vied almost with the Senior Hurling Championship in prominence, was the 'Feis Laoighise Shield'. Rathdowney, led by Daly, won the inaugural competition in 1930 defeating Durrrow in the Final. They, subsequently, went on to win the trophy outright with successes in 1934/35 and 36. He took over the captaincy from another Rathdowney legend, Pete Daly, in 1914 and held that position until 1934, a period of 20 years. On his retirement from the captaincy, Jackie, was the recipient of a valuable gold medal, from the Club, suitably inscribed. Mr Ker Kelly, President of the Club, in making the presentation, paid a glowing and well deserved tribute to Daly's achievements as a Gael, both on and off the playing pitch and said such achievements should be an inspiration to the younger members of the Club to uphold the position attained by the Rathdowney Senior Hurling team under Jack Daly's leadership.

Following what was one of his last games, the Junior Final of 1940, the Nationalist and Leinster Times Reporter "Sean Nos" wrote as follows "*A special word of praise is due to Jackie Daly who played a great game for Rathdowney. It has often been asked how Jackie discovered perpetual youth but he refuses to divulge the secret. At any rate his performance was as good as more youthful players and certainly has his heart in the game*"

He was as highly regarded for the manner in which he played the game as he was for his achievements on the pitch. He passionately believed that hurling should be played in a sporting manner and had no time for foul or indisciplined play. It is a measure of his undoubted ability and sense of fair play that he was never sent off during his long career.

During his playing days and afterwards he took an active interest in that most important sector of players – the youth. Writing in the "Nationalist and Leinster Times" their Sports Correspondent "Sean Nos" reported on a visit to Rathdowney where "*It was grand, he said, to see Jackie Daly and many of the old hands running here and there coaching the younger players*". In 1934 he was honoured by his peers, being appointed a Selector on the

Laois Minor Team which went on to win the Leinster Final and subsequently were extremely unlucky to lose out, in controversial circumstances it has to be said, to Tipperary in the All Ireland Final which had 12 extra minutes played. His life was not without tragedy, however, as his Son “Seanie”, who was also a prominent hurler, having represented both Club and County, died on March 20<sup>th</sup> 1943, in his twentieth year. Jackie himself passed away six years later on May 11<sup>th</sup> 1949 aged just 59 years.

Jackie led a full life and instilled in his children a love of all things Gaelic and they continued to carry on that tradition, both at home and abroad, throughout their lifetime. Indeed, his grandson, John Keegan, was a member of the Laois team which won the Under 16 All Ireland in 1971. Jackie would have been proud and was a superb underage player. His passion for life and for hurling left a legacy that has lasted generations and it will continue to last for generations to come, not only in Rathdowney but wherever hurling is played. This year to honour our famous All Ireland win, Jackie’s daughter, Carmel, on behalf of herself and her siblings, presented the County Board with a Cup which will be played on an annual basis for the Junior Hurling Championship of Laois – a fitting tribute to a legend of the game.

**8. Jack Finlay (Ballygeehan) (25) Born 17<sup>th</sup> March 1890, Died: 30<sup>th</sup> September, 1942 – age 52 years. : Buried in Clough**

*All Ireland Profile in Weekly Paper “Sport”: He is the captain of the Leix team and was captain of his own team when they won last year’s county championship. This year’s Championship of Leix is still to be played and Ballygeehan being holders, have been given the selection of the county team. John Finlay then is more responsible for the selection of the county team than any other man, but he has used his power wisely and well, for his selections have beaten Kilkenny, and Dublin in Leinster ties. He started playing with Ballygeehan team who won the Junior Championship of Leix, and who continued winning until they got into the Junior All Ireland final with Clare Juniors.*

*He went senior, and has been playing in all the inter-county matches since. He plays half back, and is a powerful man at close quarters. He is 6ft in height, well built, with great power, only 23 years of age and weights 13st 7lbs. Thomas Finlay is his brother, plays half back, and both of them understanding each others oplay, are a formidable combination in themselves. He was always a hurler.”*

He first came to prominence with the Leix Junior Hurlers and was one of their stars which made it all the way to the All Ireland Final with a lot of his team mates from Ballygeehan made up most of the team in 1914.

In the All Ireland Junior final they would be beaten by Clare on a score of 6-5 to 1-1 which was actually played on 25<sup>th</sup> April, 1915. He is one of the few Laoismen who played in a Junior & Senior All Ireland in the one calendar year along with Jack Walsh, Joe Dunphy, Paddy Ryan. Some of these players from Ballygeehan were to play parts in both 1914 & 1915 Senior Hurling campaigns. In 1915 John was appointed as Captain of the team and was to play alongside his brother Tom. He was to be part of the Leix hurling teams up to 1919/20.

He was part of the great Ballygeehan team which won senior county finals of 1915 – 1918, winning the first 5 in row senior

titles. Ballygeehan were beaten in 1919 county final by Kilkotton by 4-1 to 0-1. The next time Ballygeehan showed in a senior final was in 1930 when Clonad were to beat them. In the pantheon of Laois sports stars John Finlay stands proudly as the only Laois man to lead his county to an All Ireland senior glory and this makes him unique in the history of the GAA in the county.

John was born in Ballycuddy, Ballygeehan on 17<sup>th</sup> March, 1890, - the eldest of five children, Margaret, Mary Ellen, Lizzie, Margaret and brother Tom - see family details in Tom’s profile. John was a natural leader and a man of great vision and integrity and commanded great respect and loyalty throughout his life and was never afraid to stand up for his beliefs. He played a big role in the All Ireland of 1915 as being selected as captain he showed his vision and foresight in picking the best team and was instrumental in introducing new training methods for the team.

John met and married Margaret Murray from Rosenallis and they had three children. Sean married Mai Galvin and took over the farm, Peggy married John McInerney and Maura married Michael Dagg. John died a young man aged just 52 years old on 30<sup>th</sup> September, 1942 and is buried in Clough graveyard. His wife Margaret lived to 90 years of age and died on 22<sup>nd</sup> April, 1982.

**Jack Finlay – The TD**

His qualities of leadership were to be of great help to him getting into political life when he was elected to the Portlaoise town commission as a Sinn Fein representative in 1920. From this he was to persue getting elected to the 8<sup>th</sup> Dail for Laois/Offaly constituency in 1933 as a member of the NCP (The National Centre Party) and again to the 9<sup>th</sup> Dail as a member of the newly formed Fine Gael party in 1937.

**TD’s for Laois/Offaly 1933 Election** – Jack was first elected to the Dail for **The National Centre Party** coming in second place to Thomas F.O’Higgins who represented Cumann na nGaedheal, Followed by Eamonn Donnelly FF, William Davin Labour, Patrick Boland FF and Patrick Gorry FF

**TD’s for Laois/Offaly 1937 Election:-** Note in this Election there were a number of changes, with William Davin, Labour topping the poll followed in by Patrick Boland & Patrick Gorry both Fianna Fail and then Jack Finlay followed them in to take the fourth seat of five **representing Fine Gael this time.** Thomas F.Higgins was to take the last seat.

**TD’s for Laois/Offaly 1938 Election:-** This election was a closely fought campaign and Jack lost out narrowly coming in sixth to Patrick Boland FF taking top spot followed by Patrick Gorry FF, next Thomas F.O’Higgins FG, next Daniel Hogan taking fourth seat and William Davin, Labour taking the last seat.

So Jack lost out narrowly and Jack was not around in 1943 for to challenge for a seat. He was elected to Laois county council in August 1942 just a very short time before his untimely death on 30 September, 1942 and is buried in Clough cemetery.

He had a great passion for farming and used his time in the Dail to good use as he fought continuously for the betterment of this community and also in getting improvements for the sector. He was elected to Laois County Council in August 1942 just a very short time before his sudden death on 30<sup>th</sup> September

**Footnote:** I came across a horse by the name of “Jack Finlay” in Michaél O’Hehir’s book which was an outsider in the 1946 Aintree Grand National and was ridden by William Kidney @ 100/1. It ran the winner Lovely Cottage @ 25/1 to a very close finish. The horse ran the Grand National in 1947 but did not get around. I don’t know the connections with Jack Finlay and the horse but I am sure that all around Laois & Ballygeehan in 1946 were shouting it home with a each way bet I am sure they got a good return.

He was a vital part of the Leix team in both 1914 and 1915 in their All Ireland championship campaigns. He was known for his fearness of any opponent and kept many of the stars at bay during vital games. He continued to play with Leix up to 1921.

Jim was a member of Kilcotton great winning Teams during his period and he was to win 9 finals like his brother Jack - 1904, 1905, 1906, 1909, 1913, 1919, 1920, 1923, 1924, 1929 like his brother Jack He was part of the defeated final teams of 1899 (won by Rathdowney objected and were awarded the final) 1910, 1912, 1914, 1917, 1921

It is believed that Jim enlisted in the British Army and joined many of his colleagues in the Leinster regiment. Upon his return, we know about Jim was he was to get a divide of 35 acres of lands at Akip along with £90 to help with getting holding up and running as divides were given out around 1912 in the locality which he worked for awhile. See picture which showed in my GAA History, “In the Shadow of the Goalpost” which shows him displaying his medals in his waist coat even at work and it is said by locals that he was so proud of these medals and was not afraid to display them.

Jim met Margaret King a local girl (originally came from the Swan area of Laois) whoses family got a divide of land around the same area as Jim and they were married on 26<sup>th</sup> November, 1919.

See picture of Jim himself displaying all his medals on his waistcoat and is reported that he was proud to do so at any

opportunity he got along with his wife and sister in law along with some other locals in my GAA publication in 2004 "In the Shadow of the Goalpost" page 181 (Note caption has Joe down which was an error). It is said that he sold his property many years later and along with his wife went to England. To what parts of England, little is known and this is where the trail has stopped at currently. Like his brother Joe I am sure that all will reveal itself but it will take time for somebody to make the connection but it is another pity that we could not finalise same for the centenary celebration or this publication The Laois GAA Records Bible.

## 11. John Phelan ("Big John") Ballygeehan House) (27) B1888 - Died 16/1/1967 age 89 yrs – buried in Abbeyleix Graveyard :

All Ireland Profile in Weekly Paper "Sport": is a brother of Joseph Phelan. He played in the Junior team that ran into the All Ireland final and he played in this year's senior matches. He is one of the fastest men on the team. There is anything but bashfulness about him, his whole object being to go through his men regardless of consequences, and his courage has very often emphasised his ability as a player. He was on that champion "Drug Walsh in their match with Kilkenny and came out with laurels. That is a great record in itself.

### *The Ballygeehan ballad sums up the two Phelan brothers John & Joe of 1915 fame.*

*Like greybounds racing from their slips,  
The Phelans, John and Joe,  
Across the green plain to be seen  
Proudly swinging to and fro.  
And they proved determined  
That the flag would not be lowered  
When through a sea of jerseys brown  
Joe ploughed his way and scored.*

**John was the eldest of seven in the family** Parents were William B1834 - died 16/11/1916 age 82 yrs and his Mother Ellen B1856 nee McMahon – died 17/1/1942 age 85 yrs **Other members of his family were:** his team mate Joe (Big John as he was known).

Fr Conn (P.P. Ballyfin from 1951 - 1963) was youngest B1900 died 26<sup>th</sup> April, 1963 age 63 yrs and is buried in Ballyfin. He was a good hurler himself, played in county final of 1919 on 11<sup>th</sup> July, 1920 which they lost to Kilcotton, William B1892 died 30/11/1975 a noted hurler himself and was on 1919 Ballygeehan final team, Sister Isabella B1891 died 13/7/1972 age 81 years, Sister Bridget B1896 died 8/12/1987 age 91 yrs. and a brother Fintan died 21/11/1951 (no details when born and age when died) who owned Benny O'Gorman pub and farm in Abbeyleix.

He was married, wife Bridget and she died 17/12/1949. He had a sister and brother who died very young namely, sister Louisa B1886 - died 7/5/1899 age just 13 yrs. Brother Eugene B1884 – died 11/5/1902 age just 17 yrs.

All siblings except Fintan never married and all lived in the home place at Ballygeehan House. All the family are buried in the graveyard beside the Catholic Church in Abbeyleix inside gateway to the immediate left, except Joe & Fr Conn. Joe is buried in an unmarked grave in a London graveyard.

I remember meeting Fr Conn in early 1960's at a sports day in Ballyfin College with my father Bill and we all had a great chat and much reamssing took place with my dad and Fr Conn. I remember him as a very jolly man and unassuming person. The Junior 'A' hurling championship trophy in Laois is named in his honour as he loved his GAA.

John was a player of his time and a member of the Leix Junior team which made it all the way to the All Ireland final in 1914 but were defeated by Clare in All Ireland final played in April, 1915. He first came on to the seniors in their round one game against Kilkenny in Tullamore on 6<sup>th</sup> June 1915 and this was the start of Leix winning ways to the All Ireland Final of 1915, another player to play in two All Ireland finals in the one year only months apart.

John was a man of the land and worked the family farm at Ballygeehan. He was a breeder of show horses and one of the most famous showjumpers with the Irish national team, "Limerick Lace", was bred on his farm and ended up in the Army Riding school academy which was just put in place around this time. His neighbour and friend Tom Finlay was to become a very active member of this army school and had probably come into contact with the great Limerick Lace and I know he did not ride him in competitions. I guess there is a little exercise here to see who rode him and how successful the horse was. John to all locals was known as "Big John" as there were a few John Phelan around like my uncle John of Farren also was to be known as the "Farranman", John of the Castle known as the "Castleman" etc and also known for his power and strength.

The Ballygeehan hurlers trained in what was known in song and story as Phelan's long meadow, a field that became recognized as one of the most famous and most sacred nurseries of Laois hurling and John acted as secretary of the club for a number of years.

John was part of the great Ballygeehan team which won Senior County hurling finals of 1914, 1915, 1916, 1917 and 1918. In 1919 Ballygeehan made it again to the final v Kiltotton and were beaten by a big score 4-1 to 0-1.

It is reported that all the Phelan medals (which would be of Silver) were all melted down and a chalice made out of them and I am sure that Fr Conn had a part to play in this request and action.

It would be great if somebody reading this were to make the connection and make it known, it would be fitting tribute. John died 16/1/1967 age 89 yrs and is buried in Abbeyleix Graveyard

**12. Paddy or "P.J." Champion (Rathdowney) (21) Born 1<sup>st</sup> July: 1894 Died: 6<sup>th</sup> February, 1957 age 63 years. Buried in Portlaoise**

*All Ireland Profile in Weeely Paper "Sport": left wing back. His first inter-county match was against Kilkenny in the Leinster final, when he played a very hard game, and rendered a good account of himself. He is very fast and reliable in any position in which he is placed, a good all round hurler. His age is 24, height 5ft 8in and weight about 12 stone.*

While standing with the large gathering of Gaels waiting for the removal of the remains of the late Paddy Champion the "Nationalist and Leinster Times" Reporter Ristead Barrett was reminded of a day many years previous when he first met Paddy in Ballinakill. Then a young man and keen to encourage Irish games he was collecting at the gate of the Hurling Field. Minutes later he was on the pitch handling the game as only Paddy Champion could. He was a man that could be relied upon to lend his hand at anything for the betterment of our games. Paddy was born in the picturesque village of Donaghmore in 1894 and as a child would have spent his after school hours playing hurling with his friends on the village green. It was here that he developed the skills that one day were to see him become a household name. He was first introduced to competitive hurling through the School's League and it was during this time, that he developed a passionate interest in Gaelic Games.

His playing skills were recognised by the Rathdowney Club and he would have been on the Rathdowney Championship winning teams of 1911 and 1912. In 1912 he was also a member of the Rathdowney Football Team which won their first Football Championship at "Middle Grade". The following year he was on both the Rathdowney Hurling and Football teams which contested the Senior Finals, albeit unsuccessfully.

In his younger days, as a railway employee with the GS and WR, he travelled much of the country and had the distinction of winning Senior Hurling Championship medals in three different counties, with Cloughaun in Limerick (*still awaiting response*), Rock Street in Tralee in 1924 and of course Rathdowney. His first Inter County match was against Kilkenny and he rendered such a good account of himself that he was retained. It was in Tralee that he met and married his wife, Katherine Brosnan and his three older children were born in Tralee.

He returned to Laois in 1933 to work with the Board of Health (later to become part of Laois County Council) as Superintendent Home Assistance Officer.

A wing back he was described as very fast and reliable in any position in which he is placed. "P.J" as he was better known was a huge loss to all free loving Irish people.

He himself was interned for the part he played during the War of Independence. When his playing career was over he continued to take an active role in all GAA affairs. Indeed he took a keen interest in all forms of sport. A keen Referee, he was also Vice Chairman of Laois County Board for many years up to the time of his death. He was also a member of the Laois GAA Fields committee and represented the County at both Leinster and Central Council level.

The C.Y.M.S. also laid claim to Paddy, he having held the position of Vice President since the inception of that body in Portlaoise. The Portlaoise Boxing Club, too, knew him as an enthusiastic supporter (*rumour has it he was President*) as also the St Vincent De Paul Society of which he was a member.

He was also a member of the Laois Comhairle Ceanntair Fianna Fail. Paddy was married and had 4 sons, Edmund, Hugh, Patrick, Michael and 4 daughters, Mrs J O'Reardon, Nuala, Patricia and Catherine. On coming to Portlaoise, where he lived on the Mountrath Road, he threw in his lot with Portlaoise GAA and served in all officer capacities with the club until his passing on 6 February 1957.

He was particularly involved with the promotion of hurling among the youth and in organising street leagues. His son, Ned, was a good hurler in his younger days winning minor championships with Portlaoise and was a county selector and delegate. Hugh also played with distinction with Portlaoise hurling teams and went on to become Chairman of the Kildare County Board. Both are now sadly deceased.

Indeed, a glance at his record in charitable, athletic, and political organisations testify to his organising abilities and the respect and esteem in which he was held. He died on February 6<sup>th</sup> 1957. Following his death Jimmy Hiney wrote a beautiful poem in his memory. Jimmy or "Gundy" as he was affectionately known was a noted poet and Balladeer and was the son of John Hiney a playing colleague of Paddy on that never to be forgotten team of 1915.

**13. John 'Jack' Carroll (Kiltotton) (37) Born in 1878, Died: 16<sup>th</sup> September 1977 (99yrs) old: Buried in Knockaroo**

*All Ireland Profile in Weekly Paper "Sport": is captain of Kiltotton team. He is one of the most versatile players in Ireland. Can fill with ability any position on the field, but is in his element in the forward division. His ability to wriggle out of a difficult corner is marvellous. He is a perfect master of tricky play, and his shot is deadly. He plays forward, on the wing, and is a tower of strength on it, He is in great form and is a magnificent hurler.*

Jack was born in 1878 and at 37, was the oldest player on the 1915 All-Ireland winning team and when he died.

He was only six months sort of the century and is buried in Knockaroo just a few yards away from his homestead. Jack was not a brother to team mates Jim or Joe but had a brother James who never hurled.

He was a cousin of Joe & Jim. James who was born in 1876 and the family lived in Grangebeg just down from where Martin Delaney now lives. - No dwelling now exists there today. Jim his brother emigrated to USA some time after 1901 with Mick

Comerford and settled in New Jersey. Jack had 5 sisters namely, Mary (Brearton), Bridget (Alexander), Sarah (Ferns), Nora (Lynch) and Nan or Annie as she was known. All the family were to go to the USA where most of them settled in New Jersey. Only Jack & Nan were to stay at home. Nan met and married Jim Fitzpatrick, parents to Timmie (goalie Laois 1949 All Ireland), also Jack, Paddy, Joe and Jim & Dan who went to USA. Daughter Catherine, Jack was later to move to Knockaroo where a divide of land was available and set up home here. Jack met and married Elizabeth Comerford and she pre deceased him in on 18<sup>th</sup> February, 1961.

Jack was responsible for Bob O'Keeffe coming to Borris in Ossory as the Principal, owing to a chance meeting with him in Barry's Hotel, Dublin and relayed to Bob that such a vacancy existed in the National School and the rest is history.

Jack was a great negotiator as he made only one request of Bob if successful in the job application with the PP' Rev Fr Dillon was that he would join the Kilcotton GAA club and play hurling with us.

Jack's father's name was James who was born in 1843 and died in April 1926 age 83 yrs.

His mother name was Hannorah nee Delaney and she died on on 27<sup>th</sup> June, 1915 age 73 years. Jack and his wife Elizabeth had one daughter Mai and who now lives in Knockaroo. She married the late Mick Comerford originally from Dublin known as "Dublin Mick" and son of Paddy Comerford of Bushfield who went to Dublin, brother of the great Jack Comerford who played with Leix in 1914 and a member of Kilcotton great wins. Mick Comerford was to come on holidays to Knockaroo and was never to return to Dublin and meet and married Mai Carroll. He was to be known as "Dublin Mick" to distinguish him from others of the same name in the parish. When I was researching my GAA History of Borris in Ossory & Kilcotton GAA, Mai & Dublin Mick were so accomodating to me so many times and were so helpful in trying to sort out many queries on the history. Mick was such a gentleman and kind and helpful. Mai's family – Sons, Pat, John, Daughters, Betty and Doreen who has helped me as much as she could with some queries with this publication.

Jack has the distinction of captaining Kilcotton to nine county titles from 1900 to 1924 in years, 1904, 1905, 1906, 1909, 1913, 1919, 1920, 1923, 1924, 1929 (1929 Final v Portlaoise was not played but Kilcotton were finalists and so were awarded the final when Portlaoise refused to play) and was 46 years old when he finished hurling and was to be known as "The ageless wonder of Knockaroo". Kilcotton were defeated in 6 finals which Jack was a part of. 1899, 1910, 1912, 1914, 1917, 1921. Overall he was involved in 15 senior finals.

In an Interview many years ago with Teddy Fennelly he told him the following: "Jack told me of the super effort made by the county in 1914 to win major honours. He recalled the great organizing skills of the then county chairman, Fr. John J. Kearney, who rallied the forces and introduced the Kilkenny hurler, "Drug" Walsh to help train the team in 1915. Laois, with Jack as captain, went on to win their first Leinster title in 1914 but were denied by Clare in the All-Ireland decider.

He recalled the bitter disappointment of defeat but also the great joyful experienced when, under the captaincy of Jack Finlay of Ballygeehan, Laois went on to retain the Leinster title and then beat Redmonds of Cork in the All-Ireland final in 1915.

Note in 1899 Kilcotton beat Rathdowney very well in the county final but an objection was made against them which they were to lose the final in the board room. The content of the objection was that Jack Carroll and Jack Jones had also played with Roscrea in the Tipperary championship and it was upheld and so lost the county final.

There were to be a repeat again in 1901 but this time it was Roscrea who were to suffer losing their North Tipperary title "in the boardroom" as Jack again had lined out with them in the final against De Wets (Kilruane).

He captained Leix in the 1914 All Ireland Senior Hurling All Ireland final against Clare where they suffered a defeat 5-1 to 1-0. He was to become a legendary figure in his own lifetime as these four lines of a verse highlight

*"The hardy Maos he did them whack  
Bill Curran from him flew  
There was no hurler on the field,  
Like Jack from Knockaroo"*

Jack passed away on 16<sup>th</sup> September 1977 aged 99. Jack won a Croke Cup medal with Leix in 1909 defeating Kerry in the final in Market Field, Limerick by 3-11 to 3-7.

This was a hugely supported Championship and big crowd went to all the games. They beat Galway in the semi final which was played in Athlone on 30<sup>th</sup> August, 1909. See Page 350 "In the Shadow of the Goalpost" for details on Croke Cup Championship.

Copy of both medals are shown prominently on the back cover of my GAA book. "In the Shadow of the Goalpost"

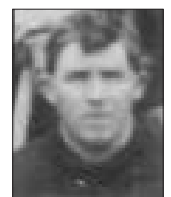

He worked on his farm in Knockaroo through out his life and on the Railway for a short time and now his his grandson Pat lives next to Mai his mother (Daughter) and carries on the farming work of Jack on the farm. The Carroll's land in Grange and Bushfield was swapped around 1953 for the farm in Knockaroo when the Alley farm was taken over by the Land Commission.

The following Bards few lines really sum up Jack Carroll

*He was the best,  
South, East and West,  
Who ever laced a shoe,  
Laois can well boast  
And raise a toast,  
To Jack from Knockaroo.*

#### 14. John "Jack" Hiney (Rathdowney) (25) Born 1890: Died: 4<sup>th</sup> April, 1958 age 68 years. – Scored 3 goals in 1915 All Ireland – Buried in old Cemetery in Rathdowney

*All Ireland Profile in Weekly Paper "Sport": says he is not a big man, but he is a first class illustration, of the old saying that "the best of goods are made up in small parcels." He is on the light side, but a tireless worker, exceedingly fast, and very clever at close quarters and a great scorer. He plays full forward, and recorded a few times against Dublin in the Leinster final.*

*He is 5ft 7in, that is what is considered on the small side among the giant hurlers of Leix and 25 years of age. He played in all last year's and this year's inter-county matches.*

John was born in Ballinakill in 1890, one of 13 children to James Hiney and Mary Dunne.

The family moved to Rathdowney, a few years later, where John lived for the remainder of his life. He married Mary McLoughlin on September 18<sup>th</sup> 1916, who was from Offaly and they had one son, James, or “Gundy” by which he was more familiarly known. He had one daughter, Margaret Rowland (Preston) and two adopted daughters, Theresa Hiney Tinggal, and Bernie Hiney Gorman.

John has a large number of relations still living in the area including the Walsh family in Durrow, Marie Hampton, Rathdowney (niece) and the Ford family Rathdowney (his brother, Edward's, grandchildren), consisting of Tony, who played with the Irish rock Band "Tweed", Jim, another talented musician, Ted, Marian and Jacinta. Sadly, John's wife was to die, at an early age, during childbirth.

John Hiney seemed destined from an early age to perform at hurling's highest level. Acknowledged as an exceptionally skilled player, extremely fast, very clever at close quarters and a great scorer, John Hiney brought fear and consternation, to opposing defenders, whenever he donned the Red and Green of his beloved Rathdowney or the Black and Amber of his native County. Better remembered for his hurling prowess he was equally proficient with the big ball and was a member of the Rathdowney team that won their first ever Football Title, at Middle Grade, in 1912.

On the hurling field he was one of the stars of our Championship winning teams in 1911 and 1912.

While not a big man he was a first class illustration of the old adage that “the best of goods are made up in small parcels”.

His talent was soon recognised by the County selectors and at the tender age of 20 years he was one of the stars of the Laois Junior team that won the County's first ever Leinster Hurling Title in 1910.

Affectionately known as “Little John” he became an automatic choice on the Laois Senior Hurling Team and was a member of the Laois Team defeated by Tipperary in the 1912 “Croke Cup” Final, a prestigious competition in the early days of the Association and second only in status to the All Ireland Championship. However, despite this disappointment success was not far away.

In 1914 a Leinster crown was achieved with John in sparkling form throughout the campaign. The following year, he reached his full potential with his huge work rate and scoring ability making him a marked man. Despite the close attention he continued to be a key performer. In the Leinster final against Dublin, he scored 1-1 in the opening half to leave Laois ahead 2-2 to 0-2 at the break. A Dublin fightback ensued scoring three points without reply, however, a further goal from John, following a pass from his Rathdowney colleague, Jim Deegan, ensured Laois's place in the final, 3-2 to 0-5.

John, however, reserved his greatest display for the final giving a man of the match display, **scoring 3 goals** in a 6-2 to 4-1 defeat of Cork. The ruse in which he scored the winning goal in the final has become a legend among hurling fans. As they say “Cometh the hour, cometh the man”.

John, subsequently, departed these shores, along with many other Rathdowney lads, going on what they perceived was the adventure of a lifetime. Alas, history was to prove otherwise. He joined the Leinster Regiment along with his younger brother, Edward known as Ned.

On his return he took up employment with Perry's Brewery where he worked for many years delivering the Ale locally around Laois including to the pub of his team mate Ned McEvoy in Abbeyleix. He became actively involved with Rathdowney club and was part of the senior winning teams of 1921 and 22.

On retirement he took an active part in coaching and administrative affairs of the club especially the younger players. In 1955, to celebrate the 40<sup>th</sup> anniversary of Laois's only All Ireland Senior Hurling victory, a presentation was made to John. The presentation, from all the townspeople, was made by Joe Quigley and took place in the local coliseum before a full attendance.

In making the presentation, Joe Quigley referred to the splendid achievement of that famous team, making particular mention of the glorious part played by their guest of honour.

Following the presentation a variety show took place involving Jimmy Hiney, Jack's son, a noted poet and ballad writer. Also taking part were famous stars of stage and radio, namely, Albert Healy, Mike Nolan, Eileen Quinn and Bill Thompson.

Sadly, for John his life was not without tragedy. In what was to be one of the happiest moments of their lives, he was to suffer a devastating loss when his young wife, Mary, died during childbirth. John passed to his eternal reward on, Good Friday, 4<sup>th</sup> April 1958.

The “Ballad of the Men of 1915” relates and sums up Jack Hiney:

*And Hiney proved determined  
That the flag would not be lowered,  
When through a sea of jerseys brown  
He ploughed his way and scored.*

**15. Joe Phelan (Ballygeehan) B1889 (26) Died aged 45 years in London in 1934 :**

**Holder of 3 All Ireland Senior Hurling Medals – played in 4 All Ireland Finals- scored 4 goals in 1917 All Ireland Final**

All Ireland Profile in Weekly Paper “Sport”: *learned his hurling in St. Kieran's College, Kilkenny and starting there in the same year as Thomas Finlay they know each other's play very well, but it was better to separate them, for Joseph Phelan has developed as a forward, while Thomas Finlay's wonderful man in the back division. Joseph Phelan qualified through Ballygeehan Juniors.*

*He played in the Leinster final, and those who witnessed the match will remember the grand play with varying results that was the outcome of his tussles with that famous member of the Faughs, R.Mockler. He is always safe for a record when he is in possession, and in general is a great player, with magnificent style.*

*Quotation by Teddy Fennelly : -” Joe, a younger brother of John, was a fascinating character and one whose story is as remarkable as it is unknown. He had the skill, speed, courage and tenacity to make him an outstanding burler and he had an intellect and ambition to succeed in any academic field. But often fate determines fortune and life is full of ups and downs. Joe experienced both and at the extremes”.*

Full details members of his family – See profile of brother John his team mate above.

People who saw both Christy Ring and himself playing namely his neighbour John Phelan of the Castle, considered that he was the better player as he was the complete hurler, accomplished, stylish, fearless, a threat to opposing teams. His skills as a hurler were honed in St.Kieran's College, which he attended with his close friend, team mate, and neighbour from Ballygeehan, Tom Finlay. Joe was part of the great Ballygeehan team which won five county senior hurling titles in 1914-1916 but was not there for 1917 and 1918 as was playing club hurling with Collegians in Dublin.

Ballygeehan qualified for the 1919 final against Kilcotton which the results could have been overturned. What a difference Joe would have made to Ballygeehan in this final and maybe they would have achieved the first six in row finals.

Joe was to enter Maynooth in 1912 to study for the priesthood and was awarded a B A Degree in 1915 and continued to study Theology for another year.

Around 1916 he left Maynooth without being ordained to the priesthood and enrolled in University College, Dublin to study medicine. He joined the Collegians hurling club. This had been formed in October 1913, by UCD, College of Surgeons, Veterinary College, St.Patrick's Training College and Albert College students. He helped them win three Dublin senior hurling championships, 1917, 1918, and 1919. He also won three Fitzgibbon Cup medals with UCD in 1917, 1923 and 1924. Joe's hurling achievements are unrivalled in the sporting annals of Laois GAA and his medal count puts him on a par with some of the greats of the game. His Ballygeehan career was to be cut short due to his decision to leave for Dublin but not before he had three county senior medals in his pocket 1914-1916. His inter-county collection is even more impressive. He began by helping Laois to reach the Junior All Ireland of 1914, picking up a Leinster medal on the way but did not play in the All Ireland for what reasons is not known.

What a pity because I am sure the results could have been overturned. He starred in the 1915 campaign winning Leinster senior and All Ireland medals.

At this stage of his life things were not good at home in Ballygeehan owing to his failure to finish out his priesthood studies and when he finally left Maynooth his relationship with his parents were beyond repair. What was Leix and Ballygeehan loss proved to be a huge gain for UCD and his adapted Dublin who came calling on his services which he threw in his lot with them.

Joe went on to represent his adopted county in 3 All Ireland finals, 1917, 1919 and 1920, winning two, against Tipperary in 1917, in which he became the first man to score 4 goals in an All Ireland final in their 5-4 to 4-2 defeat of Tipperary. His third title was achieved in the 1920 victory over Cork (played May 1922) winning by 4-9 to 4-3. His only defeat in an All Ireland senior final came in 1919 when Dublin were beaten by Cork on a score 6-4 to 2-4.

## 1917 All Ireland – Dublin 5-4 Tipperary, 4-2

### Joe scores 4 goals in 1917 All Ireland final v Tipperary

#### First man ever to score 4 goals in an All Ireland Hurling final

With Collegians having the right to represent Dublin in 1917 he helped them win the Leinster final, defeating Kilkenny in the final, Then in the All Ireland, Dublin with seven Collegians, six Faughs and two Rapparees, faced Tipperary. Joe scored Dublin's first goal and created the second as they led 2-2 to 2-0 at the interval.

He added three more in the second half to ensure a memorable 5-4 to 4-2 victory on 28<sup>th</sup> October, 1917.

**Dublin Team (Collegians):** John Ryan Capt (Collegians), Tommy Daly (do), Sean Hyde (do), Sean O'Donovan (do), Hugh Burke (Faughs), Charlie Stuar (Collegians), **Joe Phelan (Laois)**, Bob Mockler (Faughs), Tommy Moore (do), James Cleary (do), Frank Burke (Collegians), Mick Neville (Faughs), Martin Hackett (do), Martin Hayes (Rapparees), Paddy Kennefick (do) **Subs :** Brendan Considine (Collegians) (used).

They were Dublin champions again in 1918, but failed to come out of Leinster. In 1919 saw them Leinster champions, but a third All Ireland was denied Joe as Cork prevailed in the final Dublin GAA Book - Liam Doran.

Collegians glory days were fading. They gave a walk over to Faughs in the 1920 semi final, managed to reach the 1923 county final, but then were subsumed into UCD.

## 1920 All Ireland final v Cork – Joe wins his Thrird All Ireland Medal

Despite Collegians failure to field for the county semi final, Joe was to win his third All Ireland medal. The 1920 final v Cork was not played until May 14<sup>th</sup>, 1922. Tommy Moore of Faughs, who was Dublin vice captain, recalled that he and the captain, Bob Mockler, were discussing tactics for the All Ireland final. " I said that it is going to be tough, there is one man who can win

it for us, and that is Joe Phelan of Laois, who is studying medicine in the College.

Also note his native club Ballygeehan made it to the county final of 1919 which was not played until 11<sup>th</sup> July, 1920 and were beaten by 4-1 to 0-1. What a difference Joe would have made to Ballygeehan in this final and maybe they would have achieved the first six in row finals. Well, the upshot of it was that we got around him. And though he had only three weeks to train, Phelan really got down to it and turned out on the day of the final like a greyhound.

We were determined to win that match and the one thing that worried me was how Joe Phelan would stand up to Frank Kelliher. Well, I was not long wondering. The very first ball that dropped down between them, Phelan burst the back of the net with it, and we were never troubled after that.

Our forward line carried the day for us. They had a great understanding between them, Joe Phelan, Mick Neville, and Frank Burke” (interview with J.D.Hickey, quoted in The Gaelic Athletic Association in Dublin 1884-2000, vol. 1 p. 170).

**1921 All Ireland final**

The 1921 All Ireland final against Limerick was not played until March, 1923 which Limerick won by 8-5 to 3-2. Joe does not appear on the Dublin team list. He was on the Dublin team which was beaten by Kilkenny in the 1922 Leinster final played on November 19<sup>th</sup>, 1922 on a score of 3-4 to 1-2. For the record listing the 1922 Leinster final teams which Joe was part of Dublin team.

Joe, after UCD, went to London to work and take time out and was where he became very ill and is believed to have fallen into hard times. His movements and whereabouts became somewhat of a mystery until fate intervened many years later cir 1940 when a young Irish nursing nun, Sr. Brendanus, (Molly Kirwan) from Raheenabrogue (Abbeyleix) in the course of her nursing duties in a London Hospital happened upon a patient who was in a very poor state and who appeared to be very much on his own and down on his luck. After much cajoling she managed to get his name from him. "Joe Phelan from Ballygeehan", he said. Tragically, Joe did not make it and he died from TB in that London Hospital, a very young man.

Sr Brendanus (Molly Kirwan) who was by coincidence was a sister of Una Kirwan from Raheenabroogue, Abbeyleix who was to marry his neighbour and team mate John Phelan, "The Castleman" and by this his family were eventually to find out about the death of Joe in 1934 and the circumstances in which he lived out his last few years. Joe Phelan, aged 45, lies buried in an unknown grave in London. It would be great if in the future the connection could be made and the information of where he is buried become known, no better tribute could be made to one of Laois greatest hurling sons.

*I do personally have reservation about the "Laois Hurling Team of the Millennium" and I cannot understand how this great hurler of his time and one of the great stars of Laois and Dublin hurling and only Laoisman to hold 3 All Ireland hurling medals not counting other awards which he won could not find a place on this team. To me his omission is an injustice by Laois GAA.*

**Subs** - Not mentioned either in the match programme of 1915 and in that Weekly publication "Sport" pre the All Ireland final only mentioned Jim Deegan and Jack Loughman.

**Subs: Jim Deegan (Rathdowney) (19), Born 1895 – Died: 19<sup>th</sup> March, 1988 aged 93 years – Buried in Bayonne USA**

All Ireland Profile in Weekly Paper "Sport": *plays left wing forward. He was selected and played in last year's Junior final. He played in all the matches with the county this year. He is only 20 years of age, and 5ft 8in in height, but very fast and reliable. He plays well with John Hiney.*

Jim Deegan was born in 1895 in Lyrogue, Rathdowney. His parents were Mick Deegan and Mary Breen. He was the eldest of four boys. He was only 18 years of age when he lined out with Leix Junior Hurling team in 1914 winning Leinster final against Kildare by a huge score of 16-4 to nil, then against Monaghan in All Ireland semi final on the 17<sup>th</sup> January 1915, winning by 7-3 to 1-0 making it to the final where they came up against Clare which was played on 25<sup>th</sup> April, 1915 losing by 6-5 to 1-1 The last surviving member, of that gallant band of fearless and talented warriors, who won our one and only Senior All Ireland was Jim Deegan who sadly passed away in 1988. He was the eldest of 4 boys. He attended school in Rathdowney (now the C.Y.M.S), and it was there that he was first introduced to competitive Hurling through the School's League and, no doubt, it was during this time, that he developed a passionate interest in Gaelic Games. He was

favourably mentioned in a report on a School's match between Rathdowney and Castletown which took place on Sunday October 27<sup>th</sup> 1907, at Donaghmore, between teams representing Rathdowney and Castletown. Interestingly the Captain of the Castletown team that day was, Fint Kileen, who was to join Jim on that all conquering team of 1915. In March 1915, Jim Deegan was virtually unknown outside Rathdowney. It is quite remarkable to note that Jim figured in only one adult game, and that was at Junior level, prior to being selected for the Laois Senior team. That was in the Spring of 1915 when Rathdowney Juniors met Cullohill at Durrow. He impressed so much that day that he was selected to play, against Offaly, at Tullamore in the Leinster Senior Championship a few weeks later. By another amazing twist of fate the talented young Rathdowney man was still eligible to line out with the County team who had qualified for the 1914 All Ireland Junior Final.

He duly lined out against Clare on Sunday April 25<sup>th</sup> but the Munster Champions, who had already beaten Laois in the All Ireland Senior Final of 1914, easily completed the double over the Midlanders, in the delayed Final. In their march to the 1915 All Ireland Final Laois beat Offaly, Kilkenny and Dublin.

Against Kilkenny, Deegan playing at left corner forward, was instrumental in Laois leading at the interval by 3-0 to 0-0 scoring one of the goals and laying on the other two for Rathdowney team mate, John Hiney.

Kilkenny responded and as time ran out Laois found themselves 2 points down. Then another Rathdowney colleague Jackie Daly placed a 70 to Deegan who crossed the ball to Paddy Campion who finished to the net for the match winning score for Laois who by the way then wore the Black and Amber subsequently made famous by the "Cats".

Laois were given little chance of success in the final but as Jim said there "*was a quiet confidence in the camp*". Jim was dropped for the Final, the Selectors felt he was "too young and too light for the Cork mission".

But he was picked as first Sub for the forwards and this lessened the disappointment considerably. On All Ireland day they stripped in the Hotel and walked down Jones Road to the pitch and a little later hurled themselves into the illustrious lists of teams to have won the most coveted crown in hurling. Laois hurling fortunes faded a little in the following years, Jim missed the game against Wexford in 1916 because he had a mishap on his bicycle en route to Ballybrophy to catch the train to the game. But he did play in the next four Championships in which Offaly beat Laois on all four occasions. At local level he appeared in the Finals of 1915, 1916 and 1918.

His last game for Rathdowney was against Clonaslee in the opening round of the 1920 Championship, which they won, on Sunday September 19<sup>th</sup> and then 4 days later on September 23<sup>rd</sup> 1920 Jim left the shores of the Emerald Isle for New York and after a nine day trip he landed in the US, where he lived for the remainder of his life. Jim began life in America in the New Jersey town of Bayonne which is only just across the Hudson River from New York City and his carpentry skills secured employment in the Big Apple where he became a cabinet maker and would make Hurley's in his spare time. Jim worked as a carpenter for the American Radiator Co. for 38 years before he retired in 1962.

In 1922 along with a number of other well known Laois Men he formed the Laois Club.

That Club fielded strong teams for the following decade. In one final they beat Offaly, however, lost the medals on a technicality. Jim's talent was immediately recognised and he was back in Ireland in 1924 with the US team to play Ireland in the Tailteann Games. This was the centre piece of the festival with fellow Rathdowney man, Pete Daly, having the honour of refereeing the game.

Jim married Lucy Coleman from Minnesota a first cousin of the Coleman's from Rathdowney, her father having emigrated some thirty years earlier. It was a wonderful match and although they were not to be blessed with a family, Jim and Lu had 60 years together and were a most devoted couple. Jim passed away peacefully at his home in Bayonne at the age of 93 years on March 19<sup>th</sup> 1988. Later during 1915 he was to feature with Rathdowney Juniors in a championship game against Cullohill in Durrow and gave such a display that day that he was selected to play senior hurling with Leix against Kilkenny in Tullamore on 6<sup>th</sup> June in round one of the Leinster senior hurling championship, Leix winning by 4-1 to 2-6.

In the next round which was the Leinster final against Dublin played in Nowlan Park, Kilkenny on 17<sup>th</sup> July Jim was on the team, winning this game by 3-2 to 0-5. Leix received a walk over from the Ulster representatives and so were through to another senior hurling final.

When the team was announced for the All Ireland final Jim had been demoted to the subs as the Leix selectors and mentors had been planning how to take Cork down and felt he was a little too young and light. Jim was ready on the side line if he was to be called for duty but this was not to happen. He missed 1916 campaign owing to an accident on his bicycle on his way to Ballybrophy to catch the train to play against Wexford.

Jim was part of Rathdowney Senior hurling team defeated in 1915, 1916 finals with Ballygeehan. Jim continued to play with Leix for next four years until on the fateful day of 23<sup>rd</sup> September, 1920 he decided to leave the shores of Ireland for the Emerald Isles of New York, USA and after 9 days landed in the US where he lived the rest of his life coming home on occasions.

He got involved with GAA in New York and was part of forming the Leix club there and Jim lined many years for the club. In 1924 U.S. team which came to Ireland to participate in the Tailteann Games and in 1932 games he was home again but was not a member of the U.S. team but hung out with them during the games. He was a great GAA man and loved to support it in New York through out his life.

In my GAA History of Borris in Ossory, Kilkotton & Kyle "In the Shadow of the Goalpost" on Page 193 you will see a Picture of Leix Team in New York in 1927 and Jim shows in front row 5<sup>th</sup> from left looking very fit looking. Note there are a number of Laois players included in the picture.

Note the famous Joe Carroll, team mate of Jim on 1915 Leix All Ireland team was a team member in New York He died in 1988 at the age of 92.

In his obituary in an American newspaper, Walter Owen, the editor wrote: "If Jim was your marker, you'd never get the ball. He was fast and clean, not like some of the other old-timers. He had a beautiful swing-like the way Sam Snead swung at a golf ball."

## Jack Loughman (Ballacolla) (29)

**Born: 1886 Died: late 1960's in his late 60's – Buried in Ballacolla**

All Ireland Profile in Weekly Paper "Sport":  
*left wing forward, played in all last year's Junior contests, including the All Ireland Junior final, and in all Senior Championship matches this year. He is very fast and tricky and altogether a good sound forward showing brilliant plays in all his matches up to the present.*

He is 29 years of age, about 5ft 8 in in height, and weights about 13 stone. Jack Loughman was a blacksmith from Tentore, Ballacolla and operated from their own place known as "Loughman's forge" and later to me known as Begadon's forge.

He was born in 1886 and his brother James B1881 was to work the Forge as a blacksmith in their forge in Tentore, Ballacolla. They had two sisters Mary Born in 1885 and Julia. Their Mother Mary born 1847. They all attended the endowed school in Grantstown, which was then under the patronage of Lord Castletown.

They were both hard working men noted for their dedication to their craft, which was in great demand in an era their services were in demand. Apart from their work at the forge, the brothers also farmed.

Jack was popularly known as "the Swan" and was certainly one of the great characters of the team of 1915. He was a "Jack of all trades" and was in great demand in Ballacolla.

He could kill or cure a pig, lay out a corpse, deal with a swarm of bees, make beer (as well as drink it), and he was known to have cures for many ailments – and all this apart from his skill as a blacksmith and farmer.

Most of all he was a talented hurler. He played in all the games as Laois juniors progressed through Leinster in the championship of 1914 before being finally defeated in the All-Ireland final by Clare. He was promoted to the senior squad in 1915 and played in all matches when the county successfully defended their Leinster crown beating Dublin in the final.

Jack lived with his widowed mother, Mary, and family at Tentore in 1915 and played with the local Ballacolla club that year. He lined out with Ballygeehan from 1916 to '19 before finishing his hurling days with Ballacolla. One of Jack's sisters was married to another great hurling character from the parish, Pad Harte. Pad was an integral part of the all-conquering Ballygeehan five in a row side.

Neither Jack nor Jim married. Jack died in the late 1950s and is buried in the family plot behind the church in Ballacolla. Jack's nephew (and Sheelagh's uncle), John Keating, inherited the forge. He had a late vocation and studied for the priesthood from 1961 to '68.

On his ordination in June 1968, he sold the forge to Martin Begadon. Fr. John said his first Mass in Ballacolla and the whole parish celebrated in style. John went to New Zealand where he ministered until his death in 1989.

Jack died some time in the 1960's but I could not tie down the date as could not find his grave in Ballacolla graveyard where he buried or get information from other sources. Perhaps in the future this will be put right and made known.

## John Phelan (Ballygeehan – ("The Castleman"))

**Born B1888 (27) Died 31<sup>st</sup> January, 1977 age 88 years – Buried in Ballacolla**

To me he was always known as The Castleman and was a good friend of my late father Bill who came from Farren originally.

In the sixties we often visited with him in his home and their friendship was very strong. He was a stalwart with Ballygeehan Teams which won 5 Senior Hurling titles in a row 1914 – 1918. He was proud of team's achievements and these records would last until Camross in 1965 – 1969 achieved same. He often mentioned about training in the long Meadow and the song about this is now one of fame.

### The Blue Eyed Champs from Old Ballygeehan

*The Blue Eyed Champs from Old Ballygeehan  
You may boast of great hurlers in Erin's Green Isle,  
Of Tipperary's tough sloggers, Kilkenny's crisp style,  
Still, of All-Ireland's champion, no finer was seen,  
Than the blue jersied champions from old Ballygeehan.*

*In Pbelan's "Long Meadow" did the Finlays combine  
The Costigans, Walsbs, and Pbelans in line,  
With the Clooneys, Hartes, Cashins, and Ryans,  
In ten Leix senior finals those hurlers did shine.  
In one famous final the long whistle blast  
Found the Leix county hurlers were champions at last,  
Most famous, Of all in the battle so keen  
Wbere the Blue Jersied Hurlers fom old Ballygeehan.*

Actually my father had a senior county medal of his for 1915 and always kept it in his work overalls. I used to see it and wonder how this medal never ended up in the bog, the field or in the hay shed. When I published my GAA Book, - History of Borris in Ossory & Kiltotton & Kyle GAA "In the Shadow of the Goalpost", I returned the medal to his son Billy at the book launch on Friday 13th 2004 – almost 89 years later. I know that the family now treasure this medal. John gave this medal to my Father as a token of their friendship which to me shows how close that was and my father always made sure he had it with him at all times until I took it into my possession for safe keeping. John did not get a call to duty in the All Ireland of 1915 and he continued playing with Leix until 1922 mostly playing centre field. He was noted for his rendering of the 1915 song and could recite the whole song.

He was a keen farmer and was very active in his development of it over the years, other members of his family as per 1911 census:

John Phelan (46) Head of Household, Sister Sarah (27), Joseph (25) died on 11<sup>th</sup> April, 1914 aged just 27 years, brother, James (22) – died on 22<sup>nd</sup> December, 1926 age 33 yrs., and Sarah (26) Niece.

His son Billy carries on the tradition of farming The Castle like his father. John was married to Una Kirwan from the famed Raheenabrogue, Ballyroan, famous for its Football achievements in early part of the century and who died on 18<sup>th</sup> March, 1994 aged 85 years.

They had four children, John in Dublin, Billy in home place, Sr Louise in Convent of Mercy, Callan, and Ann in Dublin

In 1972 Teddy Fennelly interviewed him for his publication "Ninety Years of GAA in Laois" (see p15) as John was a great

attender at matches right up to 1972 and following he had to say *'He remembers the All Ireland day of 1915 as a 'spilling wet' and Cork were about five points ahead before Leix registered a score. They were making a laugh of us in the early stages, but I am telling you they had nothing to laugh about at the finish.*

He spoke enthusiastically of the Ballygeehan team of the period 1914 – 1918 and said 'I don't think that the team could be beaten by any club team in the country or by any top class teams which have emerged since.

Of hurling as it is played today (1972), John was to say *"the game is much faster now, with lighter balls and hurleys, as compared with those used in his playing days. Ground conditions are also very much improved and this makes it easier for the players to display their hurling ability. He also went on to say that the solo run is abused and added that players tend to "bunch" too much now, with the result that the game is less open and freeflowing.*

*When asked who he rated as the best hurler of all time? Answered – not Christy Ring, nor Mick Mackey but his neighbour and team mate Joe Phelan (Ballygeebgan House) who was wing forward on the Leix 1915 All Ireland team.*

*He admits that "Ringey" as they call him down in Cork was a stylist supreme, but Joe was "deadly" on the ball. There was no such thing as getting the ball from him once he gained possession.*

John died 31<sup>st</sup> January, 1977 age 88 years and is buried in Ballacolla to the front and beside the church.

**Tim Costigan (Ballygeehan) Born 1890 Died: December, 1978 aged 88 years – Buried in Knock**

No All Ireland Profile in Weekly Paper "Sport" published on Tim. Tim was born in Dairyhill, in 1890 and was one of seven children. His mother, Mary, and his father died young. The Costigans were a hard working family that earned a living from the land. Tim moved to Spink in 1924 aged 34, to work on the farm of a relative who also worked as a cobbler.

He married Mary Doran of Chatsworth, Clogh, Castlecomer, Co Kilkenny. They had seven children, Liam, who became parish priest in Hokitika, New Zealand, John (Spink), Daniel (Clogh, Castlecomer), Michael (New York), Paddy (Carlow), Timothy (Spink) and Philomena of Luton, Bedfordshire in England. His sons Timmy and Paddy hurled with Ballypickas.

Tim won junior and intermediate medals in 1963 and '64 and also played junior football with Laois.

Tim played in all of Ballygeehan's five senior victories 1914-1918 and their junior victory in 1913.

He was on the Leix junior team that reached the 1914 All-Ireland final.

He missed out on 1915 team but was a sub but played on the Leix senior team in 1916 when they lost their title to Wexford and again on the 1917 team beaten by Offaly.

Tim was featured in a Leinster Express article published in July 1972, along with other surviving members of the 1915 team. He also featured in an article in the Gaelic Weekly on the 18<sup>th</sup> April 1964 when he was asked of his own playing style:

*"Well I had to be tough and I was. I always hit hard but fair and accepted the same in return as part of the game."*

*And of training of the team? : "We were a country team with no other attractions but the game.*

And after a day's work in the fields it was off to the hurling field."H e always insisted on having tea around 4 pm in the afternoon and kept his hurley and togs in the horse's manger just to have it handy.

Team Captain Jack Finlay, saw to it that all turned up for practice and any absentees were expected to have a ggod excuse. Tim died in 1978, aged 88 years, and is buried in Knock cemetery.

**James Kelly Sheridan (Kilcotton) (26) came on for Paddy Champion of (Rathdowney) in 1915 All Ireland Final. No All Ireland Profile in Weekly Paper "Sport" published on James Born : 1890: Died : early 1930/31 age 40/41 years: Buried in Skierke**

**Parents** – Father James was born In Kilkenny and mother Anne Kelly of Ballyquaide now where Donal Bergin lives next to Ballyquaide Mass Pit.

He was one of six children namely, Anastasia, Richard, Mary, Elina, Bridget and himself the second eldest. It was a small holding and I remember Richard known to us all in 60's as Dick and his sister Bridget known to us all as Bridie.

I was to visit Bridie and Dick many times with my late Mother May nee Treacy who herself had come from just up the road from the Kelly homestead and we were very friendly with the family. James was a great athlete and was noted for his staying power and never gave up when things were not going with him.

He was to play a big part with Kilcotton senior hurling teams playing in finals one being a replay in 1913. He lost 4 finals in 1912, 1914, 1917, 1921 and was the winner of 6 senior medals 1913 after a replay with Rathdowney, 1919, 1920, 1923, 1924 and their senior title in 1929 being one that never took place – got a walk over from Portlaoise when they refused to play the final owing to a dispute the club had with the County board of Laois. He was a hard worker and worked with with local farmers and also helped out a bit on the home farm. He died a young man from a tragic accident. I remember locals relaying to me when I used to "courdiac" around a lot of houses in Skierke, Garron, Ballyquaide and around the parish as I was known as a bit of a rambler. I loved talking with older people. I guess from this it has now stood to me in my history researches and history productions todote.

I spoke with my uncle Rev Fr William Treacy, in Seattle USA on the phone on Sunday 1<sup>st</sup> February, 2015 just before the Super Bowl was to start with Seattle Seahawks playing New England, Patriots and he told me he was going to be watching the game.

He said he remembers meeting James in his next door neighbours house Kate Delaney's, Ballyquaide and said "he he was a very quiet man".He courdiaced a lot in this house with Kate & Johnny Delaney.

He confirmed that he died tragically from an accident in Plunkett's Quarry in Ballymeelish in early 1930/31 and was missing for a few days. He is buried in Skierke graveyard. It was so a tragic ending to such a great athlete who was noted for his staying power and being so young.

Note this is the only player which I can make out played some part in all three All Ireland campaigns – 1914 Senior & Junior and Seniors of 1915 – played round 2 game in Junior against

Kilkenny in Portlaoise on 30<sup>th</sup> August, 1914 – no sign of him for any of the rest of games in Junior campaign – shows playing on Senior in game against Wexford round 1 played in Nowlan Park on 24<sup>th</sup> May, 1914.

Then only shows as a sub on Leix team of 1915 and came on as a sub for Paddy Campion. Note on page 186/187 of my GAA history “In the Shadow of the Goalpost” is pictures of three of his medals courtesy of the late Paddy Bergin R.I.P who lived in his house and where his own son Donal now lives.

It is a pity that whoever penned the great Ballad of 1915 did not think it appropriate to mention James as playing his part in the second half when he came in for Paddy Campion and also mention the other 4 subs and have them engraved in folklore, now Paul Ryan, Callawn has rectified this – see songs chapter.

## 1915 All Ireland Final

### October Laois 6-2 – Cork 4-1

Played: 24<sup>th</sup> October in Jones Road

On Sunday October 24<sup>th</sup> the hurling final for 1915 was won by Leix after one of the grandest contests that has been witnessed in the long history of the GAA. A great exhibition of hurling was expected from the teams and the response was magnificent. The contest was witnessed by 15,000 spectators.

The morning promised fine, but there was a break a few minutes before the start was made, and it may truly be recorded that the match was played throughout in the rain. That the weather had a serious effect on the attendance there can be no doubt, for many people must have been deterred by the elements at the time when they would be likely to be on their way to Croke Park. The Cork team included 8 players who did duty for them in 1912 against Kilkenny, and the Leix team played with 7 of the hurlers who lined out against Clare the previous year. Cork had put paid to the cream of Munster on route, Tipperary in Round 1, Limerick in the Semi Final and All Ireland Champions, Clare, in the final.

Among the 15, 000 attendance was heavy weight boxing Champion, Jack Johnston, then in revue at a Dublin Music Hall, and he appeared to support the Leix men. The Leix team were first to appear, followed a couple of minutes later by the Cork team headed by the Barrack Street Brass Band. The Referee Mr William Walsh (Waterford) lost no time in getting the teams into action and the ball was thrown in at 2.54p.m.. Cork were quicker to settle down and opened the scoring with a goal by Kennedy. They were much the better team for the first 20 minutes and during this period scored 3 goals to lead 3-0 to 0-1, the Leix point scored by Joe Phelan, but a change came over the Leix team, for, after recording a goal after 21 minutes by Joe Phelan kept the pressure up and before the break recorded another goal (Phelan) and a point (Finlay) to leave the half time scoreboard reading Cork 3-0 Leix 2-2.

Play restarted at 3.37 and after 5 minutes play Hiney scored a magnificent goal. Leix were well on top with Daly and Finlay seen to great advantage. Another goal by Hiney was greeted by huge applause and cheering which could be heard miles away.

Cork came back but the Leix backs, Bob O’Keeffe, Joe Dunphy, Jack Walsh and Joe Carroll kept them well in check. The brilliant play of Tom Finlay for Leix goes much appreciated by the

spectators. Jackie Daly was again prominent for Leix on the wing and from his play the forwards put in some clever passing, which John Carroll converted into a goal, after 21 minutes of play. With John Finlay to the fore Leix continued to dominate. With one minute to go Hiney struck again for a great goal, his third, to leave Leix All Ireland Champions for 1915. Final score: Leix 6-2 Cork 4-1.

There was no broadcasting in those days and the news first reached Maryborough when it was flashed on the screen of the “Electric Cinema”. Elsewhere the people had to wait for the return of the excursion trains to get news of the victory. The Rathdowney, Kilcotton and Rapla members of the team returned that night and were wildly welcomed in Rathdowney.

### The Cork Team

**1. Barry Murphy (Clonghduv Hurling Club) – Goal minder, has been between the posts for Cork since the famous burler, Andrew Fitzgerald, retired: but he was not waiting until then for his place on the county team, for he played a tremendous game against Kilkenny in the All Ireland final of 1912. All the qualities that go to make a first class goalkeeper – a quick eye, with coolness in decision, fast with his caman, and on his feet, with a splendid stroke, with sureness of aim. He showed consistent form for his team in the County Championship, and he was a tower of strength in his place in the Cork v Tipperary and Limerick and**

Clare Munster ties. He has been prominent as a hurler for some years and no better successor to 'Andy Fitz' could be found. The manner in which he repulsed the attacks of Clare drew the admiration of the spectators, and fierce as the attacks of Limerick were in that tie, they were unable to send the ball past him.

**2. John Murphy (Sean Ode) Blackrock Hurling Club, :** has been in all the inter-county teams for Cork for the past three years, including the Croke Cup tie, Dublin v Cork at Dungarvan on March 1<sup>st</sup>, 1913, which Cork won, and he fills the responsible position of full-back, for the first time. He was with the Blackrock team that played Kilkenny in the 1912 All Ireland final, and his clever play at midfield sent his forwards attacking.

He should prove a great man in his place. He is strong and resourceful with a clever stroke. He gives the right opportunities to his goal minder, while always ready himself.

As a member of the Blackrock team, he has done his share to uphold the great reputation of his club. He first played with Sunday's Well Minors.

**3. C. Sheehan Capt (25) (Redmond Hurling Club) :** is the captain of the Redmonds H.C., whose team he steered to victory in this year's Cork County Championship, and who as captain, steered the county team to victory in the Munster Championship. That a player holding such positions should have a great record need not be mentioned:

but the captain of the Redmonds was not waiting for this year's championship distinction for he was on the Cork team that played Kilkenny in the 1912 All Ireland final. He is one of the greatest hurlers that Cork has produced for years. Chatting with him outside the field of play, he is one of those unassuming champions who does not realise his greatness. He is quick and sure in delivery and strong in defence for he plays half-back.

He is a most enthusiastic leader, and inspires his team with great confidence. He has represented Cork in all its important matches for the past five years. Last year he captained his team to victory in the Thomond Shield

tournament. His victories all along the line in this year's championships are a credit to his ability as a judge of men, as well as to his greatness as a player. He is about 25 years of age and pulls the scale at 12st 10lb

**4. William Walsh (Bowler) Sarsfields Hurling Club:** first learned his hurling from the O'Neills in that home of athletics – riverstown. He has done much to bring the Sarsfields to the front, and he is one of the best Inter-County men in Cork.

He played a great game against Kilkenny in the 1912 All Ireland final and his dashing match smashed up the Kilkenny combination on three occasions.

He has been chosen on county teams for the past six years, and is one of the most popular hurlers in Cork.

He is great in the back division but can take his turn with equal ability at midfield. He is very sure and is one of the most consistent performers on the team and a sure man to take a free.

**5. James Murphy (St Finbarr's Hurling Club) :** has great staying powers, and can acquit himself at football as well as hurling, but not with such marked ability. He has done great things for a good many years for the 'Barrs', For some reason he did not play in last year's opening ties of the Munster Championship, but he was among the select in the final, in which he distinguished himself. He played a great match this year against Clare, and his powerful play at centre-field was vastly admired. He was on the inter-county team three years ago and played with great success. Very few of his friends would readily recognise him if you mentioned him as James Murphy, and he delights in that popular name which goes with all the Murphys. He was also on the 1912 team against Kilkenny, and all of us remember his great play at centre-field.

**6. James Nagle (St. Mary's Hurling Club) :** is from that famous village in North – East Cork, Killavullen, but he has been playing with St. Mary's for the past four years and has been on all the inter-county teams

for Cork during that timer. He played a great game against Kilkenny in 1912, and his victories over his opponents in close play proved him a powerful man in his place. He is a strong, clean player who knows how to serve his forwards, and never misses an opportunity of doing so.

He was also in good form against Limerick in Thurles, and he was a giant in himself against Clare in Limerick.

**7. William Fitzgerald (Collegians Hurling Club) (24)** : is a brother to Andrew Fitzgerald, the great goal-minder. He was on the Cork Junior team that won the final of the Junior Hurling Championship of Ireland. He has been also successful as a senior player, but he suffers from the high reputation of his brother, whom the public expect him to rival.

He has a great shot at long range, and uses his weight, which has been increasing for some time with great effect.

**8. Michael Byrne (Sarsfields Hurling Club) (24)** : is another pupil of O'Neill's of Riverstown, and he has proved himself a credit and an honour to his tutors. He was on the team that played Kilkenny in the All Ireland in 1912, and all of us remember his magnificent display and his cleverness in striking when at close quarters. Some time ago someone referred to him as "the star artist of the Cork left wing" He is very fast on his legs, can pick up a ball like a flash, and deliver right or left as required with lightning rapidity. He is 24 years and has represented Cork for the last four years in all their important contests.

**9. James Halloran (St. Mary's Hurling Club)** : played on the Cork Inter-county team for the first time in this year's championship, and needless to state it was his play in the County Championship that entitled him to his place. He has been in the St. Mary's Club for the past few years, and his performances for that club were marked by consistency in form, as well as by exceptionally fine hurling.

As a forward he cannot be beaten, and it is always dangerous for his opponents when he gets possession. But his characteristic as a forward is his generosity of play, for he never tries for a monopoly in scoring, always making an opening when opportunity offers for his brother forwards. He is one of the most resourceful men on the team.

**10. Laurence Flaherty (Blackrock Hurling Club)** : may be mentioned as the veteran of the Cork team, for he was as popular seven or eight years ago as he is at present, and his play in the All Ireland final 1912, in which Cork met Kilkenny at Jones's Road, (now Croke Park) will recall him to the recollection of his many admirers of three years ago, for "All all are not gone. Blackrock having won the Cork championship that year, under his captaincy and retaining his title in inter-county team. He was captain of the team, in the final in the final against Kilkenny. He can stay the whole hour at top speed and one would imagine he was always on the ball. He is a quick striker, and with great force he send the ball a great distance.

**11. Michael Rambell (Midleton Hurling Club)** : He played in all the inter-county matches last year, for Midleton were champions of Cork, and it was not their fault if they received a walk over in the final. He played a tremendous game this year in the Cork Championship tie against Carrigrohilly, and his form in that match as well as his play on the inter-county team entitled him to his place in tomorrow's final. He showed himself to be a player of great resources in the Munster Final against Clare, and the manner in which he repulsed their attacks brought forth the applause of the spectators. He has a great delivery, and sends the ball any distance.

**12. Thomas Riordan (Redmond Hurling Club)** : Played in all the county championship matches with his team, and his record as inter-county player stands out prominently. He is a resourceful player at close quarters, and his courage knows no bounds. He is quick and strong and clever, and his hurling at Limerick in the Munster final was finished and complete.

**13. William Hyde (Collegians Hurling Club) (18)**: is only 18 years of age, Jumped into prominence in this year's Cork Championship tie, Blackrock v Collegians by his magnificent play. He was not in the opening tie of the Munster Championship against Tipperary, but his performance in the semi-final against Limerick and against Clare in the final entitled him to his place in tomorrow's team for the big final He is quick and can shoot from any angle. He learned his hurling at home on the flat lands by Ounnabwee, which Denny Lane immortalised in his Carrigdonn, and he developed it at the Seminary at Farrenferris to such an extent that he was put on the County team instead of a very good player.

**14. Florence Buckley (Redmond Hurling Club)** : was responsible for some of the goals scored by Cork in the Munster final at Limerick against Clare. He has very often represented Cork in inter-county matches, but it was his play in the county final that drew the attention of the County Selection Committee to him, and he was taken on instead of a fellow club man, another prominent Redmond player. He is new to All Ireland matches, but that does not count. He played as only a great hurler could play at Limerick and his scoring from the left wing proved him to be full of great resource.

**15. James Kennedy (Carrigrohilly Hurling Club)** : Popularly known as "Major" Kennedy. Played for Cork in 1912 All Ireland final against Kilkenny, and has been on all the inter-county teams since. His father was one of the best hurlers and bowlers in East Cork and he was also known as "Major" Kennedy. That James Jun. is a great hurler has been often proved by his own performances and a man who played in the 1912 All Ireland final and of course in inter-county ties leading up to it and to be selected again for tomorrow's final is the greatest compliment that could be paid to his outstanding ability as a hurler. He plays forward, is a powerful as he looks and has a way of his own of throwing his 14 stone weight into his charges for the net.

Leinster Final v Kilkenny played in Nowlan Park, Kilkenny on 17<sup>th</sup> July 1949 Laois 3-8 to 3-6

Adapted from Newspaper Reports

Laois recorded a famous victory by beating Kilkenny in the Leinster hurling final on a score of: Laois 3-8 (17 pts) to Kilkenny, 3-6 (15 pts).

The game was played before a crowd of 22, 000 in Nowlan Park. Kilkenny had lined out without Peter Prendergast because of injury, while Terry Leahy was also an absentee.

Kilkenny moved Jimmy Kelly to centre forward and Paddy Grace to full forward in an effort to add thrust to the attack. It was a move that did not work as Laois held tight and built up a half-time lead of 3-4 to 0-3. In the second half Kilkenny moved Paddy Grace back to his customary role in the back line and put Jimmy Kelly at mid-field. Also during the second half Kilkenny introduced the famous Terry Leahy and this was to be his last All Ireland Championship game for Kilkenny. The following Thursday he sailed for New York, where he was to give great service to New York and the Kilkenny club out there. Kilkenny had scored 3-3 in the second half as against just 4 points by Laois. The spectators were on tenter hooks and great excitement took place in the closing stages. So Laois held out, had won a famous victory, only their 3<sup>rd</sup> Leinster final and first since August 15<sup>th</sup>, 1915 when Laois beat Dublin on their way to their second All Ireland appearance in two years.

Laois: Timmy Fitzpatrick, Liam White, Jackie Bergin, Paddy McCormack, Jimmy Murray, Tom Byrne, Paddy Ruschitzko, Joe Styles, Billy Bohane, Paddy Hogan, Paddy O’Brien, Willie Dargan, Paddy Lalor, Harry Grey, Paddy Kelly.

Kilkenny: Ramie Dowling, John Keane, Pat Hayden, Mark Marknell, Jack Mulcahy, Bill Walsh, Paddy Malone Capt., Jimmy Heffernan, Dan Kennedy, Shem Downey, Jimmy Kelly, Jim Langton, Jackie Cahill, Paddy Grace, Jim Walton Referee E.Long

Death Bob O’Keeffe – Leinster Final day 17th July, 1949

Bob was Treasurer of Laois County Board at the time of his death a post he held from 1920 to his death, also he was Leinster Council Chairman from 1924 to 1935 and became President of the GAA in 1935 to 1938. He was also very much responsible in re-organising the Borris in Ossory GAA club in 1938 which was lying dominant. Bob had not travelled to Kilkenny with the Laois team as was not too well. It was very ironic that the great Bob was to slip away on the evening that Laois captured their third Leinster final (note Bob himself was involved in last two successes as a player in 1914 & 1915). A great shock and sadness spread throughout the parish and county and brought a little tint to the celebrations after the game against his native Kilkenny.

He must have been proud of the victory as after his retirement from the game he threw himself into the administration of the GAA at local, county and national level. Many fine tributes were paid to him, by Laois GAA, Leinster Council, and the GAA in general, Laois County Council.

All Ireland Semi-final 1949 Laois v Galway Croke Park August 7<sup>th</sup>

Laois 4-6 (18) Galway 3-5 (14)

Adapted from Newspaper Reports

Laois played Galway in the All Ireland Semi Final and this proved to be a close encounter but the Laois boys finished on the right side of the score line and booked their place in the All Ireland final. This was a very wet day as mentioned to me by Liam White in his interview for my publication “In the Shadow of the Goalpost”. Also at half time, Laois changed Jerseys and came out wearing Mountmellick’s set. They were of different colours and players were in their positions in the second half, but the jersey number did not relate to any position of players. Score at the interval was Laois 2-3 to Galway 1-4.

I believe Michael O’Hehir was a bit confused in the second half. All the team had different numbers on their back and did not relate to positions which they were playing in. Liam White wore No 8 jersey in the second half. There is a photo of him with this number 8 on his back in some books. Kevin Hyland was to replace Timmy Fitzpatrick in goal after he got a cramp and had to go off. Kevin’s father was who originally came from Borris in Ossory but now was living in Dublin. The stars for Laois especially in the second half were Bohane, Grey and Forde and Lalor who were just superb.

**Can Clare Defeat Leix**

“Outlooker” the well known Gaelic expert writes as under respecting the prospects for the coming final between Clare and Leix on Sunday week at Dublin.

The biggest task that could possibly beset an athletic expert would be the choosing of an All-Ireland winner in the case of the competing counties, being new to All Ireland finals.

Consequently the 1914 hurling trial presents uncommonly difficult aspects from the would be prophet’s point of view.

Here we have two counties who have only recently come to the front, and who six months ago were only classed as second raters. Who will dare to rank them as second raters any longer. A team that can beat such a county as Kilkenny (who have won out of the last ten All Ireland finals) is not a power to be trifled with.

This achievement has been put to the credit of Leix, and respect for their powers has gone up accordingly. Keeping this in view, as being perhaps the most remarkable result of the 1914 hurling season, many people might feel inclined to plump for Leix in the final. But a careful study of form will also discover something out of the common in Clare’s record. In 1913 the Tipperary hurlers gained renown as the winners of the Croke Memorial Tournament and they were the only county to inflict a defeat on Kilkenny for over three years.

But Limerick achieved a very decisive victory over the rising hopes of Tipperary in the 1914 championship, only to succumb later on in equally decisive fashion before the Banner County.

The inference is that Clare are better in 1914 than Tipperary was in 1913 – a matter which deserves serious thought. Also it will be borne in mind that one of the strongest teams Cork ever fielded also failed to stop Clare’s progress.

Here, then, is a deadlock. It is useless to say that Clare will win, or that Leix will win, because the problem is too intricate to solve on paper. Thus far, however, may one commit oneself – it

will assuredly be the finest hurling contest, and the hardest fought, that the GAA has ever seen.

The intense earnestness with which the counties have entered into training, and the scientific course of preparation which they have mapped out can only end one way. We are “in for” the very best exhibition of hurling science which has ever delighted and enthused a sporting spectatorate. Excursions trains will run to Dublin from local centres on the day of the match

### All Ireland Final 1914

*Magnificent contest at Croke Park*  
Leix v Clare Played: 18<sup>th</sup> October  
Leix 1-0 Clare 5-1

Contemporary newspapers recorded the characteristics of the opposing teams. Leix were described as “fast, clean and highly scientific with a strong flavour of dash and excellent combination” and Clare as “strong, self reliant and vigorous in the extreme”. More than 12, 000 spectators witnessed the final, on Sunday October 18<sup>th</sup>, between Queen’s County and Clare (Quin) which was the first Hurling Final played in the newly purchased Croke Park.

Having defeated Kilkenny in the Leinster Final Queen’s County were drawn against the Ulster Representatives in the Semi Final, however, that province did not enter a team and Queen’s County went directly into the final.

Clare in Munster, similar to Leix, were newcomers to the big time. A victory over Tipperary in a Thomond Cup game gave great encouragement to Clare.

After beating Kerry in the Munster Championship the team had a week’s full time training before beating Limerick 4-3 to 3-5 in the Semi Final. Cork were beaten by a point, 3-2 to 3-1, in the Munster Final, held in Thurles on August 2<sup>nd</sup> and In the All Ireland Semi Final they had a rather comfortable 6-6 to 0-0 win over the Connaught Champions, Galway. The training of both teams was very heavy. Leix made Maryborough their headquarters while Clare who were trained by Jim O’Hehir, father of the legendary Broadcaster Michael, opened their training in Quin and ended up in Lisdoonvarna.

The city was lively on the day when the contingents arrived from the special trains of the Great Southern and Midland systems. Needless to state the arrangements made for the huge crowd of spectators turned out most satisfactory. Colours were freely sported, and good humoured rivalry existed as the different parties mingled at Kingsbridge. There was a large crowd outside the grounds at 1 o’clock and when the gates were opened there was a rush for the best points of view. After that everything seemed to be routine. Gate Receipts on the day were £475.00.

Five minutes before the scheduled time of starting the Clare team made their appearance accompanied by Mr William Redmond M P. Both teams were accorded very hearty receptions and after the usual photographing process the game was set in motion by Mr L Lawlor, Kilkenny, who acted as Referee.

In the opening half Leix played towards the Clonliffe end, however, Clare were first to score and by the break were ahead 3-1 to 0-0.

On the resumption Leix got going and Jimmy Jones scored a great goal. Encouraged by this Leix went on the offensive putting pressure on the Clare defence. Leix were having the better of the exchanges and for quite a while play raged opposite the Clare posts but try as they might they could not score and repeatedly had hard luck in this respect. Despite having a man sent off towards the end the Clare defence proved impenetrable and they went on to claim the “Great Southern Challenge Cup” by 5-1 to 1-0. The original Liam McCarthy Cup only replaced the Great Southern Cup as the All-Ireland trophy in 1921. Limerick, as All-Ireland champions in 1921, were the first recipients.

**Fint Killeen (Kilcotton):**

A was a native of Ballycleary, Castletown. He was one of eight children. His father, Peter, was a Railway porter who hailed from Co. Offaly. It would seem that Fint was a bit of a wandering minstrel when it came to hurling.

He played with Leix in 1911, 1912, 1913 Championships and continued into 1914 playing in round 2 of the Leinster Championship against Dublin. Also the Leinster final against Kilkenny and had the honour of playing in All Ireland final v Clare. He was not to be part of the 1915 campaign.

He continued playing with Leix in 1918, 1921, and even in 1925 was listed in team which played Kilkenny in Tullamore on April 19<sup>th</sup> and loosing by a single point 1-3 to 1-2. From records to hand we have Fint playing in 4 County Senior Hurling finals with Kilcotton, winning two in 1919, 1920 and losing in 1914, 1917.

He also played with Rathdowney showing up on the team in 1913 in their three games to decide the title with Kilcotton coming out on top. He also played in the Senior Football final with Rathdowney in the 1913 final which played on 19<sup>th</sup> April, 1914 which was deferred. He also played with Castletown in his earlier career and finished up playing with Abbeyleix. Fint came from Cuddagh and worked on the Railway. He was known as a very tough opponent and was difficult to get by.

**William Lenihan (Kilcotton) (26) Born 1889 :**

From records to hand we have Willie playing in four senior county finals with Kilcotton winning two in 1909, 1913 and losing in 1910, 1912. He featured with Leix in the final of the Wolf Tone Memorial Tournament on the 13<sup>th</sup> August, 1916 which was won by Tipperary on a score of 5-6 to 2-3.

Eamon Jones said to me recently that he remembers him as keeping Pigeons. No other records or details could I get in my research on him.

**Jimmy Jones (Kilcotton), (36) : Rathmore area Born 1882 – Died aged just 52 years, 1934**

Parents James died in March 1918 and is buried old cemenry in Rathdowney & Jane who were born in Co Wicklow – had seven siblings – total of family = 8 -, **Edward** (24) Died 5<sup>th</sup> February, 1957 age 84 and his wife Mary died 9<sup>th</sup> December, 1966 age 93 years and both are buried in old cemenry in Rathdowney (married and had three sons in family - Frank, Jimmy, Johnny :- Frank - who died 23/5/1987, - married Nora Bowe whose parents were from Mountmellick but moved to the USA where Nora was born.

He worked in Ballybrophy Railway Station as a Signal man. I am sure he would have worked some part of his life with his brother Edwards son Frank, father to all the present Jones family.

The first listing we see Jimmy playing with Leix was in 1905 Croke Cup championship games beating Dublin in a replay in Mountrath along with his brothers, Har, Jack, and were beaten by Wexford in final on a score 3-14 to 1-11. Played again in 1906 with brothers, John, Robert, Har against Kilkenny in round 1 of Leinster championship loosing by 3-15 to 2-10 played in Mountrath. Jimmy was to be part of the Leix winning team which won the 1908/09 Croke Cup final v Kerry on 1<sup>st</sup> December 1909, played in Market Field, Limerick. His other brothers Johnny and Robert were part of the Leix Croke Team in All Ireland semi final v Galway which was played in Athlone on 30<sup>th</sup> August played at same venue with Mayo playing Kildare in a Croke championship game. They were not part of the final team.

His brother Har along with Jack Carroll, J. Roberts from Kilcotton were members of this team.

He was also part of the Leix team which played Kilkenny in 1909 Leinster final played 3<sup>rd</sup> October, in Kilkenny which they were beaten by 5-16 to 2-7. Other Kilcotton members were J.Roberts, Jack Carroll, Jimmy Jones played in all Championship games in 1914 including the All Ireland final. He was left out of the 1915 campaign.

Next time we were to find Jimmy lining out for Leix was in Leinster final of the Wolf Tone All Ireland final against Dublin which was played in very bad weather on 19<sup>th</sup> March, 1916, in Tullamore winning by 5-2 to 3-4. Leix made it to the All Ireland final of this Tournament against Tipperary, played on 13<sup>th</sup> August losing by 5-6 to 2-3 before a crowd of 7, 000. Jimmy played in goal for Leix in this final. Jimmy played with Kilcotton in 11 County finals winning 6 finals in 1904, 1905, 1909, 1913, 1919, 1920 and loosing 5 finals in 1899, 1910, 1912, 1914 and 1917.

## Pat Golden (Rathdowney) B1878 Died: Summer 1935 age 56 years

Pat was born in 1878 to Michael Golden and Brigid Darcy, one of 6 children. All left Rathdowney, apart from Pat, who remained at home where he married Anastasia Fitzpatrick, from Barney, in 1909. He was apprenticed as a blacksmith in the Darcy firm's business, however, like his father Michael before him, spent most of his working life in Perry's Brewery.

First came across Pat name on the Leix team of 1909 in Croke Cup games and playing in the final of 1908/9 final v Kerry on 1<sup>st</sup> December played in Market Field, Limerick, also playing in 1909 Leinster final against Kilkenny played in Kilkenny on 3<sup>rd</sup> October losing by 5-16 to 2-7. I was to find him playing in 1911 Leinster championship with Leix, defeated Offaly after a replay but were beaten by Wexford in Waterford on 9<sup>th</sup> July. He also shows on Leix team v Kilkenny that beat them in Leinster

championship by 6-6 to 2-4. Leix made it to the final of the Croke Cup Competition and Pat was member of the team which went down to Tipperary on 30<sup>th</sup> March 1913 by 5-3 to 3-2.

The teams were 17 aside up until 1913 when this rule changed to 15 aside as we know it today. 1913 was the last year the Croke Cup championship was played.

Pat Golden was a legendary great for Club and County in the decades around the turn of the century often called "Goulding". Indeed he was one of the men who helped establish Rathdowney as a name synonymous with the very game itself. An exceptionally talented Hurler he was one of the mainstays of the Rathdowney team winning a total of 9 Senior Championships including a famous 5 in a row from 1898 to 1903. His other Titles were won in 1907, 1908, 1911 and 1912. Equally proficient with the big ball he was part of the Rathdowney team that contested 3 County Senior Football Finals in 1907, 1909 and 1913, albeit unsuccessfully. He did, however, have a measure of success as part of the Rathdowney "Middle Grade" Championship winning team of 1912.

For over a decade he was an automatic choice on the Laois team.

The highlight no doubt was winning the Leinster Title in 1914 and an appearance in the All Ireland Final.

In 1909 he was a member of the Laois team that won the County's first National Title, the Croke Cup, defeating Kerry in the Final.

At the time, the Croke Cup was a keenly competitive and highly sought after competition, second only in importance to the All Ireland Championship itself.

Pat, would most certainly have got his All Ireland medal the following year in 1915, but for one event, the outbreak of World War 1. Along with many other Rathdowney lads they all went on the adventure of a lifetime which wasn't long turning into a nightmare. The financial security it offered for his family, no doubt, being the motivating factor. After the war Pat continued to play some hurling and to work in the Brewery. Pat and Anastasia had 5 children, Christine who sadly died from the terrible flu of 1917, Brigid and Phyllis who went to the land of the Stars and Stripes, Ida who sadly died, aged 7, in 1924 and it was understandable that Mick should inherit his Father's love and passion for the game. As a strapping young lad of 17 he was picked as a sub on the Rathdowney team that won the inaugural Feis Shield in 1930. He followed this up with Championship winning medals in 1931, 1936 and then in 1941 had the honour of captaining the side. During this period he was an ever present on the Laois team. After the War he decided to move to England where he became one of the driving forces behind the formation of the Laoismen's Association in London. Yes – a chip off the old block.

Pat's life was not without tragedy, his beloved Anastasia being only 43 and in the prime of life when her calling came. Pat was left to raise his young family. Pat was only 56 when he died in the summer of 1935. He had led a full life and instilled in his children his ideals and standards which they retained and practiced all their lives.

## Tom Higgins (Clonaslee) : Born 1880

Tom Higgins lived on a farm in Brockagh, Clonaslee. He was 34 years old when he played in the All-Ireland Final of 1914 and was coming to the end of an illustrious career for both club and county.

Played with Clonaslee Senior Hurling Team in 4 County Finals winning one in 1910 v Kilcotton score 3-2 to 3-1 and loosing in three Finals: 1908 v Rathdowney no record of final score, 1909 v Kilcotton – losing by 2-11 to 4-4 and in 1911 suffered a heavy defeat from Rathdowney – score 7-1 to 0-0.

Tom was part of Leix winning team which won the Croke Cup final on 1<sup>st</sup> December, 1909 and was part of Leix Team which played Kilkenny in Leinster final losing by 5-16 to 2-7 played on 3<sup>rd</sup> October. He also played in 1912 Croke final which was played on 30<sup>th</sup> March, 1913 in Portlaoise which Tipperary won by 5-3 to 3-2. Leix also qualified for Leinster final 1912 which they played Kilkenny on 15<sup>th</sup> September in Portlaoise losing by 6-6 to 2-4, which Tom was part of the Leix team. Tom played in all Leix games in the 1914 Senior Hurling campaign making it all the way to the All Ireland final. Like many others he was not involved with the 1915 campaign.

**Richard “Dick “ O’Reilly (Kilcotton) (24) :** Main St Borris in Ossory, (Area 91/16) Born 1891.

He was better known as “Dick” and played in all games of Leinster championship of 1914 but was dropped for the All Ireland final when his neighbour Tim Hyland got the number one spot. An explanation for loss of the No 1 shirt can be found in the Higgins Collection, where in a letter dated the 22<sup>nd</sup> of September, 1914, Bob O’Keeffe, writes to John J. Higgins, a county official at the time. It is he tells him how, “O’Reilly is awaiting instructions to arrange for a man.” This of course refers to the possibility of O’Reilly, who was a baker by trade, being able to engage a replacement worker with the help of the 1914 Training Fund so that he could participate in the collective training in Portlaoise. No more is heard of O’Reilly until another letter appears, this one from Richard himself to Higgins, dated 3<sup>rd</sup> April, 1915 in which he confirms that has received £2 from the Training Fund and expresses gratitude for same and adds.

“I am going on well thank God, and expect to be able to guard the sticks again before another twelve months passes”. This appears to indicate that some misfortune befell him, be it illness or injury and so prevented him from taking his place on the 1914 All-Ireland final team.

He also was dropped from the panel for the 1915 campaign. He was part of 3 Senior County Finals with Kilcotton winning one in 1913 and losing two in 1914, 1917. He might have been involved in others but cannot record as fact as no details to hand. In 1901 census his mother was named as Anne (49) Domestic Cook – no name of his father. His siblings as follows, Fannie (16) Scholar, John (14), Scholar, Lizzie (12) Scholar, Annie the youngest (2). Dick was the second youngest of the family.

He was also the subject of an objection referred to in an earlier chapter, when Rathdowney failed in their bid to have the result of the 1913 senior final against Kilcotton overturned.

**Jack Comerford (Kilcotton) (35) B 1879 Died on 27<sup>th</sup> January, 1957 aged 78 years – Buried in Knockaroo**

First showed in 1906 championship team v Kilkenny played 4/3/06 in Mountrath and were beaten by 3-15 to 2-10. He next outing with Leix was in 1914 in round 1 of the Leinster Championship playing against Wexford on 24<sup>th</sup> May, 1914.

He was not involved in any other games of the championship and was not involved in the 1915 campaign. Jack played in a total of 10 Senior Hurling championship finals with Kilcotton winning 5 in 1904, 1905, 1906, 1909, 1913 and 4 losing finals, 1899, 1910, 1912, 1914.

There are links with Comerford & Jack Carroll family, Grace Abbott

(sister of Sara) married in 1875 to Michael Comerford and they had 4 sons:- Jack was born in Kylelilig and was later to move to Grange, Bushfield Lane, Patrick or Paddy as known who went to Dublin to work in Guinness, – he met and married Dora Dwyer of Nenagh and their son was Dublin Mick who married Mai Carroll – other family members were Grace, Rita and sister Maisy or Mary who meet and married John ‘Gus’ Fitzpatrick.

Patrick died in April, 1941, aged 67 years, Michael who emigrated with Jim Carroll (brother of Jack’s not the hurler), and settled in New Jersey.

Tommy known as the “Nipper” never married and lived in Derryvorigan, and died on 26<sup>th</sup> January, 1956 aged 74 years. Sisters were Mazie who married Jack (Gus) Fitzpatrick, and 2 other sisters Grace and Rita who went to live in Dublin and married there. Jack himself married local girl Lizzie Clancy of Knockaroo, Family were Sons: - Paddy, Mick, Daughters, Grace, Mary. Jack was a farmer and a part time builder. His wife died on 16<sup>th</sup> July, 1977 aged 77 years.

**Thomas Jones (Kilcotton) (31) Born 1884 Died 1960’s** Parents James & Jane who were born in Co Wicklow – had seven siblings- total of 8 in family - See Jimmy’s summary above re family.

On the 1901 census Thomas showed as a 17 years Scholar and Played with Kilcotton in seven county finals winning four finals in 1909, 1913, 1919, 1920 and losing in 1910, 1911, 1915. Thomas only played in round 1 of the Leinster championship against Wexford in 1914, and was not included on the team in any of the remaining games and was to be one of the subs. There has been nearly always a Jones descendant of all these families on a Laois team in all decades’s right up to date. Thomas worked in Railway store in Ballybrophy and talking with Eamonn Jones of Roscrea on 17/9/2015 one of his Grand Nephews said he remembers him well and he worked the full term to pension age and retired to his homestead in Rathmore where he lived with his brother Jimmy a signal man in Ballybrophy and their young sister Janie. The homestead was up a small lane in Rathmore which was attached to a small holding which the brothers worked in their spare time. All lived to big ages and Eamon Jones thinks it was in the 1960’s when they died and is not known where they were buried. It was a noted house for courdiacing and many people would ramble in for the night and one of the noted was the great Leix, Kilcotton and later Errill Gael

Paddy Drennan who lived at Railway Bridge outside Killasmeestia and whose came across the field to Jones house. I am sure there were some good stories related here over time. Jimmy also retired from the railway in Ballybrophy having served his full term and retired to Rathmore.

**William ‘Bill’ Lalor (Kilcotton) (24) Sentry Hill Area 91/13 Born 1891 : Died 23<sup>rd</sup> October, 1972 age 81 years**

**No Pic on Files PSNI Museum**

As per 1901 Census his father name was Denis who was a herdsman and mother Norah, He had three brothers Patrick (28) Farm Labourer, James or Jim as he was known (24), Farm Labourer, Catherine (18) Housekeeper, Daniel (14) Scholar as per census 1901.

A younger sister was born later Maggie. Maggie & Jim were to live together in a small cottage on grounds where Tom Sinnott is in Ballytarsna – actually Tom bought house and plot of land. Bill was the youngest of the family.

His brother Dan was the great character who used to ring the Chapel Bell in Borris in Ossory and who married Nan Kennedy from top Ballyquaid Lane sister of Tom & Jack. He was father to Dinny who now lives in

Main St Borris in Ossory and married to Teresa nee Thompson., next was Bill who went to UK, Paddy a great Hurler with Borrisin Ossory in 1950/1960's before he went to UK, Jimmy "Lolly" Lalor goalkeeper with our Borris Team of 1972 which won the Senior Hurling Final and Bernie - all have died and Dinny is still living in Borrisin Ossory with Teresa and both do great work looking after the Church like his father and mother did. Dinny is a nephew of Billy, and was a great help with sorting out things about Bill the Leix hurler.

William played with Leix in 1914 championship in round 2 against Dublin and Leinster final against Kilkenny.

He did not play in the All Ireland final against Clare as he had given up his job as a caretaker and joined the R.I.C. (Royal Irish Constabulary) in Belfast and at this time he was not allowed back home and also there was the security issue to him.

We again find the answer in the 'Higgins Archive', where in a letter dated 8<sup>th</sup> September, 1914, Bob O'Keeffe once more writes to Higgins. In it, the fate of Lalor is discussed.

"I have just heard Lalor is going up to the Depot next Thursday, and if we could get him out immediately on being passed for the weeks between now and the match (All Ireland final) everything would be right" He further added, "I know very little about Police business so if you think it can be managed in anyway act as you think best. His loss would be great as the Clare man on that side is a great scorer".

It was never to come to pass that he would return home for the final and according to Dinny his nephew never did. *He was also not considered for the panel for 1915 campaign.*

Following received from curator Hugh Forrester at [museum@psni.police.uk](mailto:museum@psni.police.uk) re Bill's service record: He was appointed to the RUC on 24.10.1922 and served in Belfast until retirement on 9.2.1953.

He received a 3rd class favourable record on 25.10.1927, was awarded the King George VI Coronation Medal on 12.5.1937 and the Police Long Service and Good Conduct Medal in 1951. He was married on 28.4.1936 and his wife is given as Mrs Catherine Lalor from Co Antrim. He died on 23.10.1972 age 81 years.

*He played in 4 senior hurling finals with Kilkotton, winning one in 1913 and losing 3 in 1910, 1912, 1914 His hurling career was to fade in Leix after this. Not much is known about his sporting career thereafter.*

*Dinny said that Christy O'Brien met him once when he was in Casement Park with Laois when playing Antrim and Bill came to the games and they meet up afterwards. Dinny said Bill was married and had one son which he knew of and who was also in the RUC. Any other family members he had no details of.*

The R.I.C had been formed in Northern Ireland in 1814 and were disbanded in 1921. In 1922 they were replaced by the R.U.C (Royal Ulster Constabulary) Northern Ireland. No information was to hand re Bill policing career in Northern Ireland from 1914 – 24<sup>th</sup> October, 1922 when appointed to the R.U.C.

## Henry or Har (as he was known) Jones (Kilcotton) (33) Born 1881 : Died pre 1950 ?

Parents James & Jane who were born in Co Wicklow – had seven siblings Played with Kilcotton in 7 senior county finals – winning 4 in 1904, 1905, 1906, 1909, and losing in 3 finals, 1899, 1910, 1912

Har played with Leix in 1905, 1906, 1911, in

Leinster championships. Har along with his brother Jimmy, and with team mates from Kilcotton.

Jack Carroll, A. Roberts, were part of the Leix successful winning team which won the 1908/9 Croke Cup final beating Kerry by 3-11 to 3-7 on 1/12/09 played at Market Field, Limerick, which was regarded as the time next to the All Ireland final. This Tournament was followed by the Wolf Tone All Ireland Tournament on an open draw basis as another well supported one.

In 1911 Leinster Championship for game against Waterford which was played in Waterford and Har along with team mates Jack Carroll, Jim Carroll were the only Kilcotton players on the team.

Next time we are to see Har involved on the Leix team was coming into the team for the 1914 All Ireland final v Clare which they were beaten. – see picture.

Eamon Jones could not remember Har or Henry and thinks he must have died pre 1950's and no details as of now where he is buried.

**Tipperary Panel**

**Anthony (Tony) Reddan:** Lorrha, age 27, height 5ft 11ins, weight 12st 8lb. A worthy successor to diminutive Jimmy Maher in goal, He has the same eagle eye and charging forwards do not perturb him

**Michael Byrne:** Thurles Sarsfield, age 25, height 5ft 8ins wqeight, 11st. Though not over robust as defenders go, Byrne is able to hold his own with the best. Was sub on Tipperary's winning team of 1945 and has appeared regularly with the side since.

**Anthony Brennan :** Clonoulty, age 33, height 6ft 1ins, weight 13st 6lb. Antthony gave good service to Galway and the Western Command during his time in the Army, and at full back played a big part in his native county's victories over Cork, Clare and Limerick this year.

**John Doyle:** Holycross, age 19, weight 12st 4lb, height 6ft. This hefty "baby" of the team is regarded by many as the surest defender to come to the front in recent years in the county.

**Pat Stakelum:** Holycross, age 22, height 5ft 9ins, weight 12st, A midfielder or half back. Pat is worth his place on any team. Is captain of Tipperary and Holycross, who lost their county title to Borrisoleigh recently.

**Flor Coffey:** Boherlahan, age 29, height 6ft, weight 13st. From the famed Boherlahan nurse. Flor is a defender who has seen much service with the county team and will be no stranger to Croke Park, where he helped to win the 1945 from Kilkenny.

**Tommy Doyle:** Thurles Sarsfields, age 30, height 5ft 9ins, weight 12st 7lb. Tommy a back or forward as the occasion arises, is a man who needs no introduction. Has won every honour the game can offer, including a 1937 and 1945 All Ireland.

**Sean Kenny:** Borrisoleigh, age 24, height 5ft 11ins. Weight 13st 2lb. Has everything it takes to make s top rank midfielder.

**Phil Shanahan:** Toomevara, age 24, height 6ft, weight 12st 7lb, Phil a midfielder, was star of Tipp's 1945 minor team and during the present campaign played a big part in the defeat of Limerick, after he had lapsed in the first game against Cork.

**Tommy Ryan:** Thurles Sarsfields, age 23, height 5ft 8ins, weight 10st 8lb, Brought on as a sub against Cork, Tommy retained his place on the side against Limerick. A sub on the 1945 team, he is one of the best marksmen in the game.

**Mick Ryan:** Dicksboro, age 24, height 5ft 4ins, weight 12st, Mick a native of Roscrea, was originally a midfielder, but has proved himself a centre forward of real merit since taking over that position

**Jimmy Kennedy:** U.C.D. age 22, height 5ft 11ins, weight 11st 7lb, Was with Dublin last year when they lost in the final to Waterford. The hero of Tipperary now and the deadliest forward playing.

**Sonny Maher:** Boherlahan, age 27, height 6ft, weight 13st. It is a welcome relief for Tipp supporters that "Sonn" is again on active service. His dashing tactics at full forward can be a problem to any full back.

**Seamus Bannon:** St. Mary's Nenagh, age 25, height 5ft 11ins, weight 12st. A forward, who can play with equal effect in either line of the attack. Seamus has speed in plenty.

**P. Furlong:** Knockavilla, age 26, height 5ft 11ins, weight 13st. A comparative newcomer, but has a grand clearance and the happy knack of keeping centre forwards subdued.

**Paddy Kenny:** Borris oleigh, age 20, height 5ft 9ins, weight 11st. Brother of Sean, another former minor star. Not a regular member of the side, but a grand reserve to have in a selection.

**Bob Stakelum:** Holycross, age 26, height 5ft 9ins, weight 12st. Another player who made his name as a minor and has played some fine games in the forward line in the present campaign.

**E. Gorman:** Holycross, age 27, height 5ft 11ins, weight 12st 9lb. A brother of the famous 'Dinny', who during his term on the Tipperary team, was one of the best defenders in the line out.

**Jim Devitt:** Cashel Kilcormacs, age 27, height 5ft 10ins, weight 10st 6lb. A polished player, Jim has showed somewhat since he assisted Tipperary to win in 1945, when he was one of the "big" men against Kilkenny]

**All Ireland Final 1949**

**1949 v Tipperary 3-11 to 0-3 in Croke Park on 4<sup>th</sup> September**

Tipperary beat Limerick in the Munster final by 1-16 to Limerick 2-10. In the All Ireland semi-final they beat Antrim in Croke Park by 6-18 to 1-4. Laois went up more in antispation and hope and to give it their best shot as Tipperary were really strong favourites. Laois had some very classy and outstanding players in their side namely, Liam White, Paddy O'Brien, Dinny Forde, Paddy Lalor, Jackie Bergin and Tom Byrne and not forgetting that goalminder of a master in Timmy Fitzpatrick. On the day nothing went right for the Laoisemen and the star of the final was to be Timmy Fitzpatrick of Laois who gave a massive display. One of the headings on the daily newspaper the following day was "Timmie Fitzpatrick v Tipperary"

In the end Laois took a big defeat and Tipoperary were crowned All Ireland champions by 3-11 (20 Pts) to 0-3. A total of 67, 168 were in attendance at the final which was a huge one for those days.

## Oireachtas Hurling Finals (0)

### Defeated Oireachtas Senior Hurling Final (1) 1949

#### 1949 Tipperary 2-8, Laois 1-6

Played: in Croke Park 16<sup>th</sup> October

A big crowd at Croke Park saw Laois hurlers go a long way to wipe out the memory of the All Ireland final, and put a great display against the champions. Laois were some what unlucky to be defeated by a margin of five points after been only in arrears by one at half time.

The game was good to watch and the spectators got good value for their money, and remained to the very lasy puck of a match that was marked by close and keen tackling rather than brilliant passages. Paddy McCormack was unable to play as got injured in the semi-final v Cork. The backs were in great form for Laois and seldom made an error against a hard pushing Tipperary forward line. Timmy Fitzpatrick played his usual great game and the one which was flagged against him was only inches away.

Also in the second half Timmy who was after saving some rasps and was having a great game and had to go off with an injured hand. He was replaced by Kevin Hyland sub goalie who played hurling in Dublin and his fater Colm (brother to Christy

O'Brien's Mother Isobella) was originally was from Borris in Ossory. He was to continue to be understudy to Timmy into the 1950's. Laois also lost Peter Fitzpatrick and was replaced by Joe Hanrahan.

Tipperary were allowed a controversial goal when a Tipperary Tipperary forward was definitely in the square and standing shoulder to shoulder with Krevin Hyland, goalie. Paddy Lalor had a great goal chance saved by Tony Reddin near the end and Laois missed two free chances. It was a great showing for Laois and a bit of Lady luck could have won their first Oireachtas title.

**Laois Team:** Timmie Fitzpatrick, Liam White, Jackie Bergin, Arty Ring, Jimmy Murray, Tom Byrne, Paddy Hogan, Billy Bohane, Joe Styles, Dinny Cranny, Andy Dunne, Peter Fitzpatrick, Paddy Lalor, Harry Grey, Paddy Kelly, **Subs:** Kevin Hyland for Timmy Fitzpatrick, Joe Hanrahan for Peter Fitzpatrick **Rest Panel:** Paddy Maher (Rovers), Dinny Forde, Billy Dargan

Small report in The Nationalist & Leinster Times 5<sup>th</sup> September, 1914

On Sunday last two interesting matches in connection with the Leinster Championship were decided at Matyborough when Kilkenny and Leix met in hurling and Kildare and Kilkenny in the semi-final tie. Despite the unsavoury weather which prevailed, there was a good attendance of spectators, Kilkenny and Kildare being accompanied by a fine crowd of supporters. The greatest interest was manifested in the contests, especially

in the hurling game, which proved an exciting affair.

The hurling which took place first, was keenlycontested throughout, both sides striving hard for supremacy. Leix were the better hurlers, and not withstanding the excellent defence of Kilkenny they scored two goals and two points in the first half as against two points for their opponents. On change of sides, Kilkenny set set to work determinedly, some fine play taking place.

Leix made several dangerous incursions on the opposite goal but were repulsed. Late in the second halfthey started goal getting, and running up their scores to 4 goals and 3 points, they beat Kilkenny, whose total score was 1-4. In the last stages of the game Kilkenny made a gallant show, but they were overwhelmed by Leix who were the superior team.

**Leix Team:** Jack Finlay, John Phelan (Ballygeehan House), Tim Costigan (Ballygeehan), Paddy Ryan (Ballygeehan) Joe Phelan (**Ballygeehan**), John Phelan (Castleman) Jack Walsh (Ballygeehan), Jack Loughman (Ballacolla), **M. **All Ireland Semi-Final 1914 in Croke Park**

**Played on 17<sup>th</sup> January 1915**

**Leix 7-3 Monaghan 1-0**

*Small Report Irish Independent Monday 18<sup>th</sup> Jan, 1914*

Monaghan led off with a sharp attack, which resulted in Keogh scoring a goal, Clifford soon afterwards shot wide of the Monaghan posts. Leix kept up the pressure, and a drive by Sheppard enabled Drennan to shoot a goal, and another point was addedto the Leix score, giving them the lead. A Monaghan attack which followed some midfield play was easily checked by the Leix backs, and Byrne increased the Leinster team’s lead by a point.

Before the interval a pass by that player was taken by Sheppard, who scored a goal, and Leix held a lead of 2-2 to 1-0 at half time. Soon after the restart it was evident Leix were going to have an easy win, as Begadon, and Byrne added a point each, and Loughman a goal. Monaghan's forwards were no match for the Leix backs.

A "70" to the Northerners was cleared by Carroll, and Beagdon registered a goal to complete the Leix score.

## All Ireland Junior Hurling Finalist Teams (1) 1914

**Played: 25<sup>th</sup> April, 1915 – Leix 1-1, Clare 6-5 in Croke Park**

*Match Report in Irish Independent Monday 25<sup>th</sup> April, 1915*

*The breeze was behind Leix, who threw away two good chances early. A "70" to Clare having been finely cleared by Carroll, Quinn shot a point for them. Leix were then awarded a "70", and Walsh placed to Loughman, who shot a goal, The Leinster team tried hard to increase their lead, but the Clare defence proved sound. From a free to Clare, Crowe sent to Lucid, and the latter drove under the Leix crossbar, Clare taking the lead. Another free to the Connaught (should be Munster?) representatives were splendidly placed amongst the forwards, who between them rushed through a second goal. A rush by Leix ended with Jack Loughman shooting wide.*

*The Leix forwards displayed weak finishing powers, but Clare, whose attack was fine, increased their lead by a point, shot by Harrison.*

*The feature of the subsequent play was Mick Carroll's fine goal keeping for Leix, who at half time were in arrears of a goal and two points, the score being 2-2 to 1-0.*

### Clare Easy Winners:

*Soon after the restart Dan Minogue scored a great goal for Clare, and within a few minutes Hannon again sent the ball to the Leix net. Mick Carroll the Leix custodian, kept out many shots before these scores were registered. An attack by Leix brought nothing, Tommy Daly sending well down. Ted Lucid shot Clare's fifth goal soon afterwards.*

*Clare were very solid in their defence, and Leix attacked for a few minutes without scoring. So far, indeed, Clare had fully demonstrated their superiority in all phases of the game. A point and a goal was added to their account. Loughman being responsible for the major score, and having the better of matters to the end.*

*They won well on the score – Clare 6-5 to Leix 1-1*

### Leinster Final 1940

Played: 21<sup>st</sup> July 1940 in Nowlan Park

### Laois 3-3 Dublin 10-5

In the Leinster Final at Nowlan Park, Kilkenny on Sunday July 21<sup>st</sup> Laoighis went down to Dublin by 10-5 to 3-3, however, the matter did not rest there as Laoighis objected on the basis Dublin had overage players.

The Leinster Council ruled in favour of Laoighis and overruled a counter objection against two of the Laoighis players. The two Laois players had not their births registered but the Laois County Board did the next best thing in producing the two Baptism Certificates for the two players objected to by Dublin and from this it was certain that both players were under age.

The Leinster Council accepted the evidence and ruled out the objection by Dublin. Dublin appealed to the Central Council but they upheld the provincial body's decision in awarding Laoighis the title.

**All Ireland Minor Hurling Semi final V Galway**

Played in Roscrea on 14<sup>th</sup> September 1941

**Galway 5-1 (16) Laois 4-3 (15)**

Laois were winning by two points when Nestor a Galway forward was fouled and from the resultant free taken by Gabriel McNamee the ball was slammed to the back of the net and Galway just about held on to qualify to play Cork on September 28<sup>th</sup> in the All Ireland final.

Two players were sent to the line during the game – one from each side and this was to effect Laois more than Galway as Joe Treacy remembers so well.

**Interview with Joseph Treacy, Ballyquaide,  
Borris in Ossory 24th January, 2015  
Died 7th April, 2019 aged 94**

One of the remaining members of the Laois successful Leinster final Minor Hurling Teams of 1940 & 1941 by his nephew John Phelan.

Joseph Treacy is now in his 92<sup>nd</sup> year which he reached on 12<sup>th</sup> July, 2015 (born 1923). Joseph died on 7th April 2017.

Son of the late John & Mary Treacy and he had two brothers, Fr William who is in his 96<sup>th</sup> year (Born 31<sup>st</sup> May 1919, (same day as my son Finnan and exactly 80 years apart) and still an active Priest in Seattle USA. Sean or Jack as he was known was born on 4<sup>th</sup> October, 1920 and died on 24<sup>th</sup> February, 1986 aged 66 yrs.

May, sister born on 6<sup>th</sup> January, 1922 and died in Lourdes on 5<sup>th</sup> October, 1985 (my Mother) aged just 63 yrs. After the finish of his Primary education in Kildadooley, Killasmeestia Joe went to College in Ballyfin 1937-1942. Joe was a very strong, athletic person and played all games especially Hurling & Football at college.

He was one of the stars in Ballyfin College at this time and in 1942 St.Kieran's College were going for 6 in a row Leinster final titles when Ballyfin met then in the semi-final and succeeded in beating them by 6-4 to 4-2 on December, 7<sup>th</sup>.

On the St Kieran's team was the great Liam White of Borris in Ossory who was to be a team mate of Joe's on the minor teams in Laois. In the Leinster final Ballyfin secured a rare title by beating Marino, Dublin by 1-2 to 1-0. One of his team mates on the Ballyfin team was the great Jackie Bergin of Abbeyleix a team mate on Laois Minors in 1940.

During this time in 1939/40 Joe was to come to the attention of the Laois selectors/mentors and was called up to the panel. Joe played with Borris in Ossory and while his brothers, William and Sean, played with Kilcotton, Joe only did so briefly in 1950, during the amalgamation period. Joe was also part of the Borris in Ossory team which played Cuddagh in its first final minor appearance at this grade but were unsuccessful and were beaten by 4-5 to 1-5 played on 11th May, 1942.

**Borris in Ossory Team 1-5:** Michael Guerin, Jimmy Williams, Amy Bergin, Dan Sweeney, Joe Loughman, Paddy O'Brien, Dan Moore, Joe Treacy, Michael Loughman, Michael Kilmartin, Liam Lenihan, Tom Wall, Jimmy Daly, Paddy Maher, Liam White.

Training with Laois took place mostly in Ballyfin College and they were collected by cars when going to games and he looked forward to the trips.

He knew a lot of the panel from college and others from his local parish and others he had played against. He said they were a great bunch to be involved with especially in those days when past times were so few and far between and games and training was so much looked forward to. It was a great outlet and gave you something to look forward to especially since we started a winning streak and all had confidence in one another.

Joe was on the team that played both Meath and Dublin in Leinster final playing good games in both in 1940. In the All Ireland semi-final against Antrim played in Croke Park on

August 4<sup>th</sup> Laois lost out, rather unluckily, to Antrim by 5-3 (18) to 4-5 (17) by a single point. S.Mulholland was the star of this Antrim team and he got in with vital scores for them sometimes against the run of play. In the All Ireland final Antrim were beaten by Limerick on a score of 6-4 to 2-4. We could not find the actual Laois team which lined out against Antrim but we know that there were at least six changes on the Laois team to that of the Leinster final. No team listings have been published.

I got two of the changes but could not make out the other four. Joe said he did not start on the team or did he come on as a sub. Joe maintains that something went wrong with this team and the changes were not to the betterment of the team. Note this is 70 years later when we are talking about the games but he was good with a lot of the facts. He said that Laois could have won this game if correct decisions were made – another chance to get into an All Ireland had passed. The only Christian Names we could not get was that of **M. Conroy (Portlaoise)** on the 1940 Panel and the jury is still out on this – I am sure that when somebody reads this they will know the answer.

In 1941 many of the same players were still together and a campaign was started to try and get into the Leinster final was got into action. In round 1 of the MHC was against Dublin - Laois beat Dublin in Leinster semi-final on a score of 4-6 to 4-4 in Kilkenny on 20<sup>th</sup> July with Joe coming in as a sub. Laois qualified for the Leinster final against Kilkenny. Around the time of Leinster Final in July, a Foot & Mouth outbreak had taken place in some areas and there were some lock downs. Kilkenny were one such county in lock down and so the GAA made the decision to nominate Laois as Leinster representatives to go forward to play Galway in the All Ireland semi final to be played in Roscrea. See Chapter 8 re team details.

Laois had some new and great players in Phonsie Campion Errill, the great Jackie Bergin of Abbeyleix who Joe said was teak tough and when you marked him you knew about it.

He had a few battles with him and said he was not giving in to him and more than held his own with him. Other members were Paddy Kelly (played minor with Cuddagh but from Abbeyleix and also Liam White from Borris and along with Jackie were part of Laois SHC team that played in the 1949 senior All Ireland final.

Talking to Joe on this issue I got the sense that if he was playing senior with Kilcotton that he would have made the Laois senior panel of 1949 but he choose to stay with a new Junior Team founded in his parish called Eire Óg (Ballybrophy) in the early 40s under chairman Edward Guerin N.T., and he was made their captain. Mick Loughman who was on Laois 1941 MHC team from Killasmeestia was also on this team. In 1948, at the AGM, Eire Óg joined with Killasmeestia and were known as Eire Óg/Killasmeestia and were to hold their own and took many a scalp and most noted in 1948 made it to the semi-final where they came up against Shanahoe and were beaten after a struggle. Shanahoe were to go and win the final after 3 epic battles with Clonad. Colours of Eire Óg were Green with Red Band over the shoulder and across the waist. Trainer was Paddy Sweeney. 1948 team was: Pat Fitzpatrick (Tullaccommon), Jack Treacy, Eddie Moynan, George Hanrahan, Kieran Hogan, Paddy Shiels, Bill Kirwan, Joseph Treacy Capt, Liam 'Chum' Brophy, Michael Loughman, Joe Delaney (lived in Casheh afterwards), Patsy McKelvey, Connie Lenihan, Tom Wall, Amy Bergin Subs: Andy Ryan (Garryduff), John Kirwan, Fr Mark

Kirwan, Others to hand. Another noted player was Fran Dollard playing for Cuddagh club. In the All Ireland MHC semi final with just a few minutes to go Laois were winning by two points when Nestor a Galway forward was fouled and from the resultant free taken by G. McNamee, the ball was slammed to the back of the net and Galway just about held on to qualify to play Cork on September 28<sup>th</sup> in the All Ireland final. Pity there is no team photo as there is one for Galway - see previous page.

Two players were sent to the line during the game – one from each side and this was to affect Laois more than Galway. Joe said this was another game which got away and another chance to get into an All Ireland final. But all was not lost as the Leinster final was still not settled and Kilkenny were waiting in the long grass but the Laois boys kept up their training and when the lock down was lifted the game went ahead on 16<sup>th</sup> November, 1941 in Nowlan Park. Laois more than held their own in this game and always kept ahead of the stripy men and ran out deserving winners by 3-5 to 2-4. Joe himself came on during this game.

Laois had won two Leinster Minor Hurling Titles and little was made of these achievements and it was not until 1964 when Billy Phelan of Abbeyleix led a Laois Minor Hurling team up the steps to receive the Leinster Trophy again. For me it was such torture to get the teams and then work on Christian names for these teams but it was great to get the help from Joe and a few other great gaels around. Now it is completed and let us not forget their achievements.

I think Laois should highlight these players and make a mark re same to all up coming minor hurlers and see how they were able to achieve so much in a time when travel etc were of a different period and since 1964 no MHC Leinster Title has come to the O'Moore County. When you look at my summary overall on minors since 1884 you see minors winning Leinster Hurling Finals: as only (4) 1934, 1940, 1941, 1964.

We must not forget another member of the 1941 MHC Laois Team, Paddy McCormack of Rathdowney who is still hail and hearty and is the only remaining member of 1941. Paddy O'Brien (Borris) and Joe were the only two that were on the two teams – I have his two Leinster medals also his Colleges and Murphy Medals won with Borris which I was so glad to get from Joe which he sent to me from the UK where he was working by parcel post and I will treasure these.

Joe after Ballyfin College worked in the local Creamery in Donaghmore for a good number of years of which his late father John had been part of the Committee who opened this Creamery up in 1927 and steered it in the early stages. After this he came home to Ballyquaide and looked after his late Mother. In 1964 decided to leave for London looking for work. I remember the day well when he called to our house and met my parents and the family before he set off. Two years later his mother, Mary, passed away on the 18th April, 1966, actually the day I went back to St.Kieran's College after the Easter break and Joe was home on holidays at the time. He worked in a Motor Company in the insurance conveyance section. After retiring from this he took up Security work and in April, 2014 was to come home to Mount Carmel Nursing Home, in Roscrea where he remained until his death in April.

Joe never let you know about his achievements and I was only to find out in my research work with my other publications. I am glad we found this out and enjoyed talking to him about his hurling life and in his times in London.

That is what is wrong about not recording and keeping records up to date each year in detail and have all the facts in tact for future generations. This is why I took on the project and hopefully we will learn re records going forwards and not be relying on **hearsay** which can be dangerous and be responsible for incorrect facts becoming part of lore.

**Coaching in 1970 at Gormanstown**

Laois took a decision and sent a number of Officials and players to Gormanstown for a full in house coaching week and at the end a examination took place. When you passed this a Certificate was extended. It was a really well run and organised event and one which is one of a great highlight in my sporting career. Note in 1970 I was just after doing my leaving Certificate in St.Kieran's College and this was a great week to look forward to. There were so many inter county players & officials from all over Ireland.

**Coaches**

Our hurling coaches were **Des Ferguson (Dublin), John Hanley (Clarecastle & Clare)**, (I was to transfer to Kilrush Shamrocks and play senior Football & being a hurler in an isolated football area I was able to play Junior Hurling with Ballyhea and also Senior with Clarecastle in 1975 legally (with John Hanley as Manager).John Hanley also has the distinction of playing in the Laois 1951 Senior Hurling final lining out for Rover's, Portlaoise in which Kyle won by 3-2 to 2-2.

**Justin McCarthy (Cork)** and the genius himself **Rev Fr Tommy Maher (Kilkenny)** (he was my Maths teacher in St. Kieran's College) and also the Hurling coach of all teams.

Others from Laois who attended were : - Mick Mahon (Rathdowney), Noel Tynan (Portlaoise), Michael Delaney (Camross – later Chief Executive Leinster Council) and the late Bill Phelan (Portlaoise)

I never used my coaching skills in Laois except it was very good for my own game but was to put it into good effect when working with Kilrush Timber Products Ltd, Kilrush, Co. Clare. I got involved with the Factory League competition. First we started just with a factory team in which we had a lot of club players from Kilrush, Doonbeg, Cooraclare, Quilty, Kilmurray McMahan, and Kilkee. Then I met with a few other local Industries around West Clare and we asked the League if we could have a West Clare team as we were not strong and not competing well. Note I was a young lad of only just nineteen years of age.

So we got the Ceramics Factory in Kilrush, in which County player John Hehir was working, and Talty Bros Timber manufacturing from Lisseycasey, and also Mangan Bros Cash & Carry in Ennis & Kilmihill (Mangans came originally from Kilmihill and had a small store there until they expanded) again we picked up players from Kilmihill another football stronghold in West Clare. In the end we had a great team and there were at least 5/7 Senior County Footballers on the panel and also a Kerry player of note namely Pat O'Connell neighbour of Mick O'Connell (one of the greatest) from Valencia and had played Minor/U/21 for the County. He could have made the senior team but was working on his career as an accountant with Kilrush Timber Products and later left and set up his own Audit Company in Dunlaoighre Co. Dublin. He married a girl from Kilpeddar in Co. Wicklow where they now live. I remember attending their wedding and again thumbed to the occasion as Pat was good to me at work and helped me with my work in the office and accounts procedures etc. County men that come to mind now, John Hehir, Pete and Paul Dillon, Ger Crowe, Mick Chambers worked in Kilrush with Federal Dye, a power house in midfield, and along with Pat O'Connell (Valentia, Kerry), nobody could live with us when we had both of them playing.

Michael Chambers later suffered badly in a car crash and was confined to a wheelchair and was part of many TV ads re road safety – a great character.

**Note: My landlord in Kilrush was P.J. and Maureen Kennedy in Moore Street.** It was a great house - a home from home and all guests/tenants were looked after by Maureen as if they were their own.

P.J. was a noted footballer with the ‘Shams’ - Kilrush Shamrocks winning a few finals with them, also with Clare and Munster - had the distinction of winning the CIC Fada even beating the great Donie O’Sullivan of Kerry, noted as one of the greatest dead ball kickers in the game. P.J. was Secretary of Clare Football and when you went with him to a game it was always next day when we got back. A gentle giant - when he kicked the ball out from the square it was as far as most hurlers were hitting it with the sliotar. A great GAA household with a great welcome and one could never feel homesick - I loved Kilrush / Clare.

We won a few factory league county finals and went to a Munster final (copy picture panel in my GAA book – “ In the Shadow of the Goalpost”) only to be beaten by a few points by a Kerry team. I was player manager but could not play in the Munster campaign as I had broken a finger received in a hurling game.

I also was to use my coaching talents with Lisdowney Camogie club which was just after being reformed by Mary Moynan when I lived there. I also coached and trained and played with Lisdowney Intermediate team for one season and was trainer of Avonmore Junior Hurling team which went to the All Ireland final in 1979 and were to beat a Clare team. I was trainer and playing centre field but the evening (Friday) before All Ireland final turned around in the office in Avonmore to get something out of a filing cabinet behind me when I went down like a bag of spuds – straight away I was carted off to the County Hospital with my knee out and I had a huge job to get attention. I had to call on nurse friends to get me sorted with my knee and had it put back in the following morning without receiving an anaesthetic.

Now I had the problem of getting a pair of crutches and my clothes as they had been taken away from me and had again to use some favours and lies to get these. When I got these (against time now), I got dressed and watched my chance to flee the hospital and started to thumb to the All Ireland which was in Bansha, Co. Tipperary. Lucky enough I came across a manager from Avonmore who I stopped and got a lift. All the players were so surprised when I showed up on crutches and they went on to win the All Ireland without me.

### Hurling games in Kilrush

Also when in Kilrush I organised a couple of hurling games as there were a few players around who used to see me training on my own in Kilrush Shamrocks pitch and sometimes they would link up with me and also Eddie Purcell from Ballycallan, Co. Kilkenny who played minor for the county and also was playing Junior with Ballycallan and also my friends and housemates Pdraig Kelly from Milford, Creggs in Roscommon – a great Rossie supporter and he often came to train with me along with our other great friend Malachy Walsh of Killarney – a fanatic Kerry supporter, now back in Killarney and Selector

and Official with Dr Crokes club. Not forgetting David Cahill (“Stevie Wonder”) from Clogheen, Co. Tipperary who worked with A.I. in Clarecastle.

We arranged a team from Pella Road against Pound St, Kilrush, tough areas at the time but I would play with one side and Eddie the other.

There were skirmishes and tough games which we all enjoyed. I knew a lot of the lads as they worked in the factory where I was working, Kilrush Timber Products Ltd., and other I knew when they called in to purchase bags of blocks (off cuts timbers from jobs in factory).

My regret is that I did not follow up with the Kilrush Shamrocks GAA club and organise a Junior B or C team within the club and play in the championship. I remember a Teddy Wright a painter from Limerick who was living in Kilrush and was of good hurling stock. Would you believe that I did transfer to Ballyhea (parish Clarecastle) in 1975 and later play with them in the Junior B championship making it to the semi final and just missed the chance of getting into the final, which for the clubs would have been a first in many decades. I also played senior hurling with Clarecastle in the championship and senior football with Kilrush.

Sometimes I would link up with Eddie Purcell in Urlingford and get lifts back with him on Sunday evenings to Kilrush as at this stage I was thumbing everywhere.

I had to thumb home from Kilrush in the early years to play for Borris in Ossory 1970 – 1973/4 after which I got an old Renault 4 (6 volt car) it was called “The Moonboggie” purchased from Frank Saunders in Kilmihill).

Coming home for games thumbing took anything from 6 to 12 hours and on a few occasions did not make it only to sleep in phone boxes in Birdhill, Moneygall and spent one day 5/6 hrs on road between Neangh and Birdhill. A few times I came on a BSA motor bike which I purchased locally in Kilrush (a real Antique and had a side car attached but was not sold to me) and it ran on two stroke – this sometimes was a disaster as if I had not the mix correct the bike would come to a big stall and the devil would not get it going until a rest up of near a hour or so, and a few times this happened on my way into Limerick and this was sold off for my Renault 4 Moonboggie but my times with the BSA were adventurous. Then you would hear Borris fans say Jesus, Jack Whelan was brutal today in SHC games etc – but I knew they were correct and little did they know of my efforts in getting home but I just said nothing and had to work on how I was getting back to work in Kilrush. I guess I have a book in itself on all my life journeys.

Eddie Purcell was working with Dept Agriculture and his brother Teddy worked with me in Avonmore Ballyragget later.

He was walking out with Helen Fitzgerald, the sister of the great Seamus corner back on the great late 1960’s and early 1970’s Kerry Football Team. They got married later but Helen, a lovely person, died young.

Eddie was to be transferred to Portlaoise and now is re married and is living in Kilkenny City not far away from where I now live. I always remember a funny incident after I got my licence to drive and Eddie would be so tired from weekend hurling and driving etc asked me to drive his VW Beetle back to Kilrush. I had no experience of what to expect when a tyre was soft or a puncture and this had happened but I kept driving until Eddie woke up to smoke and shouting.

When we stopped we found we had no rubber only a hub – that was the end of my driving with him after that.

Great notes were given out to all participants at Gormanastown but I gave a loan of mine to a team mate of mine in Borris in Ossory but todate I was not to get them back. The GAA should get hold of these notes and use as template to circulate and recommend that in house coaching should start up again. I know D.J. Carey has done something on these lines but we need to go back to basics like the above coaches did with us.

We had a hour long exam and myself and a couple of others from Laois said we would stay to the end and support one another and some were not into exams and when I looked around after over 30 mins. I was surprised to see that we were the only three left in the hall but as we said we stook it out and helped one another get through. I cannot say who the two were with me were.

Michael Delaney was the only Laois person with a car (maybe late Bill Phelan, Portlaoise had his) but Mick Mahon was going out with Marie Mahony from Cullohill and arranged that Michael Delaney would take him into Dublin to meet Marie who was working in Dublin and I remember coming along playing gooseberry. Marie never made me feel that way and looked after us with grub in her flat and the gallery was great especially with a lad from Garron Castle who had never got away on his own except to Croke Park matches on train journeys with the great Liam ‘Chum’ Brophy from Ballybrophy to whom my father Bill had entrusted Liam with me as they were good friends. Chum gave me an education in itself and was so good to me which I am always grateful for.

I have never met Marie since and later both were to get married. Thanks to Marie who sent me a copy of the group photograph which you see now and I thank her for it - note all the stars in the prime of their lives – all of 46 years ago – how time has flown.

## Laois Hurling Achievements

### Tribute to Paddy Lalor Abbeylerix 21<sup>st</sup> July 1926 – 29<sup>th</sup> July, 2016 age 90 yrs

By John Phelan (Borris in Ossory)

#### Passing of a Great Laois Gael

It was with deep regret and sadness that the news of Paddy's passing was heard on Friday 29<sup>th</sup> July, 2016 age 90 years.

Paddy was one of the many descendants of the great Kelly family – Patrick (1840-1894) Land League activist & Bridget (Butler) original homestead at Knapton Cross, Abbeyleix.

Patrick 'Paddy' Lalor was the only son of Joseph Lalor (1898-16<sup>th</sup> March, 1953) and Frances 'Fannie' (22<sup>nd</sup> April, 1887 – 17<sup>th</sup> December, 1944).

His mother Frances nee Kelly was a great activist against internment without trial and participated in the May 1923 Hunger Strike which she was imprisoned for and during her incarceration she was involved with other prisoners in an attempt to excavate an underground tunnel in an effort to escape but was found out and all received weeks of harsh punishment. She was released on 23<sup>rd</sup> September, 1923 and on her return to Abbeyleix she was given a great welcome home. She met Joseph Lalor a local and on 30<sup>th</sup> July, 1925 they were married. Joe had opened a general merchant store in Abbeyleix and in 1950 he bought a shop for his only child Paddy on Main St. Abbeyleix where Paddy ran a successful General Merchant and confectionery business. His mother died on 17<sup>th</sup> December, 1944 aged 57 years. His father Joseph died on 16<sup>th</sup> March, 1953, aged 55 years.

Paddy showed great promise as a sportsman as prompted by his mother who told him about his famous cousins The Kelly's of Kildellig and players with Kilkotton and Laois. Paddy played minor with Abbeyleix but with no success and from there graduated to the senior team and played in six county finals winning three: 1944 v Kilkotton 2-9 to 0-3, 1945 v Camross 5-5 to 1-2, and in 1949 v Clonad 7-3 to 5-3

SHC Defeats suffered 3 = 1946 v Clonad 3-4 to 2-3, 1947 v Clonad 3-8 to 2-4, and in 1948 v Clonad 2-6 to 0-3.

Paddy was a noted footballer where he learned his trade at Knockbeg College and played with Spink and when only 18 years old in 1944 won Junior 'A' Football final with them defeating Ballybrittas by 2-11 to 3-3. He later was to play senior with Ballyroan and Laois.

He was spotted as a great artist of the game by Laois and was drafted into their senior team cir 1947/48. This was part of an era when Laois senior hurlers had a good team that could hold their own with the best of them highlighted by Laois beating the great Kilkenny team of 1948 away in the City of Kilkenny in Leinster semi final by 4-5 to 2-7. They met Dublin in Tullamore on 11<sup>th</sup> July in Leinster final and were beaten by 5-9 to 3-3. In 1949 Laois repeated the dose with Kilkenny and this was in the Leinster final in Nowlan Park and won by two points – Laois 3-8 (17) to 3-6 (15). This qualified Laois to contest the All Ireland semi final against Galway, played 7<sup>th</sup> August in Croke Park with Laois coming out on top by 4-6 to 3-5 and so qualified for their first All Ireland final since 1915. Paddy always felt the team was a little inexperienced and they froze on the day – the big occasion got to them – Tipp won the All Ireland by 3-11 to 0-3 before a crowd of 67, 168. My late parents were married in

Dublin the day before the All Ireland final and all were to go to the final on the following day. My uncle Jack Treacy was often to relate things about the game to me when I was a young lad and he later became good friends with many of this 1949 team himself.

To prove Paddy's point Laois beat a good Cork team in the semi-final of the Oireachtas on 2<sup>nd</sup> October, 1949 by 2-9 to 3-2 and qualified to meet Tipperary in the final again on 16<sup>th</sup> October in Croke Park and were only beaten by 5 points Tipp 2-8 – Laois 1-6 and Laois could have won the day. (details in Laois Master Chapter).

Paddy continued to play with Laois in the 1950's and was part of a Laois team which made it to the Leinster final in 1951 beating a good Kilkenny in the semi final by 5-10 to 2-7 to qualify to meet Wexford in the Leinster final on 15<sup>th</sup> July. They were beaten by 4-3 (15) to 3-12 (21) and in the second half Wexford never allowed Laois to play to their ability and took over the game to run out easy winners –

There were 4 Rackard brothers on this team and this was to jump start a successful era for Wexford but little did Laois think that it would be 1985 before they contested the only Leinster final since 1951 to date.

He was also a noted and a prominent referee as well. Paddy was also a part of the Leinster Hurling selection during period of 1949 to 1953. Paddy was part of the Leinster semi final team in 1953 which defeated Connaught by 7-9 to 4-3 in Portlaoise as you can see from picture in Railway Cup Chapter 8 in this book, but could not play in the final against Munster on 17<sup>th</sup> March as his father Joseph died on 16<sup>th</sup> March. Munster won by 5-7 to 5-5 and maybe Paddy could have swung it for the Leinster boys had he been available.

Paddy was a great Administrator with his club and also with Laois County Board, and held the post of County Secretary from 1953 to 1955. Paddy was chosen on the Laois Hurling Team of the Millennium as one of the fifteen greatest players of the twentieth century at corner forward with following citation: "*Lalor was one of the most skilful young hurlers to ever wear the blue and white, and he continued to give dedicated service to the county in both hurling and football for many years*"

Paddy after 1946 All Ireland Senior Football semi final v Roscommon on 25<sup>th</sup> August, which Laois were beaten by 3-5 (14) to 2-6 (12) went to the National Ballroom with his Abbeyleix buddies where he met Myra Murphy from Myshall, Co. Carlow which began a great friendship. They were to be married on the 30<sup>th</sup> January, 1953 and so a great bond was formed in both business and family life. They had four children – Frances born on 19<sup>th</sup> January, 1953, Helen born 8<sup>th</sup> January, 1955, Joseph born 28<sup>th</sup> May, 1958 and Veronica born on 24<sup>th</sup> September, 1960.

This time as an administrator this was to lead to his interest in politics and this kick started in 1961 when he contested his first General Election campaign and his opponent Oliver J. Flanagan (father of Charlie – present TD) warned the electorate that "they should not vote for someone just because he wore the blue and white of his county or how many Leinster green jerseys he had wore on the hurling field". Paddy also won his first seat for Fianna Fail a seat in the County Council election of 1960 and held it up to after 1974 elections. He was a member of his local Fianna Fail Cumann since 1947 and was appointed to Dail Cheantair in Laois and also served as Laois

representative at National Executive level under President Eamon De Valera from 1951 to 1959.

**First Leinster Title - The Gallant Laois Men of 1889**

*Special Permission – from An article by Teddy Fennelly of The Gallant Laois men of 1889*

*(Will also feature in his history of Portlaoise GAA club to be published this year 2015).*

In what must remain one of the most fantastic achievements of any club or county in the entire history of the Association, the Maryborough men of 1889 were fixed to play two major championship matches on the same day. I have never seen anything to indicate that it ever happened before or since and have not heard anyone even suggesting that it did. But that was precisely what this Maryborough side faced on Sunday 13<sup>th</sup> October, 1889.

They were fixed to play Wicklow champions, Bray Emmets, in the Leinster semi-final, and should they manage to succeed this

stiff test, they had to turn out again some minutes after the conclusion of that game against a fresh Newtown Blues side from Louth in the final.

To say it was unbelievable is hardly overstating the case, but here again it proves that fact is stranger than fiction. It was almost three months since Maryborough had defeated Wofhill in the county final and now, if they hoped to win the provincial title they had to beat two of the top teams in Leinster on the same afternoon! And that’s exactly what they did!

*The Leinster Express of 19<sup>th</sup> October 1889 takes up the story:*

*The members of Maryboro’ Football Club left home by the evening train on Saturday, 12<sup>th</sup> inst., accompanied by a number of the most promising Gaels of the town, to take part on the following day in matches to be played on the St. Patrick’s Grounds at Inchicore for the championship of the province...*

*The weather was beautifully fine for this season of the year and enabled two or three thousand spectators present to thoroughly enjoy the sport .... In point of physique it would be hard to beat the Queen’s County men all of whom were splendid specimens of bone and muscle, looking extremely well in their green jerseys and stockings and white buckskin breeches. Winning the toss, Maryborough decided to play for the city goal which gave them the advantage of the fairly strong breeze...*

*Maryborough took first blood by scoring a point.. The Emmets’ goalkeeper now kicked out the ball without the authority of the referee and the Maryborough men getting on to it quickly sent it between the goalposts. A long dispute occurred over this eventually ending in it being allowed to stand as a disputed goal. Maryborough had six points to spare at the break. Emmets improved on the resumption and cut the leeway but the Queen’s County men finished strongly to win by 0-9 to 0-4.*

After being allowed an hour to recover, the Maryborough men were back on the field to play Louth champions, Newtown Blues, who had defeated the Dublin champions, Faugh-a-Ballaghs, some weeks previously. The report added: *Few thought that the Queen’s County men would have a look in against Newtown Blues, as two matches in the one evening are somewhat too trying for any ordinary team but, contrary to all expectations, they played most brilliantly and in better style if anything against the Wicklow champions, defeating the Louth champions by three points to two. It was a wildly exciting and brilliant game throughout and taking this into consideration it is a pity that it must be designated the roughest match that has yet been kicked at Inchicore. There was entirely too much tripping, catching and general fouling .....*

The game started at half past three and the Blues, winning the toss, opted to use wind advantage. The Maryborough defence played brilliantly and conceded only two points in the opening half. The shoe was on the other foot on the restart and the Queen’s County champions scored three points and were awarded the provincial title. “The winning of two matches in the one evening by Maryborough is certainly a most creditable performance”, the report concluded. The team was the same, with one exception, as that which played in the earlier match but the report did not reveal the “exception”

**The Maryborough team** was listed by the Leinster Express as follows: J.Delany, (Captain), J.T.Whelan, William King, T.Cushion, T.H.Cushion, P.Cushion, D.Cushion, M. Cushion, J.Fleming, J.Walsh, J.Teehan, T.Shiel, J.Murphy, N.Maher, P.Brady, J.Troy, D.Drennan, J.Dunne, J.Connor, T.Conroy

You will note that only twenty names were published in this brief era of twenty one a side.

In any case, the team listed, in fact, bore little relation to that which lined out on that famous day in Inchicore.

An article I wrote for my "Ninety Years of GAA in Laois" which was published in 1973 gave a detailed account of the day of the double at Inchicore and of the circumstances surrounding the All-Ireland final which was played at the same venue the following Sunday.

In an interview given many years later, which I included in the article, Wolfhill clubman, Peter Brennan, recalled the day. He explained that Maryborough, as county champions, were allowed to select players from other clubs in the county for the inter-county champions.

"Wolfhill in those days had a splendid team, all long kickers. Among them were Owen Smith, Peter Whelan, Mick Dunne, my brother, Pat, and myself. Owen Smith and I were selected to travel to Dublin with the Maryboro' men and also on the team were Mick McEvoy and Larry Maher from Knock, Jack Murphy and Peter Farrell of the Kellyville club, Mike Kearns and Andy Bowe, Ballyroan and Jim Mahon, Loughteague, Jack Delany from Maryboro' was our goalie while the two Cushions, Tom and Mick, Joe Teehan, Dick Drennan, Tommy Murphy, Joe Dunne and a player named Troy were among the twenty-one who took part in the two games.

'Bray Emmets were captained by Paddy Howard while on the team were four Doyles-good footballers every one of them ... we won by nine points to four ... Peter Farrell scored a goal that wasn't allowed .... I remember one part of the game very well. A Bray player came up the side of the field with the ball between his feet tapping it along.

I was playing in the backs and it was hard to take me off my feet in those days. I made a dive at the Bray man who, with the ball still between his feet, stopped down and I fell over him. He rose up under me and lifted me clear onto the paling, where I lay

while the crowd jeered and cheered. I bided my time and when he came along with the same antics, I made a rush at him but instead of falling over him, I gave the ball a kick send it fifty yards....

"When we had the Emmets beaten, the Newtown Blues were waiting for us. We took a rest on the side of the field, had some light refreshments and walked in again to play the Louthmen whom everybody expected to win.

The Blues were a hardy, able lot of footballers, snarter than we were, but the long kicking of our backs kept them at bay. They had the favour of the field and the wind and scored two points in the first half ... With the favour of the breeze we scored two points and for ten minutes such a game was never seen as we both strove for the winning point ... There it was a draw with five minutes to go when we got a free about forty yards out. It was at a sharp angle with only a little daylight between the posts.

I was called on by Peter Farrell to take the kick and like an arrow I shot the ball between the posts to win the first championship for Laois. I did not play the following Sunday as I got hurt and (in any case) did not get word to go to play against Bohercrowe in the All-Ireland final".

**The All Ireland Final of 1889**

(Special permission - From Article by Teddy Fennelly in Portlaoise GAA History – Published 2015).

My article in the "Ninety Years of GAA in Laois" went on to explain about the build up to the final on the following week and the game itself.

"The O'Moore county men returned with the Leinster honours won against all the odds. After the celebrations the team broke up and the players made their way home to continue their daily pursuits.

Travel it must be remembered was a slow and arduous task in the 1889s and it is quite understandable that the players must have been quite fatigued after the games and the travel.

Communications were very poor and the foot messenger was the main means of contact at the time, with the telegraph system still in limited supply.

" The intervening week was an exceptionally wet one and this did not assist matters. There was little time to contact the players

throughout the county and arrange transport in such a short space of time and, as a consequence, many of the players who had won the honours the previous Sunday were unable to travel. Some players, including Peter Brennan, were still sore from injuries received in the two Leinster games. The Maryboro' team that played the Tipperary and Munster champions, Bohercrowe, was accordingly, of necessity, and understrength one and ill-equipped for such a big occasion.

"The record books show that Bohercrowe won by 3-6 to 0-0 but this statistic does not do justice to the Laois footballers of the day.

One correspondent, P.P.Sutton who wrote for 'Sport' had this to say of the game:

'The match was characterised by too much roughness and viciousness which I do not care to dwell on. As soon as the smallest dispute arose the crowds flocked in on the field causing the game to be suspended on several occasions.' Another eyewitness wrote: ' Maryborough played a dashing determined game but in comparison with their opponents they showed a great lack of science, skill and judgement and had a rather weak defence.'

Peter Farrell, who played in the final, recalled that some of the team of the previous Sunday did not turn up, some were injured and many were still sore from their gruelling games at Inchicore.

"The new men were able to kick alright but they weren't able to fight for the ball. With twenty-one aside in those days there wasn't much room on the field and if you couldn't give and take hard knocks you were nowhere.

There were four Ryans on the Bohercrowe team that day, Joe, William, Ned and Billy and they were all great men"

The article concluded: " The joyous cheers of jubilation that heralded the remarkable feats on October 20<sup>th</sup>, 1889, were turned to tears of anguish within the space of seven short days."

On the same programme, Laois hurling champions, Rathdowney, failed to appear and the hurling title was awarded to Dublin champions, C.J.Kickhams as, from what we see above, Peter Farrell was certainly there and, perhaps, some other changes from the players listed: J.Delany Capt., J.Whelan, T.Cushion, P.Cushion, D.Cushion, T.Cushion, M.Cushion, M.Coleston, T.McDonnell, T.Conroy, J.Connor, J.Dunne, J.Fleming, J.Walsh, J.Tehan, D.Tehan, J.Murphy, N.Maher, P.Brady, T.Troy, M.Drennan.

**Danny Douglas (Army)**: One of the best known players on the Laois team, has assisted his county for ten years. Honoured by the Leinster selectors. Has starred in the Laois attack where he is a wily and illusive footballer. Plays at right half forward. Age 28 years, Height 5ft 8ins, Weight 10-7

**Jack Delaney (Stradbally)**: the last of the Delaney's but certainly not the least, as Jack is one of the best players in the O'Moore County attack. Age 29 years, Height 5ft 11ins, Weight 13-0

**James Keating (Graiguecullen)**: plays in the right corner forward position, a brainy footballer and hard trier. Has been for years playing with his county. Age 26 years, Height 5ft 7ins, Weight 10-10

## All Ireland Final 1936

Mayo 4-11 (23pts) Laois 0-5

Played: on 27<sup>th</sup> September, 1936

*Summary Report Irish Independent September 28<sup>th</sup>*

**"Fifty Thousand See Mayo Achieve Their Ambition"**

**"A Triumph of Speed and Skill"**

**"Laoighis Go Down before a Perfect Playing Machine"**

By The Recorder

Mayo achieved their ambition by scoring a sweeping victory over Laoighis in the All Ireland Final in Croke Park. It was appropriate, too, that, after their long years of trying, the 50<sup>th</sup> Championship to be played should go to Mayo to cap their fine performance of having taken the National League in three consecutive seasons.

It was a disappointing display by Laoighis, who beaten in speed, fielding, and judgement, were fighting a forlorn hope almost from the start. Mayo, full of life and vigour, were clearly superior in all departments: but Laoighis, although outclassed, battled stubbornly to the end.

Mayo have to their credit a Football Championship in all three grades, Junior honours have been won in 1933, and Minors honours in 1935. Laoighis have yet to win a Championship in either grade.

### Mayo in Front from the start

There can no doubting that Mayo deserved their victory, nor on the run of play, are the flattered in the figures. They were as fit a side as ever appeared at Croke Park, and will rank in history amongst the greatest teams that have contested the Championship.

Bubbling with fire and energy, they were into their work from the start and out-paced and outplayed Laoighis men in all departments. They knew what was expected of them : set their hearts on victory: and earnestness and the will to win carried them to a triumph that leaves a new landmark in the records of the G.A.A. and should have a healthy effect in further strengthening and popularising, the game in the West.

The fine display given by the mayomen was a tribute to their training. They had made wonderful improvement on their showing against Kerry in the semi-final, and with youth on their side should add considerably to their laurels in the time ahead.

## Laoighis Disappoint

It is putting it mildly to state that Laoighis failed to reproduce the form which had proved too good for Kildare and Cavan. They had prepared for the final, and it is difficult to account for their labour and disjointed movements, which were in striking contrast to the speed and vigour of the opposition.

The accident to Bill Delaney, who had a bone broken in his foot during the week, was a damper to Laoighis, and although he turned out and played pluckily for the hour and contributed to the score, this robust midfield man was unable to do himself justice.

To say this however, is not to infer that there was only one weak link in the Laoighis chain, for it is doubtful if any of the Laoighis players reached the standard they set earlier games.

Patsy Flannery one of the heroes of the game, whose place-kicking was again a feature, and Henry Kenny controlled the midfield exchanges : but apart from this Laoighis backs were out-maneuvred, and their forwards failed to make an impression on a sound Mayo defence.

Tom Burke kept his goal intact, but he was well protected by the Mayo last line, in which full back Paddy Quinn, Tot McGowan (right), and 'Purty' Kelly (left) were all the time true to trust.

In Seamus O'Malley (centre), Tommy Regan and George Ormsby, Mayo had a particularly reliable half back line. Tommy Regan, who was well tested, putting in very effective service.

The wing men, Jackie Carney (right) and Peter Laffey (left) in keeping their forwards well fed were untiring in their efforts, and this scoring Mayo department marked a big advance on their showing against Kerry.

They threw themselves wholeheartly into their work and were beyond dispute inators of the Laoighis defence.. To sat that the Munnely brothers played a big part in bringing this football title to Mayo for the first time is not to reflect on Paddy Moclair and Tommy Grier, who also joined in the scoring.

The Mayo forwards played a very unselfish game. When openings were presented they took their chance: but many of the scores came from well-timed passes.

## A Great Start

Paddy Munnely turned the balance in favour of Mayo with two early goals, and Josie Munnely who gave a stylish exhibition, had a few points. Tommy Grier (who played against Wicklow in the recent Junior final) justified his choice as centre-forward in his first championship game, and Paddy Moclair in the extreme scoring position, did not spare himself.

Mayo to a man, shared the honours of a memorable victory, and for that each man must have his mood of praise.

It was a proud day for Mayo, most of all for the veterans of

another generation, former players, some of whom have assisted against Wexford in the 1916 final and Dublin in the 1921 final.

Eight of the players yesterday, Tom Burke (goalie), Paddy Quinn, Patsy Flannely, 'Purty' Kelly, Seamus O'Malley Capt., George Ormsby, Paddy Moclair, and Paddy Munnely were playing in their second final, having been on the team which lost to Kerry in the 1932 final.

Tommy Reagan, Jackie Carey, Peter Laffey, and Paddy Grier helped Mayo to win the Junior All-Ireland Championship of 1933.

While Mayo followers were naturally elated at the result, the Mayo players like the good Gaels and true sportsmen that they are, took their victory in a modest fashion, while Laoighis accepted their defeat in good part. That Laoighis had fared so badly, never once getting into their stride as we had seen them against Kildare and Cavan, came as a shock to their supporters and as a surprise to everybody.

Allowing for the heights reached by Mayo, whose one would wish to see pitted against a stronger opposition, it was for an All-Ireland final and from a spectator viewpoint a poor game. In this respect it was a reminder of the 1930 final in which Kerry scored heavily against Monaghan and defeated the Leinster champions Kildare.

Before now Laoighis have risen superior to reverses and I make no doubt that they will continue on in the spirit which has kept their county to the 'forefront' in hurling and football during the half century now closed.

Although not a record, the attendance which again passed 50,000 mark is evidence of the growing popularity of the game, and, while every county in Ireland was represented at Croke Park. (*Note listing given of following All Ireland Football finals :-1926 Kerry v Kildare draw 37,500 r/p 35,500, 1927 Kildare v Kerry 36,529, 1928 Kildare v Cavan 24,700, 1929 Kerry v Kildare 43,839, 1930 Kerry v Monaghan 33,260, 1931 Kerry v Kildare 42,850, 1932 Kerry v Mayo 25,810, 1933 Cavan v Galway 45,189, 1934 Galway v Dublin 36,143, 1935 Cavan v Kildare 50,380*)

It was particularly gratifying to find such large crowds travelling from Mayo, many making the long journey from the remotest corners of the county.

The arrangements left nothing to be desired, but it was an easily disciplined gathering, and the stewards, who, as usual, had a busy time were given no extra trouble.

A band from Belfast and elsewhere added to the enjoyment of the day, and for the game was played in good weather.

The ball was thrown in by the President of the G.A.A. Bob O'Keeffe (Laoighis) who was accompanied onto the playing pitch by Mr P.Mullaney of the Mayo County Board.

**Half time score** was Mayo 2-5 Laoighis 0-2

## Survivors of 1889 team Feted by the County at All Ireland Reception of 1936

(special permission from a article by Teddy Fennelly in his publication of Portlaoise GAA History in 2015).

*After 1889, the next time Laois team appeared in an All-Ireland senior football final was in 1936 in which they were again routed, this time by Mayo on a 4-11 to 0-5 scoreline. When the vanquished Laois team returned to the county they were feted at a special dinner in their honour. The surviving members of the 1889 team were invited to the function. This is an excerpt from a report that appeared in the Leinster Express on the banquet:*

*The team were then entertained at a dinner in the hotel at which Mr T. Tierney, CTC, Chairman of the Reception Committee, presided and was supported by the other members of the committee.*

*Among the guests were three veterans of 1889 namely Mr Peter Farrell, Tallyho House, Stradbally, Mr Joseph Dunne, Portlaoighise and Mr R.P.Fennell, Mr P.J.Bartley, Local Government Commissioner for Laoighis, was among others present. Rev W.Monaghan, C.C. having said Grace, the toast of "Eire" given by the chairman, was honoured.*

*Mr Sean Barrett, NT, secretary of the Reception Committee, submitted the toast of "Laoighis County GAA and the Veterans of 1889". He said in Dublin in 1889, they won the Leinster final playing two teams on the same day.*

*Two of the men who assisted in winning those two games were now present, Mr Dunne and Mr Farrell. They were both at the final on Sunday, Laoighis failed in the final of 1889, but they still kept on, and after 47 years they were into a final again. They accepted the defeat of Sunday in the sporting spirit of true Gaels and they would go on until they were rewarded by winning the National Crown. Mr R.P. Fennell, responding to the toast said : Speaking of the veterans remind me of a couple of lines of an old song:-*

*Some have gone upon their last long homing,  
Some are left, but they are old and grey."*

*And this introduces mixed feelings of regret and gratification regret that so many of the fine fellows the gallant comrades the great men of almost a half century ago, have passed away; gratification that some are still to the fore, and that we have a few of these with us this evening – the remaining few of those who brought honour to Laoighis in 1889. There is one incontrovertible fact, that our men played and won two matches on the same day, first defeating Bray Emmets (Wicklown) and after a short rest beating the Newtown Blues (Louth) and that on the following Sunday, 20<sup>th</sup> October, they contested the All-Ireland final against Bobercrowe (Tipperary). I did not take part in these contests having received a "crocked" knee a short time before, but I was goal umpire on the 13<sup>th</sup> October.*

*I was not present the following Sunday, as the team played contrary to the advice of the Chairman of the County Committee, the late Mr P.A.Meehan, M.P. and myself. I was then secretary. We considered it was unfair to ask the team to play the final on such short notice, but the young fellows thought that they were invincible, entered the contest and were defeated.*

*But this was a feat that has never been equalled before or since and I am glad it has not been forgotten. One of those present who took part in these contests is Peter Farrell, a prominent member of the old Kellyville team and a great footballer. Another men of 1889 here is Joe Dunne, Portlaoighise: Denis Croke, of the old Pallas team: Peter Brennan, one of the stalwarts of the old Wolfhill club:*

*Mick McEvoy, Knock and Nicholas Maber, familiarly known as the "Butt of Oak", all of them great footballers, but they have not turned up.*

*These men were the pioneers of the GAA in Laoighis. You have carried on the work. We are grateful indeed to the Reception Committee for having invited us here. It was thoughtful and kind of them.*

## The 1938 American Tour USA

An invitation was made to the GAA from the USA for the All Ireland finalists of 1937 come to USA and play exhibition games in early 1938. Kerry beat Cavan on 17<sup>th</sup> October in the 1937 All Ireland by 4-4 to 1-7. Kerry were unable to fulfil the invitation and readily nominated the Laois team to take their place. Laois accepted the invitation in Kerry's place and great arrangements and excitement took place prior to their voyage to the States. They departed from Cobh. Co. Cork on the S.S. Manhattan which departed on 7<sup>th</sup> May, 1938.

The voyage took until 15<sup>th</sup> and from this date until June 8<sup>th</sup> they were well looked after and were feted at numerous banquets and ceremonial functions.

They had games in Boston and at Polo Grounds in New York against American sides before they lined out against Cavan and the game ended in a draw Laois 1-7 Cavan 0-7 in what was often described as the fastest game ever seen in the USA at the time. In the replay Laois won well on a scoreline of 3-6 to 0-4 to win the coveted Jameson Trophy. The trophy was later handed over to the Graiguecullen club by the Laois County Board which still is displayed there.

The party arrived back home on the 14<sup>th</sup> June to a tumultuous welcome by the people of Laois and were honoured at a host of civic and private functions. This was surely one of the great highlights for these players during this era.

A total of twenty players were to make the trip and following is full summary of all who made the trip. Lorcan Brady Chairman of County Board, team Manager, Jack Delaney Snr.

## Laois GAA All Stars – Laois Stars 1973-2016 Laois Millennium - Teams in Hurling & Football GAA All Stars - Hurling & Football 1963-2016

### Laois Hurlers to receive Hurling All Star Awards

**Laois First in Hurling – Pat Critchley (Portlaoise) became the first player to receive the All Star award in 1985**

**1985 All Star Hurling Team:** Ger Cunningham (Cork), Seamus Coen (Galway), Eugene Coughlan (Offaly), Sylvie Linnane (Galway), Peter Finnerty (Galway), Pat Delaney (Offaly), Pat Delaney (Offaly), Ger Coughlan (Offaly), **Pat Critchley (Laois)**, John Fenton (Cork), Nicky English (Tipperary), Brendan Lynskey (Galway), Joe Cooney (Galway), Pat Cleary (Offaly), Pádraig Horan (Offaly), Liam Fennelly (Kilkenny).

\* **John Taylor (Portlaoise)** got a call up as a replacement All Star.

#### Pat Critchley (Portlaoise)

**1985 All Star Hurling Midfielder.** Almost a quarter of a century ago, Pat Critchley took a phone call from

Mick Dunne, the late broadcaster and fellow Laoisman. He had some exciting news, Critchley's selection on the 1985 All-Star hurling team, the first from the county to achieve that honour.

The popular Portlaoise clubman was honoured with selection at midfield alongside such hurling legends as John Fenton, Nicky English and Joe Cooney. Several players have emulated the feat since in football but he remains, all these years later, the sole Laois recipient of a hurling award. Many including Pat himself believed that John Taylor, a sublime hurler and wonderful competitor, was equally deserving of an honour. Fate decreed otherwise: in the summer of 1985, Pat hurled one of his best ever games against Wexford in the Leinster championship and Laois reached the provincial final for the first time in 36 years.

A native of St Brigid's Place in Portlaoise, Pat has played at National League level in hurling, football and basketball. With Portlaoise GA A club, Pat won 14 Laois senior county championships - seven each in hurling and football. He also went on to win three Leinster Club Football Championships and one All-Ireland Club Football Championship with Portlaoise. Pat has also won one Limerick senior county football championship with Thomond College.

Pat was a physical education teacher at Presentation College, Portlaoise until recent years. Since 1985, he coached school basketball teams to eleven All-Ireland finals, winning five.

Pat currently occupies a full time coaching and development role with the Laois County Board and is the instigator of the successful Setanta Hurling program and the follow on Cuchulainn program.

They say if you want something done ask a busy man amidst all his other sporting commitments, Pat recent found time to pen his autobiography, a superb book called "Hungry Hill".

#### Laois – To date have received 5 All Star Football Awards

**1986 (2) – Colm Browne (Portlaoise) Liam Irwin (Ballyroan)**

**1986 All Star Football Team :** Charlie Nelligan (Kerry), Harry Keegan (Roscommon), Mick Lyons (Meath), John Lynch (Tyrone), Tommy Doyle (Kerry), Tom Spillane (Kerry), **Colm Browne (Laois)**, Plunkett Donaghy (Tyrone), **Liam Irwin (Laois)**, Ray McCarron (Monaghan), Eugene McKenna (Monaghan), Pat Spillane (Kerry), Mick Sheehy (Kerry), Damien O'Hagan (Tyrone), Ger Power (Kerry).

#### Colm Browne (Portlaoise)

##### 1986 All Star Wing Half Back

Templemore based Garda Siochána Colm Browne was without doubt one of the most gifted footballers to ever pull on the blue and white of Laois.

Born in London, he was a stylish wing back who made the breakthrough (alongside his brother Gerry) on to a superb Portlaoise club team in the mid 1970's. He then played a major role as captain in Laois's National Football League victory in 1986 and was rewarded with an All-Star award later the same year.

He was in the company of such stars as Pat Spillane, Mike Sheehy, Mick Lyons and Charlie Nelligan on that team.

Three years earlier he had been a most impressive player/manager when Portlaoise captured the All-Ireland Club Football Championship title.

He subsequently took over the reins from Richie Connor as Laois manager in 1994, spending three years in charge. He then spent a number of years in charge of Tipperary footballers during which time the Premier County showed a marked improvement in their performances.

And in 2001 after Tom Cribben had vacated the Laois position, Colm again returned to manage his native county spending a two year term in the hotseat, leading Laois into Division One in 2002 but calling it a day after the county suffered a heavy defeat at the hands of Meath.

**Liam Irwin (Ballyroan)**

**1986 All Star Midfielder**

Ballyroan's Liam Irwin, known to one and all as George, and whose brother John was also a top class club footballer and also played for Laois, was a superbly skilful player with a sweet left foot and excellent free taking skills. He generally played at midfield and in 1986 was part of the Laois team that won the county's second National Football League title.

Laois collected their second league title on that occasion defeating Monaghan in a thrilling contest by one point 2-6 to 2-5 at Croke Park.

The men from the O'Moore County were the surprise team of the season coming from Division 3 to take the second highest honour in the game. Liam also picked up an All-Star award that year, chosen at midfield alongside Tyrone's Plunkett Donaghy. Liam was particularly outstanding in the National Football League final that year and it was probably his display alongside O'Dempsey's big man John Costello against Monaghan that ensured he was to become the third Laois All-Star. He was majestic at midfield and scored four great points as Laois recorded a famous 2-6 to 2-5 victory.

In 1992, Liam won his only Laois Senior Football Championship title with his club Ballyroan.

outfield with his club, Courtwood. At the time of writing, the elusive search for an intermediate medal with Courtwood continues and he has already begun the first steps in what looks likely to be successful coaching career by working with the Laois Development Squads.

**Joe Higgins (St. Joseph's)**

**2003 All Star Football Corner Back**

Named at left corner back on the 2003 All-Stars team, the diminutive Joe Higgins hails from The Swan, near the County Kilkenny border, in the Ballyadams parish. A very talented underage boxer, Joe emerged in the public eye in 2007 when he starred on the Laois minor team that retained the Tommy Markham Cup for the All-Ireland Minor title winners.

The following year saw Joe move up to a very talented Laois Under 21 team that won the Leinster title only to be agonisingly denied All-Ireland honours by Kerry in Limerick.

With his club, St. Joseph's, Joe enjoyed the ultimate honour in the year 2000 when he was part of their Laois Senior Football Championship winning team. However, it was in 2003 that he exploded in to the national GAA consciousness as part of the superb Laois team that firstly went all the way to the National Football League final and then claimed that memorable Leinster senior title.

Higgins was immense right throughout the year and kept both Tadhg Fennin and Stevie McDonnell scoreless in championship games. He also showed terrific courage to come back from a bad cruciate ligament injury picked up in the ill fated 2004 Leinster SFC final replay against Westmeath.

And the next generation are on the way, Joe's twin sons Kevin and Jack, as mascots to Laois in the 2003 Leinster final, became the most famous five-year-olds in the country, drawing a €1400 fine and eventually forcing a change of GAA rule that now allows one mascot per team. They have just this year won Under 14 county championship medals with St Josephs. Future All-Stars? Don't rule it out.

**2003 (3) Joe Higgins, Tom Kelly (both St Joseph's) Fergal Byron (Courtwood)**

**2003 All Star Football Team: Fergal Byron (Laois),** Francis Bellew (Armagh), Cormac McAnallen (Tyrone), **Joe Higgins (Laois),** Conor Gormley (Tyrone), **Tom Kelly (Laois),** Philip Jordan (Tyrone), Kevin Walsh (Galway), Sean Cavanagh (Tyrone), Brian Dooher (Tyrone), Brian McGuigan (Tyrone), Declan Browne (Tipperary), Steven McDonnell (Armagh), Peter Canavan (Tyrone), Adrian Sweeney (Donegal).

**Fergal Byron (Courtwood)**

**2003 All Star Football Goalkeeper**

The fourth ever Laois player to win a coveted All Star award, Fergal Byron, hails from Belgrove, near Ballybrittas. His award came in 2003 after he proved to be a superb last line of defence for Laois as they bridged a 57 year gap to claim the Leinster Senior Football Championship. In seven key games in 2003, (league final and six championship games) he only conceded two goals and pulled off a number of hugely impressive saves. Against Tyrone in the League final and against both Dublin and Armagh in the championship, he made some outstanding stops and his kick-outs and general footballing ability when called upon were of the highest quality. It was however as an outfield player that he first won inter county honours, lining out as a right corner back in 1994 on the Laois team that claimed the Leinster Under 21 football title. But goalkeeping was always his calling and after displacing Emmet Burke on the Laois senior team, he went on to enjoy a memorable 12 year career in the county's number one jersey, which ended in November 2007 when his inter county retirement was announced. 2005 also saw Fergal bring a first ever Interprovincial Championship medal to his club when he helped Leinster overcome Ulster in the decider. At club level, Fergal has fitted between his goalkeeping duties and spells

**Tom Kelly (St. Joseph's)**

**2003 All Star Football Centre Back:**

The sixth Laois All-Star recipient Tom Kelly hails from the same tiny hamlet, The Swan, as his compatriot Joe Higgins. He was actually less well known than his twin brother Stephen in the early stages of his football career. Stephen was a star forward in 1996 as Laois claimed All-Ireland minor honours but it was not until the following year that Tom joined him in attack as Laois retained their title.

By 2003, Tom had established himself on the Laois senior team but was now regarded primarily as a defender. In his All-Star winning campaign, Tom began the season at corner back for Laois but when moved to anchor the defence at half time in the drawn game against Offaly it re-energised both him and Laois.

His runs from deep caused endless problems against Dublin and Kildare and his amazing penchant for getting forward to score and create in advanced positions for Laois was a huge asset.

## Bill Delaney (Stradbally)

### Hall of Fame

Back in the nineteen thirties and forties, the most famous GAA family were the Delaneys of Stradbally and Laois at a time when Laois was rated among the top half dozen county teams in the country.

There were five footballing Delaneys and their arrival in the late nineteen thirties sparked off the most successful period in Laois football history.

Bill Delaney was regarded as one of the greatest footballers of all time. He played for Laois in the All-Ireland Minor Football Championship final of 1932 and when he made his senior debut at the age of 18 the following year he commenced an inter-county career that saw him play in 18 successive championships. He won four Leinster senior Football championship titles with Laois during a glorious period that saw them go so close to a taking the elusive All-Ireland senior Football championship title. When Laois won the 1936 Leinster final brothers Bill, Chris, Mick and Jack Delaney played with their uncle Tom played at full-back.

In '37 and '38 Uncle Tom had departed but the four brothers set an amazing record in GAA circles by playing in all three successful Leinster finals. Laois played in the 1936 All-Ireland final where they lost to Mayo.

Then in 1946 Bill Delaney was still there, playing at centrefield to inspire Laois to another Leinster title and the midfield pairing of veteran Bill and the teenage sensation Tommy Murphy was the backbone of the side which lost to Kerry in a most controversial All-Ireland semi-final.

Amazingly there were four Delaneys in the team in 1946 with cousin Morgan having replaced Jack. The Delaneys also set Railway cup records at a time when that competition came a close second to the All-Ireland for players. Bill captained Leinster to victory in 1939, the only Laois player to do so, with Mick, Chris and Jack also on the team and he won four further Railway cup medals in '35, '40, '44 and '45.

In the green and white of their beloved Stradbally, the Delaneys also set records and Bill was on seven Stradbally sides which won Laois championships.

Bill Delaney was also one of the top referees in the GAA and handled the All-Ireland finals of 1946 (Kerry v Roscommon) and 1951 (Mayo v Meath). In the late fifties he was elected Laois representative on the central council and served for 25 years on that body before later becoming President of the Laois GAA, a position he occupied until his death at age of 85 in July 2000.

## Tommy Murphy (Graiguecullen)

### Hall of Fame

Tommy Murphy was born in Graiguecullen, County Laois in 1921. He was educated in nearby Knockbeg College.

Murphy played for the Laois Minor Team when he was just fifteen and he rose to national prominence in 1937 when he played his first senior championship match against Offaly in Newbridge.

His immediate opponent that day was none other than Railway Cup star Bill Mulhall - akin to a minor facing Graham Canty today. Remarkably, considering at the time he was only a sixteen year old schoolboy, Murphy lined out against Kerry in the All-

Ireland semi-final that same year. Laois were cruelly beaten 2-2 to 1-4 in a replay in Waterford.

His exploits gave him his famous nickname "The Boy Wonder" during the late 1930's and 1940's. Tommy was a household name all over Ireland.

He won Leinster Senior Championship medals in 1937 and 1938. It was not until 1946 when a young veteran by the name of Tommy Murphy was again very much to the fore.

Tommy had by now become an integral part of the Leinster Railway Cup team but glory with the County continued to escape him as the years rolled by 1946 saw Laois take their first Leinster title for eight years, defeating Kildare in the final.

In all, he won eight Laois senior medals with his native Graiguecullen and various Railway Cup medals for Leinster. His last game for Laois was against Wexford in the 1953 Championship and two years later he played the last game for Graiguecullen against Annanough.

For many years Murphy worked as a land steward and later he was employed with the department of Post and Telegraphs. He contested the 1948 general election for Laois-offaly as a clann na Poblachta candidate but failed to get elected.

Tommy Murphy died in May 1985 and was buried in his native Graiguecullen. In 1999 the Gaelic Athletic Association honoured Tommy Murphy by naming him on the Gaelic Football "Team of the Millennium." He was further honoured in 2005 when the Organisation named the "Tommy Murphy Cup", a new football competition, in his honour.

## Laois Hurling Team Of The Millennium

### 1. Timmy Fitzpatrick (Kilcotton)

He was Laois first choice goalkeeper in the 1940's, and gave some heroic displays. In the 1949 All Ireland final against Tipperary, Timmy was lauded as a Laois hero – despite the scoreline. The following year he made his lone appearance on the Leinster team. He played in three Laois SHC finals, yet never tasted victory.

### 2. Tom Finlay (Ballygeehan)

Of the thirty players selected, only Tom Finlay has the ultimate honour – an All-Ireland medal. A member of the 1915 winning team, he hurled for Ballygeehan and was an inspirational figure at centre back. Holder of five Laois SHC medals with his club.

### 3. Jackie Bergin (Abbeyleix)

An Abbeyleix hero from the 1949 team, holder of a Leinster SHC medal, he was a stylist full back in the days of ruthlessness. Won numerous honours with his club and was also selected on the Leinster team. Was on the Abbeyleix teams from 1944 to 1949 which competed in all five Laois senior hurling finals, winning the first and last deciders but losing the three in between to Clonad.

### 4. Mick Mahon (Rathdowney)

From the Rathdowney club, usually played at centre back. He is selected at left corner back.

A stalwart of the Seventies, he became the first Laois player of that decade to be selected on a Leinster team. For the previous four years Laois had no starting player on the hurling team. Holder of three Railway Cup medals and won a All Ireland Senior 'B' medals in 1977 and 1979.

Holder of two All-Ireland SHC 'B' medals and numerous All-Ireland Inter Firm titles-during a prestigious period of the competition-with Avonmore Creameries.

**11. Harry Gray (Faughs & Rathdowney)**

One of the national, all-time greats of hurling in both Laois and Dublin colours. Joined Faghgs in Dublin having left his native Rathdowney.

First played for Leinster for Leinster in 1937 and was a regular on Leinster teams for almost ten years. Former Taoiseach Jack Lynch, one of the legends of the game, was one of the pall bearers at the funeral of Harry Gray.

**12. Christy O'Brien (Borris-in-Ossory)**

A phrase often used in Laois 'The Daddy of them all', O'Brien had everything.

He played for Leinster in 1956, on a winning team and for nine of the next ten years lined out for his province. Won three Laois SHC medals, his last in 1972.

He truly was one of the greats of the game, having played at centre back, midfield and centre forward for his county-mastering all three positions.

## Railway Cup Hurling & Football Finals – 1927 - 2016

The **Interprovincial Championship** (Irish: An Corn Idir-Chúigeach) or **Railway Cup** (Corn an Iarnróid) is the name of two annual Gaelic football and hurling competitions held between the provinces of Ireland.

The Munster, Leinster, Connacht and Ulster teams are composed of the best players from the various counties in the province. The first Railway Cup competitions (the name is due to the donation of the trophy by Irish Rail) were held in 1927, with Munster winning the first football title and Leinster winning the first hurling title. Hereunder is a listing of each final, Teams, Captains and Laois men who played over the years in summary format in both codes. Finals were played in Croke Park every St. Patrick's Day (March 17th) before a huge crowd until circa 1977 when it went around the country at various venues and on different dates. It has some what not experienced its usual high profile within the GAA Calendar of late.

## All Ireland Club Championships – Hurling & Football Finals – 1971 - 2016

Both Hurling & Football Finals are played in Croke Park each year on St. Patrick Day – 17th March.

The **All-Ireland Senior Club Football Championship** commenced in 1971, played between the county final winners in all counties. It is run on a provincial basis with All Ireland semi-finals leading to the finals on 17th March.

The prize for the winning team is the Andy Merrigan Cup, which is named in honour of Castletown and Wexford's Andy Merrigan, who died as a result of a farm accident at the height of his playing career. It was first presented in 1974.

The **All-Ireland Senior Club Hurling Championship**, is for the “Tommy Moore Cup”, Like its equivalent in football, it is played on a provincial knockout basis. The competition is open to the champion clubs of the strongest hurling counties in the four provinces.. A native of Ballyragget, Co. Kilkenny, Tommy Moore was prominently associated with the Faughs club in Dublin for most of his adult life..

## Laois Camogie A Summary History

Camogie in Laois has had a long history and while it might have not achieved the highest accolades it always kept the flag for the game flying throughout the county in different and harder times. Laois has produced some great players over the years that could hold their own with the best of them. Like everywhere else Camogie was not supported or developed within all the GAA clubs which had sprung up over the years. It was played in various pockets and a few clubs became the leading forces within the county e.g., Ballylinan, Mountrath, Mountmellick, Ratheniska, Kilminchy, Cullenagh (The Heath), Ballyfin and then in the late fifties a few more clubs started coming on board.

I tried to get Roll of honours for Junior Championship since 1949 but could not get record of finals for 1953 – 1955 & 1957 to 1968

In the sixties Ballyfin had successes with three in row titles 1969 to 1971 and then Ratheniska had a good team winning titles in 1972, 1973, and again in 1975. Tullamore in County Offaly were another force who were getting organised in Offaly . At that time there were no county championships being played in Offaly and so being near Laois neighbours requested to play in their championship which was duly allowed. They were known as St.Finbarr's, Tullamore and were successful winning the junior titles in 1974, 1976 and 1977. Later Offaly organised their own championships which they now play and camogie is very well organised in the county.

The seventies saw a few more clubs coming into being and also good work was done by St Mary's College - Presentation Secondary School in Mountmellick who made it to the All Ireland Senior Colleges final in 1971 but were beaten by Sacred Heart , Newry on a score of 3-2 to 2-1. They kept at it and made it back to the All Ireland final in 1973 and this time they came out successful defeating Presentation , Athenry, Co Galway on a score of 4-2 to 1-2. Note they are the only school within Laois since the competition was started in 1969 to win an All Ireland Senior 'A' title. As can be seen from the Chart of finals it has been dominated at various times by a few schools over the years right up to current times. Looking through the Junior Colleges Camogie finals I do not find any school within Laois even making it to an All Ireland final which I found surprising. I suppose tradition now seems to play a big part in a lot of competitions. This is an area in which Laois needs to make a big break through and once this comes about and you can build up a tradition of your own of winning then you become a county on a different level.

I researched and was able to get the roll of honours lists for senior camogie/junior finals since 1980 and as you can see Camross are leading the number of titles, followed by the

Harps, Slieve Bloom, St Bridgets, Rathdowney and Ballyroan. Note following clubs who made it to county finals and have yet to win one since 1980 Stradbally, Mountmellick, Castletown, and O'Moores (Ballyfin and Mountmellick).

### Roll of Honours – since 1980

In the eighties and nineties great work was carried out throughout the county with establishing the Juveniles section and setting up the various championships of Junior B, C, Under 21, Under 18, Under 16A, B, Under 14A and B, and Under 12A/B and camogie started to get a new lease of life again within the county. This has let to a number of more new clubs springing up such as: - Borris in Ossory, Portlaoise, O'Moores, Timahoe, Naomh Eamon, Clonad and hopefully a few more will come on board.

On the club scene great strides have been made with some of the clubs making it to a club final in various grades.

At senior level Camross have made it to Leinster finals winning three titles but just lost out narrowly in recent times.

The Harps have the record for making it to 3 All Ireland Junior club finals and winning out in all games, 2006 Harps 1-7, St Patrick's, Keady, Armagh, 0-5, 2007 a repeat of 2006 final again defeating St Patrick's by 2-8 to 2-7. In 2008 The Harps made it back to win their three in a row this time defeating the Clare champions Kilmaley by 1-11 to 3-2.

The Harps had now moved into the Intermediate club championship and in 2010 made it to the All Ireland final and came up against a good Lismore Eoghan Rua, Derry team losing out by 3-8 to 2-3.

Camogie became strong in a lot of schools and Colleges like St.Fergals, Rathdowney, Brigidine Convent, Mountrath, Mountmellick Community School, and Heywood Community School, Ballinakill and a lot of these players played their part with the county in various grades and leading to some successes..

Laois won the first title in the U16B in 2000 defeating Tyrone by 9-14 to 2-1 and Louise Mahony from The Harps as captain received the Timmons Cup. They were also successful at U14 level and progress was good during the new century. The Juniors made it to three Div 2 League finals being defeated in all: 2000 by Cork 3-9 to 1-5, in 2002 by Offaly 3-18 to 2-6 and in 2004 by Kildare 2-11 to 2-6. Towards the end of 2000's the Junior were competing in Div 3 of the League making it to three finals winning two and beaten in one namely:- 2009 Lost - Down 0-15 Laois 2-8, 2010 Laois 2-10, Meath, 2-5, 2013 Laois, 0-9, Dublin, 0-7.

The Juniors made a great break through into big time when reaching the All Ireland final in 2013 and came up against old rivals Kildare and after a great battle lost by 2-11 to 1-5. They came back again and reached All Ireland final the following year 2014 and lost out in last few minutes of the game by just four points to Down by, 1-12 Laois, 1-8.

## Breakthrough

Laois had a great campaign in 2015 championship and had regrouped after the two previous years heart ache of defeats in Junior All Ireland finals and made this year of third time lucky.

No stone was left unturned by the county board and David Cuddy Manager of the Junior team in getting back into All Ireland final and succeeded in taking the title for the very first time in their history. This was achieved after a great campaign, and it is a milestone in the history of camogie in county Laois.

## Campaign in 2015:

Rd 1 Laois, 3-18, Dublin, 1-10 at O'Toole Park 4<sup>th</sup> July,

Rd 2 Laois 5-19 Westmeath, 0-1 in Camross 5<sup>th</sup> July,

Rd 3 Laois 2-15, Limerick, 1-12,

Rd 4 Laois, 2-17, Roscommon, 2-4,

Rd 5 Laois, 4-20, Armagh, 0-5 2<sup>nd</sup> Aug in Rosenallis

All Ireland semi-finals 23<sup>rd</sup> August in Birr - Laois, 1-15, Westmeath 0-8 reach their 3<sup>th</sup> All Ireland final against Roscommon on Sept 13<sup>th</sup>

## All Ireland Final September 13<sup>th</sup> Laois, 2-12, Roscommon, 1-6

Now they can set their sights on the Intermediate scene and hopefully in the near future will get their passport into the senior championship with a win in the Intermediate grade. Look what Waterford achieved this year in this grade with a very young team.

A lot of players represent their respective Universities, Leinster in Gael Linn and some receiving All Stars awards and the future looks bright for Camogie for Laois going forward

## Club Championships

The County Board have been very active over the years and from its humble beginnings it has developed quite a range of Championships from the Seniors/Juniors right down to the U/12.s and including Leagues. The games are well organised and so many clubs are now playing the games it is only a matter of time when Laois will bring off the senior title and bring the O'Duffy Cup to the O'Moore county for the very first time.

But sadly we do not have some final details of the roll of honours for all competitions. What I have, has taken a lot of time and effort to compile. I had hoped that I would have had all final results in place for this publication. It is thus disappointing that there will be a gap in some competitions.

The County Board, as a matter of urgency, must take steps to ensure that a full list is complete and kept up to date. With co-operation of clubs, and County Board it can be done. See schedules of all championship listed here under.

## Camogie man – Kilkenny Some of the greatest players – Laois can learn

I only got involved by chance with Camogie in Kilkenny way back in the 1980's when I purchased a small cottage in Clontubrid, Lisdowney as I was working in Avonmore

Creameries, Ballyragget Factory nearby now known as Glanbia. Lisdowney had just started their camogie club back up after being extinct for a number of decades. Mary Moylan was the driving force behind its formation. She called up to me in "The Crush" that is what the locals called my place and asked me to help them train and select some of the teams with her as she was under pressure. This time I had thrown in my lot with Lisdowney playing and training their Intermediate hurling team and was also playing and training the Avonmore Creameries team. I agreed to assist and started organising teams and training.

The main issue was getting the locals around involved and trying to get enough players to make up panels to compete in all the under age competitions. Then we worked on getting a Junior B team together and we went from there. We had a great player around helping us in Monica Wall and we formed a great bond and we were all enjoying our efforts as things started to come together slowly. Then a double blow hit the club, Monica Wall moved off for work and Mary Moylan moved to New York and worked in McSorleys, the famous pub where the famous had to queue to get in. It was owned by a Grace man from Threecastles Co Kilkenny, a stuntman in many films and famous in his own right. I visited McSorley's and Mary put me up for a few days over the pub and a great experience and the good will I received during this time was great from all the staff. Mary has now opened her own Diner in The Bronx, on 4330 Katonah Avenue called "Mary's Celtic Kitchen". I was left on my own running the club and things had started to happen and I could not jump ship as I had become involved in all developments of this club for next 12 years.

I became their County board representative etc. I got involved in all things camogie within Kilkenny.

The club started winning a lot of titles against some of the more established clubs and were making a name for itself. I became a trainer of the county Junior team which went to All Ireland semi final and were beaten by London in London. I became a senior selector with county seniors and was to be part of their 7 in a row 1985 to 1991 and in 1994 All Ireland wins. During these early years of 7 in row Kilkenny never had any more than 16 players on the All Ireland panel and choosing this was often difficult but the team nearly always selected itself.

The Kilkenny team of this era was one of the best ever seen and I would consider them as the greatest players and team that ever played the camogie game. Some of the greats were :- Marie Fitzpatrick (goalie), flanked by the great Biddy O'Sullivan, Deirdre Malone, centre back Bridie McGarry, Liz Neary, the versatile Ann Downey who I believe that her omission from players of the Millennium was a big mistake, Gillian Dillon, Sinead Millea, Breda Holmes, Anna Whelan, and one of the greatest players ever seen Angela Downey-Browne up front. Also in early years Teresa O'Neill (goalie) Ann Carroll, Mary Fennelly, Helena O'Neill, Anne Holden.

This was a time when the team consisted of only 12 players and the pitch was reduced with special smaller goals on each 21 yard line. This caused the clubs within the camogie association a lot of hassle as special goals had to be available and GAA pitches had to be reduced. The skill level portrayed by these players was special as to score a goal was so hard and one would think that the players would make it so easy in the change over to full pitch as it was to take time. Kilkenny would you believe are the one team which has found it so difficult to make the change over to

**Down** – Eileen Traynor, Ann Traynor, Bridie McAleenan, Teresa Allen, Noreen O’Prey, Finnoula McGrady, Graine Killeen, Betty Yanna, Nuala McCartan, Rosemary Traynor, Rita Neeson, Dona Greeran, Maureen McAleenan, Vonnice McCreevy, Annaleen Morgan, Shelia Morgan.

**Rules to Note**

**Camogie Rules as in An Treoraí Oifigiúil apply with the following exceptions;**

- a) 15m and 30m frees are replaced by 20m & 65m respectively
- b) Rule 163 of An Treoraí Oifigiúil, Cumann Lúthchleas Gael  
Goalkeeper; The goalkeeper may not be tackled within the smaller parallelogram
- 1) Penalties will not be awarded
- 2) Camogie players are permitted to drop their Hurley’s
- 3) Camogie players are not permitted to play with hurleys bound with a metallic substance.

I was always of the opinion that players should not be allowed to drop their hurleys and make passes and scores and rules should apply like in the GAA games but this never made it to an clár. Also I am a great advocator that the wearing of shinguards should be compulsory as are helmets now by camogie players. I was one of the driving forces which got a by law introduced within Kilkenny Camogie that all players up to Under 16 level had to wear helmets compulsory and the Association were only to move on this much later thankfully in all grades.

The other matter which we had problems with was hoped or banded hurleys covered with insulating tape. I remember some Kilkenny players in a Junior game v Kildare played in Danesfort being sent off by an referee for having such hurleys. Thankfully now the rule is now changed.

**The local committee** under Mary Fennelly were Carmel Savage, Teresa Dillon, Breda Holmes, Breda Ryan, Annette Stapleton, and myself as Chairman of the county board at the time.

It was a huge success and from the findings one could see what the expected decision was hoped for by all involved and the Camogie association officials under the president Maire Uí Loinsigh that the 15 aside would happen on a full GAA pitch.

It took until **1999** to change the rules (full 12 years) and format of the game and this has proved to be one of the biggest decisions taken for the betterment of the game. Some of the players today have never seen a 12 - a side game and would find it hard to believe that such games were played.

It was one of the best decisions taken and in the intervening years it has helped to give camogie a much better profile. It should now be easier for the association to have games as curtain raisers to GAA matches which at the moment is rarely done. This should be looked at to give the camogie a better and wider audience. I know each association like to keep their own games separate as might be problem with gate receipts but I think a formula could be worked out with the GAA.

**Good Decision**

Good decision to have the Camogie Senior Div 1 League final 2015 between Galway v Cork played as a curtain raiser to the senior Div 1 Senior Hurling League final between Waterford v Cork played in Semple stadium on Sunday 3<sup>rd</sup> May and also was

televised. Galway won camogie final by 2-15 to 2-12 and Waterford defeated Cork by 1- 24 to 0-17. A few other camogie championship games have been put on as curtain raisers to senior hurling games like Galway v Cork, Tipperary v Dublin and Wexford v Limerick . All I hope that this is just not a PR exercise instead of being the norm going forward because this is a great way to get a big and better profile of camogie . Now that a Kilkenny former player, Catherine Neary of St Paul’s holds the office of President, the profile of camogie will no doubt be further enhanced, and maybe having camogie games as curtain raisers to important championship games will be a regular feature.

**History Makers – St Mary’s Presentation College Mountmellick :**

They became history makers when they succeeded in taking the All Ireland Senior Camogie Colleges ‘A’ final by defeating Presentation College, Athenry by 4-2 to 1-2. Todate no Laois Schools team has achieved such a feat

LADIES GAELIC FOOTBALL

# Laois Ladies Football

### On the Eve of 40 Years Ladies Football in Laois

By Michael O'Loughlin / John Phelan

The first Ladies Football Club in Laois was St.Fintan's Portlaoise and was founded by Tom Daly and Joe Strahan in 1974. The official Laois Ladies Football Board was not formed until 1976, but girls played Gaelic football in all areas of the county, informally. Football was particularly strong in The Heath area where girls had been active since around 1970 with a ladies team playing at local sports days and other festival and charity events.

Laois had an unofficial county team operating in 1974 and 1975 under the guidance of Joe Strahan and Tom Daly of St.Fintan's Hospital and in 1975 played in a Leinster decider in Athy, defeating Kilkenny 2-3 to 1-3. That same year Offaly won the 'real' Leinster Final. They were the top county in the province and from 1974 until 1982 Offaly won every Leinster title and also picked up two All Irelands in 1979 & 1981. From 1982 until 2001 no Leinster team won a Senior All Ireland until Laois made the break-through that year.

Both Tom Daly and Joe Strahan had attended the meeting in Hayes Hotel in Thurles on July 18<sup>th</sup>, 1974 which set up a national body to control the affairs of Ladies Gaelic Football. From humble beginnings and with only a handful of people present that day the game has progressed so well. Most of the top Brass in the GAA were either opposed to such a development or benignly indifferent. Thankfully attitudes have changed over the years and the GAA now provide huge support and back up at all levels to the Ladies Football Association.

#### Early Days

In 1974 Marie Bergin (nee Carroll), from Timahoe, set up a meeting to organise a ladies county team. This meeting was held in Aird's Hotel, Portlaoise, now known as O'Loughlin's. For the following two years there was only one ladies team in Laois and they represented the county. In the initial stages, this team was so hard up that the county jerseys were borrowed from Laois Football Board Secretary Jim Kavanagh. Interest in Ladies Football spread throughout the county very fast and as Connie

Conway, who won 10 County Championships with Crettyard and four All-Stars with Laois recalls, in her article written after Laois 'historic' triumph in 2001.

'On September 30<sup>th</sup> 1975 and barely out of my teens, I circulated a letter to the secretary of each Gaelic Football Club in an effort to gain support and promote a ladies team within the club. In the end, and in response to the letter, eleven clubs replied and a County Board was formed.

I was elected chairperson, and as yet was not quite sure what this position really entailed. Since then, clubs have come and gone, but there is a total of 12 clubs at present in 2001.

Soon after that meeting all Laois GAA clubs were notified with a view to entering teams in competitions. Eleven clubs affiliated but it was decided not to enter teams in inter county competitions so as to allow clubs time to become more established. Over the years clubs have come and gone and the numbers have varied but now the county is getting stronger with more clubs starting up.

Connie recalls that in the early days the county team had such a low profile that you were lucky to get a handful of supporters at matches. Offaly was the most successful team in Leinster and they often demoralized us. However, in 1985 was the first break through for the Laois County team when we chalked up our **first Leinster title** with about 100 supporter present at O'Connor Park, Tullamore to see how we would fare against Longford. It was a great feeling of victory with a win by 2-9 to 1-1.

1985 was a momentous year when we played our first All Ireland as a county team and perhaps to mark this occasion, the match against Kerry was for the first time played in Pairc Uí Chaoimh Cork. Before this All Ireland finals were played at any pitch around the country and sometimes not even at county grounds. In fact one All Ireland was held in Timahoe.

#### 1985 Kerry won by 2-9 – 0-5

### All Ireland Champions 2001

The heartbreak of seven All-Ireland Final defeats came to an end in 2001 when the O'Moore women eventually reached the Holy Grail and won the Brendan Martin Cup for the first and only time.

The uniquely talented Sean 'Goggy' Delaney of Stradbally was the 'prophet' who led Laois out of the desert on that never to be forgotten day in Croke Park. The month of September 2001 will go down in world history for the catastrophic events in New York on the 11<sup>th</sup>, but the last day of that month will forever hold a sacred place in the history of Laois Ladies Football, and in the wider GAA fraternity, as Laois won the county's first ever Senior All-Ireland title.

The agonies and the heartbreaks of seven defeats over an 11 year period were eventually wiped away by a new generation of women footballers. Most of the panel were too young to appreciate the experience of losing All-Ireland Finals but such as Lulu Carroll, Mary Casey, Therese Swayne, Mags Phelan, Mary Kirwan, Linda Brennan, Bernie Deegan, and Sue Ramsbottom had all lived through those nightmares.

Many of the new generation of 2001 are still wearing the Blue & White and are now the backbone of the current team. These include Angela Casey, the captain in 2001, Tricia Fogarty, Aileen O'Loughlin, Mary Kirwan, Tracey Lawlor, Grace Weston, Ciara O'Loughlin, Emma McEvoy, Mags McEvoy, Martha Kirwan, and Martina Dunne.

The irrepressible Goggy, Laois manager in 2001, was a well known figure in GAA circles inside and outside the county and played Hurling and Football for Laois, Stradbally and Portlaoise. He was a larger than life character who sadly passed away suddenly a few years later. His selectors in 2001 were Mick Carroll (Timahoe), and Sammy Kelly (Crettyard).

The county secretary at the time was Mary Ramsbottom (Timahoe), who was fighting a serious illness for a number of years and also died just four months after the All-Ireland final.

One of the most famous and longest serving, members of the team was Lulu Carroll who has also departed for the great Celestial Football Field. The untimely passing of the incomparable Goggy, Mary and Lulu were huge blows to Laois Ladies Football and their loss will be felt forever. Their influence on Laois Ladies Football, both on and off the field, during the 1990's was enormous and they will simply never be replaced. May they rest in peace.

The Junior have never won a provincial final. Laois Minors won their first Leinster final in 1989 but were beaten by Clare in the All Ireland final. Leinster Minor titles were also won in 1991, 1997, 1998, 2003, and in 2004 when they lost to Cork in the Final in Birr.

### Club Championships

The County Board have been very active over the years and from its humble beginnings it has developed quite a range of Championships from the Seniors right down to the U/12.s and including Leagues. The games are so well organised and so many clubs are now playing the games it is only a matter of time when Laois will bring off their second All Ireland.

But sadly we do not have a detailed roll of honours for all competitions. What I have, has taken a lot of time and effort to compile. I had hoped that I would have had all in place for this publication. It is thus disappointing that there will be a gap in some competitions. The County Board, as a matter of urgency, must take steps to ensure that a full list is complete. With co-operation of clubs, and County Board it can be done. See schedules of all championship listed here under.

**Leinster – All-Ireland Club Championships**

Laois clubs have won Leinster titles at all levels, Junior, Intermediate and Senior. The Heath were the first winners and now have four Senior Provincial titles 1983/84/85/86 followed by Timahoe have three 2000/ 2009/10. Sarsfields have three Leinster senior titles titles 2008/2013/14, and Crettyard has also 3 title 1978, 1979 and 1993, but have been beaten in two finals in 1987 and 1997.

Sarsfields have won Junior and Intermediate honours.

The Heath were beaten in 1983 All-Ireland final and went to win two in 1985/1986. In 2000 Timahoe lost out to Monaghan Shamrocks in All Ireland final . See charts club championship here under and see suumary of Leinster wins Timahoe 2000/09/10, Sarsfields 2008/12/13/14. In the Intermediate St Conleth's had a good run in 2010 making it all the way to All Ireland final only to lose out to West Clare.

**County Board Officers**

One of the main reasons that Laois as a county punches above its weight, relative to population size, is that it has been well served by its officers, Since it's foundation in 1976 Laois Ladies Football has just had three Chairpersons namerly Connie Conway, Mary Wheatley and Marie Hickey. Mary Wheatley has been a most prominent personality, both inside and outside the county, having been involved in the game since 1976 when she was founder member of her local club, Crettyard, She has made a huge contribution to the Association at all levels holding several different positions at county, Leinster Council and National level. She was Leinster President on two occasions and served as National Treasurer for eight years. In 1988 she was elected President of the Ladies Football Association .

The county has had a variety of Secretaries the most famous of who was undoubtedly the late Mary Lalor-Ramsbottom of Timahoe. She worked constantly to promote the game at club, School level throughout the county. She was a brilliant organiser and was seen by players as a friend, mentor, selector, water carrier, tea maker, taxi driver, equipment manager, peacemaker, fund raiser, sponsor seeker and much more to all. What ever was needed Mary was there. Her working relationship with senior trainer 'Goggy' Delaney was the stuff of legends and she passed away on the 29<sup>th</sup> December,2001 to her eternal reward. **Mary Wheatley Steps down from LGFA after nearly 40 Years**

In December 2015 Mary Wheatley dropped a bombshell when she announced her retirement from Laois Ladies Gaelic Football Association after nearly 40 years service.

They say if you want something done, then better get a busy person to do it. Sure this has been true of Mary Wheatley and her involvement in Ladies Football and many other organistaions.

Mary wore many hats in her career over the years like also becoming one of the founder members and its first Chairperson of her local Crettyard Ladies Football club in 1976 that were to go on and win many titles over the years.

**U/16A** no Title but Finalists three times, 1989, 1993, 1999.

This surely is a very comprehensive accomplishment for this club and Mary along with her great band of fellow officers did trogan work to have Crettyard earn the reputation of a very respected and feared football club for the ladies of the area.

When Ladies Football was established nationally in 1974 and most competitions in Laois were up and running by 1976. Laois had teams in place and started competing in national competitions even if they had to borrow the mens jerseys from their male counter parts. I am sure a lot of great stories of getting teams together along with trying to get hold of county jerseys could be told by those involved including Mary herself. Mary was to go on a mission to raise funds to get Laois their own jerseys and many Disco's were organised etc and so little by little Laois Ladies were trying for their independence and recognition which Mary was to be the driving force for close on 40 years.

The County Board was established in 1976 and then in 1978 Mary was appointed as Chairperson and has held the position for every year since up to 2015 except for 2005 – 2009 when Marie Hickey (Ballylinan), stepped in.

Phil O'Keeffe (Portlaoise), Secretary since 2012 has taken over as Chairperson from Mary at this year's AGM.

Mary was to get involved at national level of the association when it was in its infancy and Mary always had the Association and her own County of Laois to her heart in all her endeavours. Miles and work were not a problem to her in the name of the association and over the years has helped with driving players to training, matches and also how she would arrive with the boot full of special brown bread from her own recipe to ensure that diet of the girls was correct. Mary's achievements and recognition has come along way in having the LGFA at the profile it now enjoys and a lot of it is down to great work on and off the field of play. Mary was great to get around any road blocks and obstacles put up over the years as was a very motivated person and could always see the big picture and where the association was going and the future and profile it could achieve and enjoy. Now we can see the results of her foresight.

I know the joys and sorrows as I was to experience same in the Camogie world in Kilkenny and one needs to be driven to be able to achieve anything and Mary was the perfect person to drive Ladies Football in Laois and Nationally.

Mary held many positions nationally within the association, including all provincial positions, National treasurer twice and oversees the player's injury fund and other management positions. Mary held the high position with the association as its President 1988 – 1991.

In 2005 Mary was honoured with a Hall of Fame award by the LGFA and was given the prestigious President award which she received in 2014 from GAA President Liam O'Neill a fellow Laois person.

She was always of the opinion that it was not as expensive as Camogie as all was needed by players was Football boots and a ball where as in Camogie you had costs of Helmets and Hurleys and their replacement costs etc.

Winning Leinster Senior Finals became routine for Laois but the team failed to make the big break and win an All-Ireland. **Laois lost seven All Ireland Senior finals in :** - 1985 (Kerry), 1988 (Kerry), 1990 (Kerry), 1991 (Waterford), 1992 (Waterford), 1993 (Kerry), 1996 (Monaghan), before succeeding with number one in 2001 against Mayo.

Many people recognise that another of Mary great achievement was her motivation to keep trying for that elusive first All Ireland Final even after seven defeats in finals. Her ambition was realised in 2001 which was such a great achievement the ripples was felt throughout the county and was to be a great lifts to clubs and players.

Sadly we have not added to this or even got to a final which has been the dream of Mary and all within the county since.

The 2001 team had some sadness as the manager the great Sean 'Goggie' Delaney was to pass away so young. Co- Manager was Mary Ramsbottom from Stradbally passed away a few months later.

Also a player on 2001 team was Lulu Carroll and who was one of the most influential and classy players that ever lined out for the Laois Ladies lost her brave fight against sickness. She passed away far too young on the 22nd August 2007. All were great and close friends of Mary and this was a huge shock to Mary.

Mary also helped in establishing policies and structures and in 1986 made a historic decision as she introduced the five sub rule to congress. This played a significant part in development of the Ladies Football and we all know a number of years later the GAA were to introduce same rule to its game. The present day LGFA rulebook was introduced during her Presidencancy. A great rule which was also put in place **is the clock** on the game and it the burden is lessened for the referees and works so well. The GAA tinkered and talked about for so long and are so negative in introducing same to their games in case they might be following the ladies

Talking to Aisling Cullen of Leinster Express in publication December, 22<sup>nd</sup>, 2015 Mary was to say: "In recent years football in Laois has come under considerable criticism, some founded and some not. Football in Laois is in a good place but I have concern that there's too much emphasis at juvenile level on winning, rather than participating and playing football for fun. People on the county board in the past were there for the good of the entire association etc whereas today it's what is best for their own clubs.

The sacrifices that players made in the past were phenomenal and their contribution to the development of the sport is admirable. While there are many obstacles in their way, they always found a way to move past them and continue to play football. These days with College, boyfriends, girlfriends, part-time and full-time jobs, J1's, holidays, soccer, Rugby, they all stand in the way. However, if the desire is there to play football, they will always find a way and playing for the county hold same honour as it did in the early days I am sure we will be lifting "The Brendan Martin" Cup again soon. "

Mary also has been an active member of Laois County Council and was the first lady elected to the chambers in 1985, a milestone for the women folk. She was also to be the First Lady Chairperson of Laois County Council in 1997-98. She was a great councillor for her area and represented it with distinction. She also was one of the driving forces with the Mayo-Doonane Credit Union Ltd in its establishment. She worked very hard with her fellow Board Members in its development which now is one of great service to its members needs. Also always flew the flag for Mayo-Doonane at Credit Union Chapter meetings which were held in Kilkenny and were always represented at all monthly meetings. I would meet Mary over many years in her work with her bands of friends for Mayo Doonane Credit Union whether at Chapter, Area or at National and AGM meetings.

Success for the Credit Union is down to people like Mary and others with same beliefs – Self Help – Helping one another.

Mary surely had the ethos in her many facets in her work and roles within a number of organisations which she was involved in. I am sure there are a few more which I have no details of and surely she has really left her mark.

Mary was to say to Aisling Cullen “ that to retire has been her most difficult decision and it didn’t happen overnight. In July this year, for personal reasons, I began to seriously consider stepping down as chairperson. And so in last few weeks I decided it was opportune time for me to step down. At 76 years of age it is time to hand over to a younger person who have huge enthusiasm, high energy and are highly motivated”

Many former players have paid tributes and many more have so many happy memories of being involved with Mary at the helm and people like Mary don’t come along too often, So we should realise what she did in her various works within each association which is much better for her involvements. Let us not forget her and wish her every good wish, health and happiness and I am sure she will not be far from the sideline when Laois teams take to the field in 2016.

### Down Memory Lane The Early Years

By *Connie Conway*

**Sunday, September 30, 2001, was a memorable and historic day and will long be remembered in Laois, when the Ladies captured their first ever Senior All-Ireland title.**

*Connie Conway*

The Laois Ladies Football team has come a long way from the days when you’d hitch a lift to a game and bring your own bandage for the injury you might pick up in the game. Gone are the days when you’d borrow the county jerseys from the men to play a match.

Today, not only is the bus fare paid but the overnight accommodation also. This is a far cry from when discos were held in Crettyard in order to raise funds to purchase the first set of jerseys. Now there are changing rooms, even showers provided after a training session. There were no refreshments after training, not even a drink of water to quench the thirst. In the early days you brought your boots and stockings in a plastic bag and changed at the butt of a tree. Perhaps this is why

it was considered unladylike to play football and for this there was a certain amount of shame attached.

If we had realized that Ladies football would actually reach the dizzy heights of an All-Ireland title we would have been more conscientious in keeping records which are somewhat lacking in relation to the early stages of our formation as a county team. In the beginning, it was difficult to sell the game. Only those who knew the spirit of carrying the blue and white high in the air and being proud, stayed for the hard work and this wasn’t always easy. Sometimes only one or two had cars and quite often you depended on the generosity of supporters to carry you home after a grueling training session. People like Joe Strattan (RIP), Ned Daly, Portlaoise, and Marie Bergin (nee Carroll, Timahoe), were old reliables.

Indeed on one particular night when I myself was driving home, we were stopped by a garda who took exception to the number of bodies in the car. Unexpected and taken off the hop, I somehow blurted out that the other car had “given in” down the road and this was my good deed for the day. Needless to say, this was all a pack of lies, but I guess it was one for all and all for one.

It was the old reliables who had handed down this example, and also built the club from the foundation stone because remember in the beginning there was no club. On July 18, 1974, the Association was formed when Tom Daly and Joe Strattan (RIP), travelled to Hayes Hotel, Thurles to represent Laois. At this meeting, it was suggested to form clubs within the county and some of the playing rules were also drawn up there.

Soon after the initial games were played by the ladies, Marie Bergin (nee Carroll), Timahoe, held a meeting to get the ladies county team organized. The room was kindly given, free of charge, in Airids Hotel, Portlaoise which is now known as O’Loughlin’s. For the following two years there was only one ladies team in Laois and they represented the county. In the initial stages, this team was so hard up that the county jerseys were borrowed from Jim Kavanagh, Stradbally.

On September 30, 1975 and bearly out of my teens, I circulated a letter to the secretary of each Gaelic Football Club in an effort to gain support and promote the ladies team. Thinking back, I wonder now where I summoned such courage, perhaps it was the gusto and passion of my older brothers playing for their county that influenced me. In the end and in response to the letter, eleven clubs replied and a County Board was formed. I was elected chairperson, and as yet was not quite sure what this position really entailed. Since then, clubs have come and gone, but there is a total of 12 clubs formed at present.

Playing back then was sometimes a risk, but we didn’t think about it. I mean there was no such luxury as an injury fund. If you were unlucky to get injured, you looked after it yourself, at your own expense. There was no physio available at your every whim. There wasn’t so much as an antiseptic wipe provided for a skinned knee.

It was not until the 80s that we were blessed with the dedicated, Ned Murphy (RIP), Portlaoise, who kindly offered his services to us, free of charge.

We ladies who valued his opinion, and held onto his every word will never forget him as he advised on how to run the course of an injury. He made life a lot easier for us and only for him we might still have been dependent on the old bandage for longer.

Before there was ever mention of an All-Ireland title, there was always strong contention within the county for the club championship. The Heath Club was always a strong opponent of the Crettyard club and in latter years the Timahoe club. The Heath club went on to win two All-Ireland Club titles and 11 Senior County titles in the 80s. This is highly ironic considering the Heath Club is no longer in existence today. Crettyard has won nine Senior County titles and I have been privileged to be a part of each of these. Timahoe hold six of these titles to date.

In the early days, the county team had such a low profile that you were lucky to get a handful of supporters present at matches. Offaly was the prominent county in Leinster and they often demoralized us. However, 1985 was the first breakthrough for the Laois County team when we chalked up our first Leinster title. I can still vividly recall that day. About 100 supporters turned up at O'Brien Park, Tullamore to see how we would fare against Longford. It was our first feeling of victory. The result was 2.9 to 1.1. Ironically the common rivalry at club level between Crettyard and The Heath was assuaged in an effort to gain a Leinster title. There was total co-operation as a carload from Crettyard travelled religiously to training sessions at the Heath club for the county team.

1985 was a momentous year when we played our first All-Ireland final as a county team and perhaps to mark this occasion, the match against Kerry was for the first time played in Páirc Uí Chaoimh, Cork. Before this, All-Ireland finals were played at any pitch around the country and sometimes not even at county grounds. In fact one All-Ireland final was held in Timahoe. It happened that the mens County Final was on the same day and this was why the ladies did not play in Pairc Uí Mhórdha. Whatever the case though, ladies football was always permitted to be played at the mens clubs and grounds no matter what. Indeed, we are always indebted to the many mens clubs who co-operated and made no qualms about helping us on our way over the years. The Ladies All-Ireland final at Páirc Uí Chaoimh was also notable in that it was the first game played by Laois ladies before a full stadium. It was a curtain raiser to the mens game which followed and there was a large crowd gathered to witness Kerry's victory. Although it was a disappointing performance for the Laois ladies, the match was good experience for when we next appeared in 1988. There were five All-Ireland finals contested after that, without success, but we had All-

Ireland glory at both under 16 and minor level to compensate for the losses at senior level.

Indeed in recent years, many of the younger players have revitalized the game at senior level. The agility of the younger players has added to the game all round. This, combined with the experience of older players has no doubt contributed to the success of the Laois ladies and helped us achieve our ultimate goal of a Senior All-Ireland title this year. Fourteen of the panel from the All-Ireland final of 1996 were still in form for the All-Ireland title this year.

Even though I didn't receive a coveted All-Ireland medal, I am delighted for the thirty-two girls on the panel – they have done us proud - and if I were back again I would give the same effort and compromise to play on the Laois ladies county team. It was a great honour. Indeed, now I fully understand why I wrote that initial letter to several football clubs in an effort to promote the game.

Today there is more work in administration behind the scenes than there was in the past. Chairperson, Mary Wheatley consistently attends the many meetings around the country, also holds positions on Leinster and Central Council and was the first lady President of the Association. Thanks to such people as Mary Ramsbottom (RIP), County Secretary, who always arrived to cook breakfast after the early morning training session in 1996, and with the soup and sandwiches on the other occasions. Joan Colton, PRO, who keeps the media informed and is always ready to give a helping hand whether it is washing the jerseys or dishing up the grub. Margaret Brennan, former stalwart and present Treasurer, has had an enormous task this year looking after the needs of all, and as we all know fundraising has never been an easy job. In addition, such programmes as Cumann na mBunscoil and Leinster GAA Summer Camps have helped encourage younger kids to take interest in the game as well.

Out of all the experience and time, the issue of sponsorship is still a struggle and it often depends on word-of-mouth and how well the county team is doing. Next year, I hope, will be easier than most after winning the All-Ireland title. While TG4 has helped to increase the profile of the game this year, the struggle now is for the ladies to retain the All-Ireland title. Let us continue to play in the blue and white and raise that flag, triumphantly in all its glory at full mast again.

### **The Star of the Blue and White – Christy O’Brien**

*Composed by P.J. Whelan, Knock, Roscrea*

Well here’s health to Christy O’Brien to America he’s on his way (1966)  
 A Tribute to a hurler great, I’ve longed for many a day,  
 And when he steps out on that far-off field in the land of fame  
 & might,  
 I know he’ll do an honour good, for the famous  
 Blue and White,  
 (Chorus)  
*For he is off to America, that’s why we proud to sing,  
 Because he is pride of Borris, and as famous as Christy Ring.  
 Sure when he steps out on that far-off field, it will fill  
 us with delight,*

*Amid the clash of the ash ‘twill be O’Brien’s great dash to  
 honour the Blue and White.*

I remember when the Borris boys wore  
 Laois highest crown  
 The man from Derrin was always stern and  
 never let us down.  
 When he faced the men of Cullohill and  
 Camross may I say,  
 His hurling skill and sportsmanship will be talked of  
 for many a day.

*(Chorus)*

On many a great St.Patrick’s Day he often thrilled us all,  
 In a Leinster jersey we cheered him against the mighty Tony  
 Wall,

And as he stood up to Munster’s best,  
 sure Christy ne’er gave up,  
 It was often his spectacular goal that brought home  
 the Railway Cup.

*(Chorus)*

I hope the day is not far away when hurling’s  
 greatest prize,  
 Will come the way of Christy O’Brien whom all  
 Laois men idolise,  
 And please God, when that great day dawns  
 Croke Park will be packed tight,  
 For we’ll be there in our thousands to cheer on the  
 Blue and White

### **Bob O’Keeffe**

God Bless you noble Bob O’Keeffe,  
 Your memory is with us still.  
 While we look back on days that’s past,  
 Our tears a cup would fill.  
 You loved the Gaels that played the games,  
 You loved your country too,  
 And in return, our hearts still burn,  
 With ardent love for you.  
 In the year of nineteen twenty,  
 When the Gaelic fields were bare,  
 Where were those Gaels that played the games,  
 Alas, they were not there.  
 When asked by one, where were they gone,  
 He said; You must be dull,  
 If the playing fields are empty now,  
 The fighting lines are full.

Again in nineteen thirty nine,  
 When danger loomed ahead,  
 For the freedom of our living men,  
 And the honour of our dead.  
 Once more we gathered round him,  
 Like pupils in his class,  
 With tears in eyes, these words he said,  
 You've got your chance at last.  
 And where the fight is fiercest boys,  
 I won't behind you lag,  
 For I'll be there, or hover near,  
 Around your good old flag.  
 That was the spirit of the Gael,  
 That laboured in the cause,  
 He loved the land that gave him birth,  
 He hated alien laws.

But now alas, he's gone from us,  
 His memory we'll enshrine,  
 And write his name in letters gold,  
 Across the page of time.  
 All honour to our County Board,  
 And Leinster Council too,  
 Who gave those splendid trophies,  
 His memory to renew.  
 And when our day of reckoning comes,  
 Let that be soon or late,  
 We'll hope to meet with Bob O'Keeffe,  
 Inside the Golden Gate.

**Lovely Laois**

*by Christy Cullen*

Twenty years ago today,  
 Since I first sailed away,  
 And left my dear old home so far behind.  
 But since that lovely journey,  
 My heart has always yearned,  
 My happy home in Laois once more to find.

*Chorus;*

*Lovely Laois I hear you calling,  
 in my dreams I hear you say,  
 Come back home to dear old Erin,  
 Lovely Laois I'll come back to you some day*

I still have pleasant memories  
 of that old river Nore  
 I fished along your banks each  
 Summer's day  
 Those memories I still cherish,  
 Of distant days of yore,  
 Those days of youth when I was young and gay.

*Chorus;*

The view from Sliabh Blooms,  
 In dreams I still can see,  
 It's beauty is as rare as you will find,  
 To see those scenes of childhood,  
 Once more I will return,  
 And meet those folks so gentle and so kind.

**The Men of 1915**

**"In the twinkle of an eye the ball was in the net"**  
*Song of 1915 in memory of the gallant players who brought  
 back the first All-Ireland Hurling Title -*

1

In the month of dark October in the year  
 nineteen fifteen,  
 Twelve thousand Gaels assembled on the Croke memorial  
 green,  
 They knew when Leix and Cork would meet upon the Gaels  
 own soil,  
 In Jones Road in Dublin it would be a battle royal.

2

The coin was spun the Redmond won the ball  
 was set to roll,  
 And like a mighty army they bombarded the Leix's goal,  
 But Paddy Ryan defended well through stormed by  
 shot and shell,  
 And what he is worth between the sticks the  
 Redmond's best can tell

3

Joe Dunphy stood in his honour place as active as a deer,  
 He saved his lines a thousand times and oh to see him clear,  
 He drove the ball right down the field across the  
 centre line,  
 Where Leix's string from wing to wing, most brilliantly did  
 shine.

4

Joe Carroll on the left wing back none other  
 could compare,  
 And gallant Walsh upon the right was doing a  
 lions share,  
 And Bob O'Keeffe gave great relief on him we all relied  
 And Daly played a hero's part, a Gael both true  
 and tried.

5

The Finlay's too none could subdue, how did they stand the  
 strain,  
 When the Redmond's swept along the sward just like a  
 hurricane,  
 The clash of ash was plainly heard along by Liffey's stream,  
 When Munster's best struck up against the boys  
 from Ballygeehan.

6

Ned McEvoy from beauties home was  
 Leix's brightest star,  
 The Carroll's too, both Jim and Jack, a gallant pair  
 they are,  
 When they combined along the line the Redmond's  
 they o'ercame,  
 They were wrapped in sweet Kilkotton, it's the cradle  
 of the game.

7

Like greyhounds racing from the slips, the Phelan's  
 John and Joe,  
 Across the green plain to be seen swinging proudly  
 to and fro,  
 And Hiney proved determined that the flag should not be  
 lowered,  
 When through a sea of jerseys Red he ploughed his  
 way and scored.

8

'Come on again' a voice rang out to Champion on the wing,  
 He bounded onwards like a stag and on the ball did spring,  
 The ball he gripped his man, he slipped I think I see him yet,  
 And in the twinkle of an eye the ball was in the net.

9

Oh then the glorious passage came the greatest of the day,  
 Like Arab steeds our Leinster men from Cork  
 raced clean away,  
 The memory of that glorious deed did nerve each  
 heart and hand,  
 To shell the Redmond's citadel which could no  
 longer stand.

10

With joy our Hearts were beating as the hour was skipping  
 on,  
 The Railway Cup was now in sight and the  
 Redmond's hopes all gone,  
 Through gallantly they forced the fight all honour  
 to retain,  
 But Leix repulsed them left and right against the  
 wind and rain.

11

All honours to the Redmond's for the gallant fight  
 they made,  
 They took defeat like sportsmen, and they never seemed  
 dismayed,  
 Through vanquished in this mighty fray of Braun and brain  
 and skill,  
 We'll clasp their hands as Gaels so grand as worthy foemen  
 still.

**Last Verse Written by Paul Ryan Callawn,  
 Roscrea in March 2016**

*to include rest Panel not mentioned in this Ballad*

James Kelly Sheridan came on for Campion,  
 Did his share to win the Cup,  
 While Jack Loughman was the Character,  
 Who kept their Spirits up.  
 Better Subs than Tim Costigan or James Deegan,  
 You've not seen,  
 Nor the Castleman, John Phelan,  
 In Nineteen and Fifteen.

**All Ireland Champions – 1915**

*by Paddy O'Connor*

*Appeared in the Kilkenny People in 1915*

On the 24<sup>th</sup> October, a day we all know well,  
 We went to see a hurling match, the truth I am going  
 to tell;  
 Between our own wee county and that big county Cork,  
 And such a match was never seen from Dublin to  
 New York

The match was started up to time, Cork were  
 first to score;  
 And they scored a second time, oh how their boys  
 did roar;  
 But soon they stopped their roaring and all things  
 came very quiet,  
 When a smart young hurler, Phelan, shot two goals  
 from the right.

Jack Daly from Rathdowney, the boldest man of all,  
 O'Keeffe from Kilstotton, he never missed a ball;  
 And for little Jackie Carroll, who was always worth  
 his place.

And the smartest man upon the team was "Mack"  
 from Abbeyleix

It was the finest hurling match that ever has been seen,  
 And I think the play was due to the six from "Ballygeehan"  
 But what about Kilstotton who never left the team in doubt,  
 And Rapla with one alone, cannot be left out.

There was Jack Finlay, the Captain, a glorious sight  
 to see,  
 The way he played around the boys that came up from the  
 Lee;  
 With his brother in the centre, who never missed a whack,  
 And I'll tell you straight you could not beat Joe Dunphy at  
 full back.

Now the day is o'er and we know it was a shame  
 The way some sportsmen in this county failed to  
 back us for that game;  
 But they saw it to their grief, and their pockets felt it too,  
 For they ought to know what Laois Countymen can do.

So, now to conclude and to finish up, we know they got the  
 rain,  
 But they played like men, as men they were throughout that  
 splendid game;  
 And when the final whistle went, oh you should hear  
 the roar,  
 But the Corkmen nearly died with fright when they realised  
 the score – 6-2 to 4-1

6

**The Champions of Ballygeehan**

Ye may boast of great hurlers in Erin's Garden Green Isle,  
 Of Tipperary's tough sloggers- Kilkenny's crisp style;  
 Still of All Ireland champions, no finer were seen  
 Than the blue jersied hurlers of old Ballygeehan.

In Phelan's Long Meadow' did the Finlays combine,  
The Costigans, Walshes and Phelans in line,  
The Clooneys, the Brennans, Harte, Cashin and Ryan  
In ten Leix senior finals, those hurlers did shine.

In one famous final when the long whistle blast  
Found the Leix county hurlers were champions at last !  
There foremost of all in that battle so keen  
Were the blue-jersied hurlers of old Ballygeehan.

It was in the All Ireland of nineteen fifteen,  
And by thousands of Gaels there, t'was plain to be seen  
That Cork's red star champions could never outshine  
The Finlays, the Phelans, Jack Walsh and Pad Ryan.

In arenas of Europe and the far USA,  
Where the world's mighty armies in equine display  
'Gainst Ireland's young army in contests convene,  
There's a horse and a rider from old Ballygeehan.

See that white-face chestnut in that vast array  
Clear hurdle after hurdle in a faultless display :  
Tho' proud "Lace of Limerick" his name may have been,  
He was nursed in "Long Meadow" in old Ballygeehan.

Old Ireland triumphant, the verdict is cast,  
And our flag o'er all nations waves clear at the mast.  
Hear the exiles of Erin shout a proud fierce hurrah !  
As they stand for the anthem of Erin-go-bragh !

See that tall rider who leads the parade  
Saluting our flag by this valour displayed:  
'Tis commandment Tom Finlay in Ireland's grey green,  
The champion Leix hurler from old Ballygeehan  
Your hands then, old comrades, right well we may boast,  
With our townland and neighbours, we honour a toast  
"To our hurlers, our horses and horsemen so keen  
Who brought fame and renown to our Ballygeehan !"

### Brave Christy O'Brien

*Composed by Christy Cullen in July 2000*

I'll sing you of a hurler, a player of renown,  
His County, club or province he never once let down  
He was the greatest sportsman that ever took the field  
A heart as Borris & a will that wouldn't yield.

*Chorus;*

*He played for Laois & Leinster with players of great fame  
Where hurling stars are mentioned you'll always hear  
his name*

*His equal for his county I never yet did see  
His name was Christy O'Brien from Borris-in-Ossory.*

Five Senior hurling titles for Borris in his day  
With flags and colours waving the fans they made  
their way

To see this gallant hurler, he always gave his best  
He feared for no opponent & he put them to the test.

He got the call for Ireland to far off U.S.A.  
And with his Irish team mates he travelled there to play  
Our proud Laois hearts were beating, to us he was our King  
To see him play for Ireland alongside Christy Ring.

You won no Leinster title, but yet you stand apart  
The memories that you left us, we hold them in our heart  
Yes Christy, you're our hero, the history books will show  
You're name we fondly cherish no matter where we go.

### Christy O'Brien

*by Joe McCormack, Portlaoise in 2004*

I will tell you a Story,  
But to you I will not Preach,  
It relates to a Village,  
In the County of Laois,  
It tells of the Love,  
Of a Native so Grand,  
For the great game of Hurling,  
One of the Best in the Land  
In the village of Borris,  
Nor far from Roscrea,  
Lived a giant of a man,  
One of the greats of his day,  
From the stroke of his Hurley,  
The sliothar went Flying,  
In a class of his own,  
The great Christy O'Brien  
With the roar of the Crowd,  
He was seen at his Best,  
Taking Balls from the Heaven,  
With courage, he was Blessed  
On a short Solo Run,  
With the speed of a Jet,  
The Ball finished up  
In the back of the Net.

A giant of a Man,  
Not many so Brave,  
On many a Day,  
The game he did Save,  
The fans cried "Come on Christy"  
You are on a Roll,  
From the Fourteen Yard Line,  
Christy scored the winning Goal.  
*(After 1960 SHC Final v Portlaoise)*

In the village there after,  
Glorious comments were made,  
With the Portlaoise Accordion Band,  
There was a Parade, Up front there was Christy,  
With his team mates so Proud,  
Come good old Borris,  
Came the roar from the crowd.

So here's to you Christy,  
In folklore you will Stay,  
The Youth of the County,  
You helped in every way,  
Thank you for the Memories,  
All of which we can recall,  
You were one of the Greatest, With the Hurley and Ball

### The Two Christy's

By Paul Ryan,  
Callawn,  
Knock

Christy O'Brien  
Laois

1

Christy Ring  
Cork

Come gather around me all you Gaels,  
I have something for to say,  
It's all about two hurling men,  
And the great games they did play.

2.

To watch those two men hurling,  
Was a privilege for me ;  
One grew up by the Nore  
And the other by the Lee.

3

They had many things in common,  
Including half their names,  
They're among the greatest jewels  
That ever graced our games.

4.

To Croke Park on Patrick's Day,  
To the Railway Cup we'd go  
To see O'Brien and Rigney Boy  
Put on a hurling show.

5.

Though he lacked the great support  
Of Ring on bigger days,  
T'was the Laoisman on his own  
Set the hurling world ablaze

6.

And he only wanted half a chance  
For to grab that vital score  
And that was in the good old times,  
When there was no back door.

7.

O'Brien, he loved the "Red and White"  
When he wasn't wearing "Blue"  
And Ringey boy, he also loved  
Those same old colours too.

8.

Then one day they played together,  
Those greats from Laois and Cork;  
'Twas in the Carding Cushing Games  
In far away New York.

9.

Thousands came to see these Stars  
Display their Silken Skills,  
And they'll Remember 66'  
For the hurling and the thrills.

10.

Well Ring has gone to his reward,  
But we still have O'Brien,  
And thanks for all the joy they brought,  
To Borris and to Cloyne

10

### The Dashing Men of Laoighis

Once more the sons of O'Moore,  
Force rival banners down.  
Historic Laoighis is marching on  
To win the football crown,  
The spirit of her glorious past asserts itself again,  
Oh! Who to-day can stand before her world-famed brilliant  
men.

I saw them sweep the Eastern Plain  
Where rallied Irelands' best.  
I saw them sparkle in the South,  
Likewise the North and West,  
No ee'en the might of all combined could stand unskaken  
then,

Before that brilliant Eastern tide of headlong,  
dashing men.

But while all noble-hearted Gaels  
Such victories may applaud,  
The standard bearers of our Island  
Are honoured more abroad,  
These men who swept the distant plains of Boston  
and New York,  
Shone brighter and with less reward in Waterford  
and Cork.

With less reward, but even then  
The fate of Laoighis was sweet,  
Few, few possess as bright a soul  
In triumph or defeat  
Her spirit proud exalts the Gael in battles lost or won.  
And when she loses, glory still flows from her setting sun.

Once more the sons of bold O'Moore  
Force rival banners down  
All o'er the nineteen-forty fields  
For Erin's football crown.  
Unchanged, undaunted from that land where bygone glory  
speaks

Away they go, once more to raise the honoured  
flag of Laoighis.

### Tribute to Timmy Fitzpatrick

(Appeared in Tipperary Star after 1949  
All Ireland final v Tipperary)

He had Skill,  
He had Style,  
And a pair of Hands,  
That could make a ball Talk

For his Caption and Clearing,  
And Jumping so High,  
With one hand Outstretched,  
He could pluck a ball from the Sky.

12

### All Ireland Final 1949

By Mary Williams nee Kilmartin  
(formerly Garron, Borris-in-Ossory)

Another final is over and all the sportsmen will join,  
To celebrate the championship of 1949,  
Here's to Tipperary, let's give a rousing cheer,  
And clink our glasses loudly,  
With the victors of the year.

But let's not forget a toast to Laois's 15 two,  
Who through the year did proudly wear  
The gallant White and Blue,  
Though faith again has destined that another year they wait,  
Their spirits are undampned,  
They're still glorious in defeat.  
You won your way through Leinster,  
We were with you all the way,  
We were proud of all your efforts,  
And your clean and sporting play,  
It was all an uphill Journey,  
But you stood to every test,  
And though not All Ireland Champions,  
You were worthy second best.  
So let this sporting spirit always dominate your play,  
For victory awaits you, upon a future day,  
It's the rising of the banqueted,  
That will keep the interest strong,  
And awaken brighter Ideals in the memory  
of the young.

So keep the hurley's swinging and be ready once again,  
When another year awakens with the call to  
hurling men,  
To take your place among the best,  
As you have done before,  
And bear the colours nobly for the county of O'Moore  
A toast to Fitzpatrick, McCormack, Bergin and White,  
Murray, Byrne, and Ruschitzko who played in the so right,  
The midfield pair of Bohane, Styles, tried hard  
with stylish play,  
To get the ball way up the field, to Hogan,

O'Brien and Gray,  
The forwards Kelly, Lalor and Ford, tried hard  
but could not make it,  
And on the day, it t'was not their game,  
Tipperary were to take it.

### The Song of a Hurl

The following beautiful poem from the pen of Crawford O'Neill appeared in April 1916. He was shot accidentally in Dublin during the Easter Rising. Perhaps it was the magnificent Laois Hurling Team of the day that gave him the inspiration to write it.

Oh! Cut me a hurl from the mountain Ash  
That weathered many a gale,  
And my stroke will be lithe as the lighting's flash,  
Oh! My feet shall be swift as the white skin – drift  
On the bay in the wintery weather. As we run in line through  
the glad sunshine.

Oh! Give me a field on a Sunday morn'  
When gay spring winds are swinging,  
Through copse and lane to the merry tune,  
The lads of the South are singing,  
Give a Rose to a maid or a silken braid; Give a singer his song's  
full measure:

But give me a lad whose heart is glad,  
With the width of a field, for his pleasure.

Oh! To dart on the wing and twist again,  
With a puck that is swift and burning,  
Or to fling out the line in attack, and strain  
Every nerve till the tide is turning;  
To weaken the swirl of a Wicklow hurl  
With good bred in Kerry,

And press for the goal with all your soul, Or lose with a heart  
as merry

I have seen the children of other lands  
At games of down and feather,  
Applauded by dames with delicate hands,  
In the mild mid-summer weather  
But such poor sport is a weary sort,  
With never a thrill to quicken  
Like the flash and flame of the Gaelic game,  
When the hot strokes swarm and thicken.

### Kieran Brennan and his Men of 1986

By Paul Ryan, Callawn, Knock

They'll talk of nineteen eighty-six for many  
years to come,  
And how those gallant men from Laois made  
Monaghan succumb,  
To win the Football League; how brilliantly they played,  
And carved a place in history for the blue and  
white brigade.

Give three cheers to Martin Conroy, a goalie  
safe and sure,  
Martin Dempsey is adored in the County of O'Moore;  
Pat Dunne and Eddie Kelly, we never will forget,  
And our dual star, Mick Ahearne, has not been  
mastered yet.

Pat Brophy played superbly, he never did give up,  
'Twas such determination that won for Laois the Cup.  
Our Captain, Colm Browne, he gave a great display,  
While Costello and Irwin at midfield held the sway.

Willie Brennan, great as ever, in a wonderful career,  
Each time he moved towards goal he filled the Ulsterman with  
fear,

Gerry Browne's great, well-timed passing was  
clockwork at its best,  
And the magic of Tom Prendergast gave Monaghan  
no rest.

Michael Dempsey and Maguire worked mighty  
from the start,

While Nerney, Lalor, Prendergast, each played a  
noble part,

Full-forward Eamonn Whelan, what a kick he  
can unleash,

And his goal, oh what a goal, brought victory to Laois.

Yes, Brennan and selectors and other subs as well,  
We thank you for your efforts before we say farewell,  
The League has now been won, and our sights we have set  
higher,

For now, our next ambition is to win the 'Sam Maguire.

### The Laois Wonder Boy

By Michael "Salt" Murphy Roscrea,  
formerly Tinyrland, Carlow

(second cousin to Tommy Murphy)  
(Song to Air of Bould Thady Quill)

1

Ye young gaeles of Ireland come gather around me  
A verse of a song I will sing unto thee  
About a great sportsman our own pride and joy  
The famed Tommy Murphy the Laois Wonder Boy

2

Long ago all over Ireland young and old made their way  
To converge on Croke Park just to see Tommy play  
Their very own midfield, couldn't get up as high  
To compete with the power of the Laois Wonder Boy

3

He played against Kerry just a boy seventeen  
One of the greatest midfielders that ever was seen  
His catching and kicking to see was a joy  
And it made Tommy Murphy the Laois Wonder Boy

4

To see him lineout sure it was sheer delight  
Proudly he wore the great Laois blue and white  
Now he is gone and it's easy know why  
The Lord had to take him the Laois Wonder Boy

5

A true hearted sportsman of fame and renown  
In history pages his name will go down  
May God rest you Tommy in his throne up on high  
Your the pride of Graiguecullen and the  
Laois Wonder Boy

1

There are those who claim that a hurling game, is the greatest  
sport on Earth,  
And it's each boy's dream to 'make' the team for the county of  
his berth;  
But we all take pride, when our parish side of mentors, players  
and subs,  
Can beat the best and wear the vest of Ireland's Ace  
of Clubs.

2

They won each test against Munster's best,  
as history records,  
But All-Ireland day would bring Roscrea her  
overdue rewards.

They beat the men from Rynagh's then;  
doesn't that beat Banagher !!  
In that same old town where Tipp's first crown  
was also won, in Birr.

3

To recall the team that reigned supreme, with the captain I'll  
begin,

With Donie 's guile and fluent style, was his fierce  
to win.

As he left the field with the winning shield, he had opened a  
door,

That showed the way and brought Roscrea,  
where none had gone before.

4

Tadhg Murphy played heroically, in the last line of  
defence,

While Mick Hogan's contributions and Maher's  
were immense.

With Rowland's skill and Crampton's will,  
and O'Connor in between,

This fierce blockade by the Red Brigade was  
the best I've ever seen.

5

Playing number three, it was grand to see the famous  
Kieran Carey,

Whose hurling style was loved in Kyle, Roscrea and  
Tipperary.

Loughnane and Mickey Nolan were both gifted  
and ciotóg,

And, equalled skill for their midfield skill,  
are Moloney and Minogue.

6

Both Stapleton and Brussels shone, with skill and  
strength galore,

Like Har Loughnane and Hannon, they could take a  
crucial score;

But the score for me I'd go back to see were the ones I  
won't forget:

Joe Tynan's 'slams' and Cunningham's to the roof of  
Martin's net.

7

'Twas no surprise the Spooner boys and Shanahan  
excelled,

For Dooleys, Dynan, Hogan, Tynan made this squad  
unparalleled.

There was Landy too, and Josie who were also super  
subs,

To this gallant crew, farewell to you, and to hurling's Ace  
of Clubs!.

### Kieran Carey from Roscrea

By Pat Joe Whelan

1

Sit down my son and I'll tell you a story that is true,  
Of a fearless hurling hero whose equals they were few  
He wore the Red and White of 'Ros' and Tipp's famed Blue &  
Gold

His name is Kieran Carey a legend and bold

2

In nineteen Fifty eight me boys this man came  
on the scene

To take his place among the backs of Tipp's  
All Ireland team,

He crushed Cork's Paddy Barry a stalwart in his day,  
But he failed to match the grit and skill of  
Carey from Roscrea.

3

Cloyne's own wizard Christy Ring he saw him  
from the wing,

He knew that Tipperary had a back man full of sting,  
Once or twice those great stars clashed but the 'Ros' man won  
the day,

No forward in the hurling game could best  
Carey from Roscrea.

4

Eddie Keher from famed Kilkenny,  
Tom Walsh in days of yore,

Or the 'Hopper' from the Slaneyside all found it  
hard to score,

For the close man in the corner was always in the way,  
On the ball at every call was gallant Carey from Roscrea.

5

Jimmy Smyth the famous Clare man, he tried to quill his  
stride,

Sure when the Clare star got the ball he seldom sent it wide,  
The Decies men tried it too, Limerick by the Shannon way,  
To curb the talent of great hurling men and peerless Carey  
from Roscrea.

6

So my son some day you will read and learn of how those  
games were won,

And the stories of 'Hells Kitchen' in the hurling years that's  
gone,

John Doyle and Michael Maher those star's of Yesterdays  
And the crested hero of long ago, Kieran Carey from Roscrea.

### Do You Just Belong?

- 1  
Are you an active member  
The kind that would be missed,  
Or are you just contented,  
That your name is on the list.
- 2  
Do you attend the meetings,  
And mingle with the crowd,  
Or do you stay at home,  
And Crib both long and Loud.
3.  
Do you take an active part,  
To help the club along,  
Or are you satisfied to be,  
The kind to 'just belong'
- 4  
Do you even go to visit,  
A member who is sick,  
Leave the work for just a few,  
And talk about the Clique.
5.  
There is quite a programme scheduled,  
That means success, if done,  
And it can be accomplished,  
With the help of everyone.
6.  
So attend the club regularly,  
And help with head and heary,  
Don't just be a member.  
But take an active part.
7.  
Think this over member,  
Are we right or are we wrong,  
Are you an active member,  
Or do you just belong.

## 19 The Referee

This is the referee, I'm glad he is not me,  
No matter how he rules the game,  
He is up against in all the same,  
The home spectators shout and curse  
And call him cheat, and sometimes worse, They yell "Your  
eyes are full of dirt",  
And "Get the referee a shirt",  
The visitors are just the same,  
They shout "Hey mister play the game",  
With glaring eyes and faces grim,  
They swear they will team him limb to limb,  
Old soldiers never die they say,  
And referees seem likewise built that way,  
No matter what abuse they get,  
They live in spite of every threat,  
And as each Sunday comes around,  
You will find them on the football ground,  
And there in rain and snow and mud,  
The Crowd are shirking for their blood,  
And once again I am glad to be,  
A fan and not a Referee.

### The Blue & White of Laois League Final 1986

*Composed: By Christy Cullen*

- 1  
It was on a wet Sunday in May '86  
When Monaghan raced on the field,  
Their title at stake  
They were favourites to take,  
The League Cup that they would not yield,  
But up from the Midland, the brave sons of Laois,  
Had other ideas in mind,  
For sixty years waiting this title to win,  
It sure was a mighty long time.  
Chorus  
So wave the old Blue & White, such a wonderful sight,  
Those Laois boys oh how they did play,  
Our dreams have come true for the boys in the blue  
Let's toast them as Champions to-day.
2.  
Liam Irwin has scored, there's a point on the board,  
A few minutes later he'd three,  
The "Atch" scored a goal, I still can hear the roar,  
But a strong wind is with us you see,  
The Champions are reeling, but then they strike back, Our  
hearts they are missing a beat,  
The Laois backs are playing as if they are inspired,  
This time they will not taste defeat.  
Chorus

3.

But just on the break, we see the net shake,  
Brave Brennan gets goal number two,  
The Monaghan side are six points behind,  
Hurrah for the boys in the blue,  
I still feel the tension from that to the end,  
A half hour I'll never forget,  
Our Boys won't give in, this one they must win,  
But scores are now harder to get.

Chorus

4.

2-6 to 2-5 with our hopes still alive,  
The long whistle goes and we're through,  
For Laois they are champions,  
The League they have won.  
Croke Park is alive with the Blue,  
We're hoarse but we're happy, Laois finish on top  
This day in our hearts will remain,  
You go into history the boys in blue  
The team who refused to give in.

Chorus

### Tommy Murphy of Laois

1

While we honour in song and in story,  
The names of the great football men,  
Whose deeds still live on in glory,  
By many a mountain and glen,

2

Forget not the men from Graiguecullen,  
Who could stand with the bravest and best,  
When Laois marched on towards glory,  
Tommy Murphy stood out from the rest

Chorus

So here's to the gallant Tommy Murphy boys,  
A man who could out-field the best,  
At the youthful age of sixteen,  
His Skill was first put to the test.

3

It was in the thirty seven team,  
He first wore the Blue and White,  
Although just a boy of sixteen,  
He shone like a bright star at night

4

Against the might of the Kingdom,  
In defeat our banners went down,  
But Tommy's skill won the hearts of the Nation,  
A new name on the role of Renown

Chorus.

5

He wore the green of Leinster,  
With honour for many a year,  
No finer Footballer at Croke Park,  
For years did ever appear.

But the dream of All-Ireland glory,  
For him was not meant to be,  
Still his fame will live through the ages,  
He's a Legend of history.  
Chorus

### The Boy Wonder – Tommy Murphy from Graigue

*Composed by – John Hayden, The Swan*  
*Recorded by - John Hosey, Abbeyleix*  
*Party piece - Tom Hassett from Errill*

1

I'll tell you a story and I won't keep you long,  
Of the great footballer of fame and renown,  
Tommy Murphy from Graigue,  
Sure his likes will never be seen,  
In the Blue and the White or the Red and the Green

2

For catching and fielding,  
And jumping so high,  
With one hand outstretched,  
He'd pull the ball from the sky.  
They came in their thousands,  
To see the supreme,  
Tommy Murphy from Graigue  
The football machine.

3

He first played for his county,  
When a lad of sixteen,  
And for twenty more years with the Leix team,  
He had skill, he had style and an eye like a hawk,  
And a great pair of feet,  
That could make a ball talk.

4.

When the experts, they picked The Millennium Team,  
Of the greatest footballers that was ever seen,  
To play centre-field in that great land above,  
Is our own Tommy Murphy, the name we all love.

5.

If ever a match in Croke Park you go,  
To see a Leix team in action,  
You always will know,  
That Tommy Murphy's up there,  
With his rosary on fire,  
That a Leix team one day,  
Will bring home the Sam Maguire.

**Bill Delaney from Stradbally Town**

*Composed & Recorded by Christy Cullen*

1

The nineties have gone as I'm writing this song,  
 And we're into a new century,  
 As Laois men look back on the years that are past,  
 Not much silverware do we see,  
 We go back to the 30's & 40's  
 For players of fame and renown,  
 And one of the greats from those wonderful teams,  
 Bill Delaney from Stradbally town.

2.

He was powerful and strong,  
 Never kicked a ball wrong,  
 He would catch the ball high in the air,  
 And if Laois were behind you always would find,  
 That Bill he would never despair,  
 He'd clutch the ball close to his body,  
 No back man could e'er hold him down,  
 He would go thro'er wall and get in past them all,  
 Bill Delaney from Stradbally town.

3.

With four Leinster titles for Laois in his day,  
 His record stands up with the best,  
 His great family name he brought to great fame,  
 When Laois men were put to the test,  
 Five Railway Cup medals with Leinster,  
 As Captain he once wore the crown,  
 All Laois they were proud,  
 He stood out in the crowd,  
 Bill Delaney from Stradbally town.

4.

Now Bill he is gone but his legend lives on,  
 For Laois people never forget,  
 To that pitch in the sky, he is up there on high,  
 Tommy Murphy is with him I'll bet,  
 For Bill he will ne'er be forgotten,  
 His memory will never let down,  
 And although he is gone, his legend lives on,  
 Bill Delaney from Stradbally town.

**Two in a Row**

**(Laois Minor Footballers 1996/97)**

*Compsed & Recorded by Christy Cullen*

1.

96-97 compare with the best,  
 When the Tom Martin Cup came to Laois to rest,  
 Our two minor teams in to history will go,  
 For its seldom a county wins two in a row.

2.

As All-Ireland Champions you started the year,  
 And to all your supporters gave plenty of cheer,  
 Kilkenny and Offaly both gave us a fright,  
 But Meath they caved in to the Blue and the White.

3.

Next Wicklow stayed with you for most of the game,  
 A great Leinster final for honour and fame,  
 But Laois got in front and sure when time was up,  
 It was young Kieran Kelly who lifted the Cup.

4.

To get to the Final they next met Mayo,  
 Our underage heroes they sure stole the show,  
 For Beano scored goals like you never have seen,  
 And they finished well clear of the Red and Green.

5.

The All-Ireland Final: The Blue and the White,  
 For those Boys from Tyrone they sure put up a fight,  
 But the Laois boys they said "we will be champions still",  
 As we waved and we cheered from our spot on the Hill.

6.

Young Leigh and his backs sure they never did yield,  
 Fitzpatrick, and Rooney, the lords of midfield,  
 The Kellys', and Beano I'll never forget,  
 Mark Hovendon's opener, the ball in the net.

7.

With thirteen new minors the All-Ireland crown,  
 We feel were on top of the world looking down,  
 The butter is our boys and now for the jam,  
 And it wont be too long till you come with Sam!

In honour of the lady footballers of Laois, Christy Cullen has penned the following song, sung to the tune of Christy Moore's Viva La QuinteBrigaga.

### The Laois Football Queens 2001

*Word by Christy Cullen*

The blue and white of Laois is proudly wearing  
Our girls they have the Brendan Martin Cup  
For many years they've tried and were defeated  
But this brave team of girls did not give up

That Sunday in Croke Park they won the final  
They did not know the meaning of defeat  
For two years now Mayo they were the Champions  
It seemed they were the team no one could beat

*Chorus*

*Laois they are the All-Ireland Champions  
Those girls from Lovely Laois they wear the crown  
Your football skills and great determination  
You kept your heads and did not let us down*

The first half of this game was fast and skilful  
And all the girls out there were in full flight  
You had a five point lead but then you lost it  
And Mayo thought they'd beat you out of sight

The second half was filled with so much tension  
The penalty we never will forget  
When up behind the ball stepped Mary Kirwan  
And drove it like a bullet to the net

*Chorus :*

And at the end the tension it was awful  
As Laois they tried to get the winning score  
But Mary once again she hit the target  
And everyone from Laois were heard to roar

Theresa Swayne, Patricia, Anna and Margaret  
They blocked and stopped the score from brave Mayo  
The half back line of Caseys and young Grainne  
They stopped Mayo's three finals in a row.

*Chorus:*

Kathleen and Linda Brennan in the centre  
Aileen and Tracey Lawlor helping Sue  
With Lulu, Mary Kehoe and Mary Kirwan  
Those forwards knew the job they had to do.

Lets not forget the subs who were replacements  
When players tired and had to leave the field  
To Ciara, Grace and Gemma we say "thank you"  
You also had the spirit do not yield

*Chorus:*

So now salute "the Goggie" Sean Delaney  
You showed those girls just how to lead the way  
To Aidan, Michael Carroll and Sammy Kelly  
Let's thank them all for bringing this great day

*Chorus:*

*The late Sean "The Goggie" Delaney (RIP)*

## The Delaney Dynasty – Legends in Laois Football

By *Teddy Fennelly & Paddy Dowling first published in  
"Ninety Years of GAA in Laois" January 1975*

When one even mentions football in Laois the name of Delaney is sure to instantly arise in the conversation – and for good reason. The Stradbally Delaneys have been involved in the county since God knows when: seldom has a Laois football team gone on to the field without a member of the clan been on it and rarely have the County Committee's not included a Delaney in their ranks.

To all Laois Gaels the unique part played by this famous family in the continuing history of Laois G.A.A. affairs is well known. Nevertheless a publication of this nature could not possibly be represented to those self same G.A.A. fans of the O'Moore County without some due reference to the achievements of this great sporting dynasty.

To find an apt beginning to this little story we might best go back to the great-great-grandfather of the younger members of the Delaney clan of today-John Delaney. Father-figure John had seventeen children-ten of whom were boys. They were in order of age – Jim, Morgan, Mick, Jack, Bill, Joe, Matty, Teddy, Tom and Paddy. All ten wore the Stradbally jersey from time to time and most in their turn also donned the county colours. Joe who is now 85 is the lone survivor of the ten brothers while Annie (97) is the only remaining survivor of the family and both reside in Stradbally.

### Jack Senior

The late Jack (known as Jack Snr) was one of those that brought the first senior football title to Stradbally in 1905 as well as collecting further county medals with his home team again in 1908, 1910 and 1911 and with The Heath in 1912 and 1913. But shortly before he died some years ago he recalled that he also played on losing Stradbally teams remembering especially 1902/03 and 04 finals in which years his team were beaten by a single point in all three finals. Jack Snr. Travelled to the U.S. with the Laois football team in 1938 as team manager and for a long number of years was one of the county delegates to the Leinster Council. His one son Morgan was a member of the Laois team that were pipped by Roscommon in the All-Ireland semi-final of 1946 while Morgan's son, Sean, was a star midfielder with Stradbally club.

### Matt Delaney

The late Matt Delaney played with the great Annanough side of the twenties and was a member of the Laois team that won the first National Football League in 1926. His sons Danny and Teddy have both starred with Stradbally and Laois. Danny is the present Vice-Chairman of the Laois County Board and Teddy is now a top class inter-county referee.

### Four Famous Brothers

Jack Jnr., Chris, Mick, and Bill Delaney are sons of the late Mick Snr. and nephews of Tom, who with the four brothers helped Laois to their great success of the 1930s.

### Jack Delaney Jnr

Jack Jnr lived at Dublin Road, Portlaoise, the eldest of the four brothers, has to his credit a list of honours and achievements that not only has never been equalled by any Laoisman but hardly ever will.

He joined the county squad in the final of that historic league of 1926: played with Ireland in the Tailteann Games of 1932 : won 7 Railway Cup medals with Leinster, a record only surpassed in very recent years by Sean O'Neill of Down, who won eight with Ulster: won three Leinster Senior Championship medals in 1936, 1937 and 1938 captained Laois in the successful U.S. tour in 1938 and won eight county senior medals with Stradbally.

After his playing days Jack still retained an active interest in G.A.A. affairs. He became the first chairman of the Laois Football Board in 1943 and retained his rank until he retired from the post in 1973. He was an elected delegate from the Football Board to the County Board. His four sons are well-known performers in their own right, Noel, the eldest, wore the county jersey with distinction for a number of years and also played with Leinster and in the Cardinal Cushing games in America. Pascal and Brian played with Laois in both codes. Both were members of the Laois under-21 side defeated by Kerry in All Ireland final in 1964 while Brian was also on the minor hurling side beaten by Cork in the same year in the All Ireland final. They have also won many county medals including six senior football medals with Portlaoise. Ray, the youngest, is a up-and-coming star with Portlaoise under-age teams and with Ballyfin College. One of their sisters Imelda is married to John Timmons, the Dublin All-Ireland winning star of a few years back and their other sister is wife of Ned Murphy, a well known Portlaoise hurler.

### Bill Delaney 1915 - July 2000

Bill Delaney's name is forever mentioned in football circles with the great Tommy Murphy. He is the only Laoisman ever to bring home the Railway Cup, having captained Leinster's successful run in 1939. Showing early promise he played he played with the minors of 1932 that were defeated by Kerry in the All-Ireland final.

At midfield and at centre-half forward, Bill blossomed into one of the all-time greats with the Laois teams that so nearly won the Sam Maguire Cup in the thirties. He was still going strong when winning his fourth Leinster S.F.C. medal in 1946. In between times he had collected five Railway Cup medals and seven county medals with Stradbally and like his three brothers and his uncle Tom, travelled with Laois to the States in 1938.

Bill turned his hand to refereeing after hanging up his boots. He officiated at two All-Ireland finals namely 1946 Kerry v Roscommon and 1951 Mayo v Meath and a number of Leinster and Railway cup deciders in his refereeing days. Now widowed, Bill is the father of three boys and twin girls and the eldest boy, Gerry, was prominent county minor last year as well as starring for the club's senior team. Bill has been the Laois delegate to the Central Council for a long number of years and is also a senior selector. He was Laois representative in the Council for 25 years until the late 1970s and held the position of President of the Laois GAA until his death in July 2000.

**Chris**

Chris Delaney the tallest of the quartet, is a retired Garda officer who lived with his family in Athboy, Co. Meath. He played with Laois from 1930 to 1946 at midfield, centre-half forward and full-forward, winning four Leinster championship medals. He won county medals with Stradbally and with the Garda in Dublin and with Tullamore in Offaly and collected four Railway Cup medals in 1939, 1940, 1944 and 1945. He was Laois representative on the Central Council for twenty five years until the late 1970s and held the position of President of the Laois GAA until his death in July 2000.

**Mick**

Unlike his other brothers, Mick played most of his football in defence usually as pivot in the centre-half back position. He was on all eight winning Stradbally teams of the period, won four Leinster S.F.C. medals, and two Railway Cup medals. His sons Michael Jnr. and Teddy have won minor medals with Stradbally

and both have played at senior level also with the club. Mick Snr is a widower and like Bill still resides in Stradbally.

**Uncle Tom**

Tom Delaney, recently deceased, was better remembered as uncle Tom. He was the fifth member of the Stradbally clan on the Laois sides of the 1930s, playing at full-back. His son Paddy won College medals with the C.B.S. Portlaoise and juvenile and minor medals with Stradbally. Joe Delaney Snr is now in his mid-eighties and going strong. His son, also named Joe, won minor medals with the home club. Annie at ninety-seven is the oldest of the clan and she also resides in Stradbally.

With such a record of dedication and service to the G.A.A. in general and to the games in Laois in particular, the Delaneys of Stradbally have earned fully and richly deserve their place of honour in any journal dealing with the affairs of the Association.

# Chapter 16

## Tommy Murphy 1920 - 1985

A famous Laois Gaelic Footballer Known famously as "The Boy Wonder"

5th November, 1920 – 17th May, 1985

Tommy Murphy was arguably the best player to play football ever for Laois. The remarkable fact is that he played senior football for Laois in the Leinster Championship of 1937 before he was 17. He became known as the "Boy Wonder" This name was put on him by the late great Michael O'Hehir.

Tommy Murphy was born at Knockbeg, Sleaty, Graiguecullen, County Carlow on 5<sup>th</sup> November 1920. His father Andrew came from Tinryland to work at Knockbeg College but was born in a place called Tomacork on the Carlow-Wicklow border. He passed away in 1945 and his mother Mary passed away in 1956.

Tommy himself passed away on 17<sup>th</sup> May, 1985 after a long illness and is buried in St Mary's Cemetery, Carlow along side his parents.

Tommy was educated at Graiguecullen N.S. and in nearby Knockbeg College in Carlow. It was as a student in Knockbeg that Tommy first came into prominence as a footballer. Tommy Murphy played for the Laois Minors when he was just 16 against Offaly at O'Moore Park, Portlaoise on the 25<sup>th</sup> April, 1937 and Laois won. Three weeks later on Sunday 16<sup>th</sup> May, 1937, he played his first senior championship match against Offaly in Newbridge playing at centre-forward marking the great Bill Mulhall. The game finished in a draw – Laois 1-9 to Offaly 2-6. The replay was in Athy two weeks later and Laois won by 2-7 to 1-7 and they went on to win the Leinster title.

He also won 3 Leinster Senior Football medals with Laois in 1937, v Louth (0-12 to 0-4), played Kerry in All Ireland semi final in Cork on August 15<sup>th</sup> and game ended in a draw Laois 1-6, Kerry 2-3 – The Replay was played in Waterford on August 29<sup>th</sup> and Laois lost out by a single point by Laois 1-4 Kerry 2-2. Everybody knows what happened to Tom Murphy that day when he was stretchered off and so went the chance of a All Ireland place - note he was only 16 yrs old. At half time the score stood at Kerry 1-1 – Laois 0-1. At the start of the second half the young Tommy drove a left footed pile driver to the Kerry net and the sides were level. Laois added 3 more points before Murphy was deliberately taken out and had to retire injured. Kerry then scored 1-1 won the game by just a point Kerry 2-2 to Laois 1-4.

In 1938 Laois beat Kildare by 2-8 to 1-2 – played Kerry in All Ireland semi final in Croke Park and only lost by 2 points, 2-6 to 2-4.

In 1940 Tommy was captain of Laois who were defeated in the Leinster final by Meath played in Croke Park on 28<sup>th</sup> July score – Meath 2-7 – Laois 1-7.

In 1946 Laois beat Kildare in the Leinster final and won by 0-11 to 1-6 with Tommy lining out at centre back and he scored 8 points from this position which is a remarkable feat in itself. In the All Ireland semi final Laois were beaten by Roscommon on August 25<sup>th</sup> in Croke Park on a score 3-5 to 2-6.

His last game for Laois was against Wexford in the 1953 Championship at Carlow on the 24<sup>th</sup> May, (Wexford 1-9, Laois 0-11), where he completely out played the great Wexford and Leinster centre half back Willie Goodison. Two years later he played the last game for his club, Graiguecullen against Annanough in Ballylinan and were badly beaten.

In 1938 when Laois toured the U.S.A. the officials at the gate in the famous Polo Grounds would not let the young Murphy in as a player. They said he was too young to be a player, but Murphy dominated in all games and Laois won the tournament and the Tommy Heeney Cup which is still in Graiguecullen GAA Club and is dated 7<sup>th</sup> June. 1938.

During the late 1930s and 1940s Tommy Murphy was a household name all over Ireland. Tommy played in 12 County Senior Football finals winning eight Laois SFC Senior medals with Graiguecullen, 1938/1939/1942/1944/1945/1946/1947/1949 – losing four in 1937/1940/1941/1950.

He also won 3 Railway Cup medals for Leinster in 1939, 1940, 1945 but also played for Leinster in years 1938, 1941, 1943, 1947, 1948, 1950.

For many years Murphy worked as a Land Steward and later he was employed with the Department of Post and Telegraphs. He contested the 1948 general election for Laois-Offaly as a Clann na Poblachta candidate but failed to get elected.

He married Bridget Keating, from Montgomery St, Carlow on 22<sup>nd</sup> November 1942, and they had four sons, Andy (R.I.P.), Eddie, Tommy and John and five daughters,

Mrs Marna Geoghegan, Mrs Bally Morrissey, Mrs Nuala MacRory, Mrs Deirdre King, and Mrs Enda John, Mrs Marna Geoghegan (nee Murphy) was his eldest daughter who married John Geoghegan and has lived in Australia for most of her adult life. His son Eddie won a Laois Senior Football championship medal in 1965 playing at left half back and daughter Billie is mother of Jody Morrissey of Eire-Og and Carlow fame.

Tommy had an older brother Paddy who also played with Tommy in their many successful final teams of the 1930's /1940's.

In 1981 he received the ultimate honour – the All-Time All-Star Award sponsored by the Bank of Ireland.

In 1961 Tommy was selected at midfield with Paddy Kennedy of Kerry on the Gael Linn "Best Football of All Time" Team.

In 1999 the Gaelic Athletic Association honoured Tommy by naming him on the Gaelic football "Team of the Millennium." He was further honoured in 2005 when the G.A.A. named the "Tommy Murphy Cup" a new football competition in his honour. He was also honoured by being printed as one of the list of GAA players on stamps in Ireland.

The new Dressing rooms in Graiguecullen, gym, meeting rooms etc built in Fr Maher Park are called the Tommy Murphy building. There is a plaque on the wall of the Club House which was unveiled by Tommy Murphy in 1984 to commemorate the Centenary of the G.A.A.

Some years ago the Carlow U.D.C. built a new housing estate in Graiguecullen and it is called Tommy Murphy Park after the great man.

**THE BOY WONDER**

THE first time I saw Tommy Murphy was in 1920 when he was only 12 years old. He was playing for the Laois team in a match against the Wick team. I was sitting in the stands and I remember seeing him in the middle of the field. He was a small boy, but he was very quick and very clever. He was a real wonder.

# Chapter 16

## Tommy Murphy 1920 - 1985

A famous Laois Gaelic Footballer Known famously as "The Boy Wonder"

5th November, 1920 – 17th May, 1985

Tommy Murphy was arguably the best player to play football ever for Laois. The remarkable fact is that he played senior football for Laois in the Leinster Championship of 1937 before he was 17. He became known as the "Boy Wonder" This name was put on him by the late great Michael O'Hehir.

Tommy Murphy was born at Knockbeg, Sleaty, Graiguecullen, County Carlow on 5<sup>th</sup> November 1920. His father Andrew came from Tinryland to work at Knockbeg College but was born in a place called Tomacork on the Carlow-Wicklow border. He passed away in 1945 and his mother Mary passed away in 1956.

Tommy himself passed away on 17<sup>th</sup> May, 1985 after a long illness and is buried in St Mary's Cemetery, Carlow along side his parents.

Tommy was educated at Graiguecullen N.S. and in nearby Knockbeg College in Carlow. It was as a student in Knockbeg that Tommy first came into prominence as a footballer. Tommy Murphy played for the Laois Minors when he was just 16 against Offaly at O'Moore Park, Portlaoise on the 25<sup>th</sup> April, 1937 and Laois won. Three weeks later on Sunday 16<sup>th</sup> May, 1937, he played his first senior championship match against Offaly in Newbridge playing at centre-forward marking the great Bill Mulhall. The game finished in a draw – Laois 1-9 to Offaly 2-6. The replay was in Athy two weeks later and Laois won by 2-7 to 1-7 and they went on to win the Leinster title.

He also won 3 Leinster Senior Football medals with Laois in 1937, v Louth (0-12 to 0-4), played Kerry in All Ireland semi final in Cork on August 15<sup>th</sup> and game ended in a draw Laois 1-6, Kerry 2-3 – The Replay was played in Waterford on August 29<sup>th</sup> and Laois lost out by a single point by Laois 1-4 Kerry 2-2. Everybody knows what happened to Tom Murphy that day when he was stretchered off and so went the chance of a All Ireland place - note he was only 16 yrs old. At half time the score stood at Kerry 1-1 – Laois 0-1. At the start of the second half the young Tommy drove a left footed pile driver to the Kerry net and the sides were level. Laois added 3 more points before Murphy was deliberately taken out and had to retire injured. Kerry then scored 1-1 won the game by just a point Kerry 2-2 to Laois 1-4.

In 1938 Laois beat Kildare by 2-8 to 1-2 – played Kerry in All Ireland semi final in Croke Park and only lost by 2 points, 2-6 to 2-4.

In 1940 Tommy was captain of Laois who were defeated in the Leinster final by Meath played in Croke Park on 28<sup>th</sup> July score – Meath 2-7 – Laois 1-7.

In 1946 Laois beat Kildare in the Leinster final and won by 0-11 to 1-6 with Tommy lining out at centre back and he scored 8 points from this position which is a remarkable feat in itself. In the All Ireland semi final Laois were beaten by Roscommon on August 25<sup>th</sup> in Croke Park on a score 3-5 to 2-6.

His last game for Laois was against Wexford in the 1953 Championship at Carlow on the 24<sup>th</sup> May, (Wexford 1-9, Laois 0-11), where he completely out played the great Wexford and Leinster centre half back Willie Goodison. Two years later he played the last game for his club, Graiguecullen against Annanough in Ballylinan and were badly beaten.

In 1938 when Laois toured the U.S.A. the officials at the gate in the famous Polo Grounds would not let the young Murphy in as a player. They said he was too young to be a player, but Murphy dominated in all games and Laois won the tournament and the Tommy Heeney Cup which is still in Graiguecullen GAA Club and is dated 7<sup>th</sup> June. 1938.

During the late 1930s and 1940s Tommy Murphy was a household name all over Ireland. Tommy played in 12 County Senior Football finals winning eight Laois SFC Senior medals with Graiguecullen, 1938/1939/1942/1944/1945/1946/1947/1949 – losing four in 1937/1940/1941/1950.

He also won 3 Railway Cup medals for Leinster in 1939, 1940, 1945 but also played for Leinster in years 1938, 1941, 1943, 1947, 1948, 1950.

For many years Murphy worked as a Land Steward and later he was employed with the Department of Post and Telegraphs. He contested the 1948 general election for Laois-Offaly as a Clann na Poblachta candidate but failed to get elected.

He married Bridget Keating, from Montgomery St, Carlow on 22<sup>nd</sup> November 1942, and they had four sons, Andy (R.I.P.), Eddie, Tommy and John and five daughters,

Mrs Marna Geoghegan, Mrs Bally Morrissey, Mrs Nuala MacRory, Mrs Deirdre King, and Mrs Enda John, Mrs Marna Geoghegan (nee Murphy) was his eldest daughter who married John Geoghegan and has lived in Australia for most of her adult life. His son Eddie won a Laois Senior Football championship medal in 1965 playing at left half back and daughter Billie is mother of Jody Morrissey of Eire-Og and Carlow fame.

Tommy had an older brother Paddy who also played with Tommy in their many successful final teams of the 1930's /1940's.

In 1981 he received the ultimate honour – the All-Time All-Star Award sponsored by the Bank of Ireland.

In 1961 Tommy was selected at midfield with Paddy Kennedy of Kerry on the Gael Linn "Best Football of All Time" Team.

In 1999 the Gaelic Athletic Association honoured Tommy by naming him on the Gaelic football "Team of the Millennium." He was further honoured in 2005 when the G.A.A. named the "Tommy Murphy Cup" a new football competition in his honour. He was also honoured by being printed as one of the list of GAA players on stamps in Ireland.

The new Dressing rooms in Graiguecullen, gym, meeting rooms etc built in Fr Maher Park are called the Tommy Murphy building. There is a plaque on the wall of the Club House which was unveiled by Tommy Murphy in 1984 to commemorate the Centenary of the G.A.A.

Some years ago the Carlow U.D.C. built a new housing estate in Graiguecullen and it is called Tommy Murphy Park after the great man.

While great care was taken over a five year period with checking the thousands of facts contained herein, it is possible – if not inevitable – that some mistakes may have slipped through the net. For these, and for the small number of “not knows” that occur here and there, the responsibility is solely mine and I hope that the reading public will help put errors, not knows etc right in time. Regarding the missing Christian names on teams I have tried every avenue to solve these and again maybe some of the reading public will know the answers and club teams where these occur, I recommend that the clubs follow through on these which apply to their clubs and get answers to all.

## Introduction to The Appendix 2017-2019 to The Laois GAA Records Bible

In conversations with Laois GAA it was our overall view that the Publication of "The Laois GAA Records Bible 1888 – 2016" should be put up on the Laois GAA website for all to enjoy far and wide. It was requested that if printers did the corrections to errors or misprints found in the original publication and to update "The Appendix Results for 2017 to 2019 which I have worked on for last two years that all will be put on Laois GAA website in early 2020.

**My Recommendations:** - They are still as strong as ever re having all final teams & full panels, Capts listed in programmes for all finals and details accessible to all. The local media should list the captains in their reports on all finals which they are failing to do.

**Laois GAA Library:** Another recommendation would be to have a Laois GAA Library which should house all GAA publications within the county including hard copies of programmes produced by Laois GAA and an outlet for sales. The Library could be housed within a Laois GAA Museum and would be a great GAA reference Library, and available on line to researchers.

**Laois GAA Museum:** This should be set up and be part of the Laois GAA complex in O'Moore Park which has just been completed to a high standard. I know this project would be well supported with its contents from within the county and would be a big attraction to O'Moore Park going forward.

**Thanks:** To all who have helped me in any way with results, panel listings, scores and winning captains and all club contacts who went out of their way in a speedy way to help us get over the line. Thanks to Niall Handy, Secretary Laois GAA for his help and special thanks to Tomas Moore, Administrator, Laois GAA for all his help with this project and his anticipated help with getting both publications up onto the Laois GAA website – more about this later by Laois GAA. Great thanks must go to Walsh Printers, Roscrea for doing corrections to the misprints and updating the original publication and the Appendix 2017-2019 giving all the results of these years.

Hopefully it will act now as the template for Laois GAA games for the future. Also that the achievements of all the Gaels over the years will be remembered and be treasured by all.

## The Appendix Update 2017-2019

The goal has now been achieved to compile an inclusive sixty-six page limited edition appendix for Laois County Final results in all grades from 2017 - 2019 for hurling and football.

There will also be fifty copies reprinted of the original Laois GAA Records Bible completely updated to 2019.

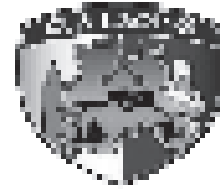

It is hoped to have a small launch night in Kelly's Pub in Borris-in-Ossory, hopefully in March 2020, for the updated Laois GAA Records Bible.

I wish to thank all those who have supported my publications in the past and look forward to meeting you all again at the launch night.

## Two great Borris in Ossory/Laois Players pass away within a couple of weeks of each other

**Finty Kealy** passed away suddenly on Friday 22<sup>nd</sup> March 2019. A lifelong member of Borris in Ossory GAA club, as a player and later as a great club stalwart in all facets of the club. Born in 1933, one of 5 children, Brothers Dinny, Jack, Sisters Margaret, Maureen.

Won Junior with the club in 1952, Intermediate in 53 and was part of the first team to win the senior Title in 1956 and again in 57. As he was working in Dublin he joined up with Faughs in 1960/61 and won two league titles but missed out on 2 county titles with Borris in 1960/61 which to him was bitter sweet. He was back in the Red & White in 1962 reaching the senior final with Borris but this time tasted defeat to Clonad by 1-8 to 0-5. This was also the year he married local girl Stella Kelly and had 5 in family namely, Brendan, Brian, Daughters, Noeleen, Ann Marie, Catherine. This was also the start of lean times for the club but Finty did not despair and kept playing for as long as he could. He then took up coaching starting with underage and achieved success with Borris in Ossory Minors winning their first ever title in 1968 and U/21 and these became the bones of the 1972 Seniors which put the club back on top again in Laois but their reign was short lived as were defeated in senior finals of 1973 & 1978 by Camross.

He served as a Laois Senior Selector and represented the county in Scor competitions. He was part of Laois Senior Hurling Panel which won two League Div 2 in 1959/60, and 1964/65. He filled all positions in the club and was a very active member of the club right up to the end and did trogan work for the weekly Lotto committee and for the

club. He always wore his heart on his sleeve and he surely was a "Borrisman" to the core and his passing left a great void to us all as he was forever young and especially to his family

## Borris in Ossory Loses a Great Loyal Son

**Brendan Dollard** ("Shelly") passed away on the afternoon of 5<sup>th</sup> April, 2019, of Derrin Borris in Ossory.

He was formerly from the top of the Hill in the Pike of Rushall, eldest of nine, (7 boys & 2 girls) namely Liam, Michael, Paul, Kevin, Oliver, Joe, Paddy, Lily, and Mary (Dunne). His father Fran was a member of Laois Minor hurlers which won a Leinster final in 1941. Brendan was a plasterer by trade and carried out his work with many local builders and was much sought after and his work was top class. Born on 31<sup>st</sup> March 1947, he enjoyed some juvenile success with the Pike of Rushall under the stewardship of Sean O'Sullivan N.T. A new competition the U/21 championship came into being in 1965 and some clubs combined for it had players from each locality and from the start was an instant success. Brendan teamed up with Camross and won the inaugural final against Ballygeehan on a score of 6-8 to 2-7 wearing the No 14 shirt. In 1968 he was with the Red & Whites winning his second medal which was the first for the club against Errill playing at No 11 score 4-7 to 3-6. Brendan had thrown his lot in with the Borris in Ossory club and for the rest of his hurling and domestic life he was to be part of the parish. He won a Junior medal in 1970 in the defeat of Timahoe in the final by 2-9 to 1-3.

At this stage all and sundry had realised what a great defender he was and wore the No 6 shirt which he called

his own for the rest of his playing career He was called into county duty with minors in 1965 and Intermediates against Offaly in 1970. He won an Intermediate medal with the club in 1988 against neighbours Kilcotton by 4-15 to 1-5 and had moved back to the No 4 shirt all of 25 yrs since he played minor with Laois.

The club of Borris in Ossory were a coming force with a lot of talent coming through from 1968 successful minors, Juniors of 1970, U/21's 1968 & 1972 and good management team with Finty Kealy on board as coach/trainer with a great committee of Murty O'Donnell Paddy Kirwan, Michael Dooley, Tom Galvin, Jimmy Kelly, William Kirwan. 1972 was to be a great year for Borris seniors with Brendan elected as our captain and a serious attempt was taken to try and win back the Bob O'Keefe Cup after an elapse of 11 years. We came up against our arch rivals Camross in 1972 played in O'Moore Park on 25<sup>th</sup> August semi-final and nobody gave us a chance as a lot of us were so young. Along with youth we had the "Maestro" up front, Christy O'Brien, who caused havoc coming out with a tally of 4-2. This game is remembered for a lot of reasons, closeness of the game, rough nature of the game and some unsavoury incidents but we got over the line by 5-9 to 5-5.

I was one of his wing men for several years, playing at no 7 and Christy Jones the other. We met Ballyfin in the 1972 final and we came out on top by 4 points 4-6 to 2-8. To me Brendan was an excellent captain who knew how to lead us and was a great team player and a great warrior at No 6, reader of the game and above all a gentleman. We met Camross in the 1973 final of the Brady Cup it's inaugural defeating them by 3-9 to 2-9 played on 30<sup>th</sup> March, 1974 with brother Paul as the Captain this time (Now known as A.C.H.L. Div 1 final) . We had a great run in the Leinster club championship and made it to the semi-final losing to the Fenians of Johnstown, Kilkenny and maybe if the "Doc" Paul Dollard had not been taken out we might have caused an upset. We made it to the 1973 and 1978 county finals and on both occasions, we came out second best to Camross. We played in all the

local big tournaments at the time, Durrow, Castlecomer, Ballyskenagh, Rathdowney, and many others. In 1972 Brendan was part of the panel of Laois hurlers which nearly defeated Kilkenny in the Championship and played for a few years in the league and championship and was elected as captain in 1973.

He took up coaching with Borris and a selector and was coach to Kilcotton which won the Intermediate title in 1992 defeating Ballinakill by 3-11 to 0-11.

Brendan married the love of his life Breda Whelan from Rathdowney whom we all knew well, and she was one of his great fans coming to all games.

When he was in his early 50<sup>th</sup> he had to slow down with work because of his illness and Breda took great care of him. In 2015 Breda took ill and within a short time had passed away. Brendan fought his illness with great determination and dignity and when you spent time with him on a visit it was to us all a great experience. Many balls were hurled up and down the room in his Derrin home. He had some great friends especially Jenny who took such great care of him along with his family and always a great welcome was given to all. On the 5<sup>th</sup> April, 2017 six days after his 72<sup>nd</sup> Birthday Brendan passed away surrounded by all his family. namely sons Brendan (Sammy), Paul, daughter Gordanna, siblings, grandchildren and friends.

Rest gently my teammate and friend and you have left a great legacy to all of us.

## DVD on Christy O'Brien

by Noel Sheridan, Borris in Ossory

After I had finished working on "The Laois GAA Records Bible 1888-2016" Noel Sheridan, from Borris in Ossory started his work on bringing out a DVD on Christy which he spent over 12 months doing. Terence Smeaton of Rathdowney was Noel's camera man, and both went to great length to have a great production. The DVD features and celebrates Christy's achievements as one of Laois and Leinster's finest hurlers. Also included is an interview by Jack Nolan with Christy on his life and times from his youth right up to today. It also features his playing colleagues from the 1956 Borris in Ossory first senior hurling winners for the local club along with some songs and poems. Proceeds of this venture was split between local organisations with the parish of Borris in Ossory and sales were very well supported both at a great launch in The Racket Hall Hotel, Roscrea on 8<sup>th</sup> December 2017 and locally. It now is a treasured possession to have.

## Inducted Leinster Hall of Fame June 2019

On Sunday 31<sup>st</sup> June 2019, Christy O'Brien was inducted into the Leinster Hurling Hall of fame at a function held in Croke Park. It was very appropriate that it coincided with Laois senior hurlers playing Westmeath in the Joe McDonagh Cup final with winners to play Dublin in the Preliminary Quarter final proper of the All Ireland senior hurling championship. The O'Brien family with his friend Christy Cullen and his wife Carmel were in attendance. I myself got an invitation from the O'Brien family and we all travelled up by mini bus. We had a corporate box to our disposal with lunch and drinks provided for the afternoon. Leinster Chairman Jim Bolger, along with

CEO Michael Reynolds were in attendance and a presentation was made privately in the box and some photos. At half time in the game, Christy was presented to the crowd by Leinster Council Chairman Jim Bolger. It was fitting Laois ran out winners by 3-26 to 1-21. It was very fitting that after the game "Lovely Laois" was played over the loud speakers as beside me outside the box in the stands was Christy Cullen the man who wrote the magic song. It was very moving.

The following week they played Dublin in O'Moore Park and defeated them against all the odds by 1-22 to 0-23 and this put them up against Tipperary in the quarter final the following week. They had no break between the game but went down fighting losing by 1-18 to 2-25. They lost Aaron Dunphy to a red card and this hampered them making another big upset in the championship. Tipperary defeated Kilkenny in the All Ireland final by 3-16 to 0-20

**Christy O'Brien Tribute**

By late Paddy Sinnott (Mountrath)

1  
 Ye lovers of hurling, assemble around,  
 And we'll talk about hurlers,  
 Of Fame and renown.  
 For the name I must mention,  
 Is known far and wide,  
 He's the stout hearted Laoisman,  
 The Bould Christy O'Brien.

2  
 Now to see Christy hurling,  
 Is always a thrill,  
 On good men or tough men,  
 He'll give them their fill,  
 For his Province and County,  
 He always did shine,  
 Three cheers for the Borrisman,  
 Christy O'Brien.

3  
 Tis well I remember and oft times recall,  
 The day that he out shone Tony Wall,  
 Christy kept Scoring,  
 Poor Tony kept trying,  
 But he could'nt just master,  
 The Laoisman, O'Brien.

4.  
 Great Players we have had,  
 In this dear little Isle,  
 Mick Mackey, the Rackards, Ringey, John Doyle, Keher and more  
 When they were in their prime,  
 But they all must give way,  
 To the Burly, O'Brien.

5.  
 I have one fond wish and I hope I'm not wrong,  
 To see them reach an All-Ireland,  
 To Croke Park we'll throng,  
 I hope he will lead them,  
 While he is still in his prime,  
 Three cheers for the Borrisman – Christy O'Brien.
